The Poisonwood Bible Barbara Kingsolver,2009-10-13 New York Times Bestseller • Finalist for the Pulitzer Prize • An Oprah's Book Club Selection “Powerful . . . [Kingsolver] has with infinitely steady hands worked the prickly threads of religion, politics, race, sin and redemption into a thing of terrible beauty.” –Los Angeles Times Book Review The Poisonwood Bible, now celebrating its 25th anniversary, established Barbara Kingsolver as one of the most thoughtful and daring of modern writers. Taking its place alongside the classic works of postcolonial literature, it is a suspenseful epic of one family's tragic undoing and remarkable reconstruction over the course of three decades in Africa. The story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of it—from garden seeds to Scripture—is calamitously transformed on African soil. The novel is set against one of the most dramatic political chronicles of the twentieth century: the Congo's fight for independence from Belgium, the murder of its first elected prime minister, the CIA coup to install his replacement, and the insidious progress of a world economic order that robs the fledgling African nation of its autonomy. Against this backdrop, Orleanna Price reconstructs the story of her evangelist husband's part in the Western assault on Africa, a tale indelibly darkened by her own losses and unanswerable questions about her own culpability. Also narrating the story, by turns, are her four daughters—the teenaged Rachel; adolescent twins Leah and Adah; and Ruth May, a prescient five-year-old. These sharply observant girls, who arrive in the Congo with racial preconceptions forged in 1950s Georgia, will be marked in surprisingly different ways by their father's intractable mission, and by Africa itself. Ultimately each must strike her own separate path to salvation. Their passionately intertwined stories become a compelling exploration of moral risk and personal responsibility.

The Ezekiel Option is brilliantly conceived. . . . Like an episode of 24 with a supernatural twist.” –Rush Limbaugh, #1 New York Times bestselling author “The Ezekiel Option is an exciting, action-packed thriller based on one of the most important end times prophecies.” –Tim LaHaye, #1 New York Times bestselling author of the Left Behind series “His novels . . . seem to be ripped from the headlines—next year’s headlines.” –Washington Times What if the end is closer than you think? Saddam Hussein is gone. Yasser Arafat is dead. An American president is trying to spread freedom and democracy throughout the Middle East. But suddenly new evils loom on the horizon. A dictator is rising in Russia. Iran is feverishly building nuclear weapons. A new Axis of Evil is emerging, led by Moscow and Tehran. And Jon Bennett and Erin McCoy—two senior White House advisors—find themselves facing the most chilling question of their lives: Is the world rushing to the brink of an apocalypse prophesied more than 2,500 years ago?

Wonders of Spiritual Unfoldment John Butler,2008-11-01 A personal account of searching for spiritual understanding initially outside Christian teaching, this book takes the position that there are as many ways to God as there are paths up a mountain. Interpreting his own spiritual breakthroughs, the author describes them as windows of realization and likens them to the sensation of being made whole. The book describes his journey from Eastern mantra-style meditation to the Orthodox prayer of the heart and details how a love of nature and a desire to do good played an important part in his spiritual unfoldment.

Despite his best efforts, passion, and practice, something always goes wrong with his tricks, landing Robbie in trouble. Enter crotchety Grandma Melvyn, who calls everyone “Trixie” and complains about everything. When Grandma Melvyn moves in and takes over his room, Robbie discovers that she was once an internationally renowned magician and learns about the heartache that turned her into a bitter woman.
