*Quilling* Philippa Reid,2019-07-22 Quilling is a centuries-old art, which requires just three elements - your fingers, paper strips and glue. This practical guide demonstrates the techniques with step-by-step instructions and photos, and explains the best way to develop your skills and thereby push the creative boundaries of this art. Written by a passionate paper artist, it is a comprehensive guide that will inspire both novice and experienced quillers, as well as mixed media artists wishing to explore the potential of paper filigree work. Projects covered within this book include making vortex coils, pixie-hood loops, huskings, multi-strip open coils, fringed flowers, ring coil tracery patterns, folded ring coils and rolling a perfect spiral-centred coil without the need for a quilling tool. There is also advice on forming letters and abstract shapes with quilling and building 3D models from solid coils. It is beautifully illustrated with 173 colour images. Philippa Reid is a fully Accredited Fellow of the Quilling Guild and edits both the Guild's magazine and blog.

**Beyond Rope and Fence** David Grew,2021-11-05 In the fall of the year, the farmers and the ranchers of the northwest prairies of Canada release their horses for the winter. Strange as it may seem to those of us who shudder at the very thought of raging blizzards on the open plains, the horses that are left free to roam over unsheltered space and are obliged to dig down through feet of snow for their grass, not only survive the severest winters but are generally found fat and strong the next spring.

*Terms and Conditions* R. Sikoryak,2017-03-07 Master satirist tackles the contract everyone agrees to but no one reads "Mischievous, pastiche-heavy artist Robert Sikoryak...upped the difficulty level for his long-term conceptual project: Instead of abridging a book, he lifted the complete text of Apple's mind-numbing corporate boilerplate, which users must agree to before accessing iTunes, and mashed it up with art invoking more than a century of comics."—New York Times For his newest project, R. Sikoryak tackles the monstrously and infamously dense legal document, iTunes Terms and Conditions, the contract everyone agrees to but no one reads. In a word for word 94-page adaptation, Sikoryak hilariously turns the agreement on its head—each page features an avatar of Apple cofounder and legendary visionary Steve Jobs juxtaposed with a different classic strip such as Mort Walker's Beate Bailey, or a contemporary graphic novel such as Craig Thompson's Blankets or Marjane Satrapi's Persepolis. Adapting the legalese of the iTunes Terms and Conditions into another medium seems like an unfathomable undertaking, yet Sikoryak creates a surprisingly readable document, far different from its original, purely textual incarnation and thus proving the accessibility and flexibility of comics. When Sikoryak parodies Kate Beaton's Hark A Vagrant peasant comics with Steve Jobs discussing objectionable material or Homer Simpson as Steve Jobs warning of the penalties of copyright infringement, Terms and Conditions serves as a surreal record of our modern digital age where technology competes with enduringly ironclad mediums.
