Celebrating the DIY spirit, CRAFT's goal is to unite, inspire, inform and entertain a growing community of highly imaginative people who are transforming traditional art and crafts with unconventional, unexpected and even renegade techniques, materials and tools; resourceful spirits who undertake amazing crafting projects in their homes and communities. Volume 01, the premier issue, features 23 projects with a twist! Make a programmable LED shirt, turn dud shoes into great knitted boots, felt an iPod cocoon, embroider a skateboard, and much more.

**Treehouses** Elizabeth Kuti,2000-04-13 A new play from an award-winning playwright, published as part of the innovative Abbey Theatre playscript series On the day of her father's funeral, Eva - a young woman - is still haunted by the betrayal she witnessed from her childhood haven - the treehouse in the garden. On the same day another woman, Magda, relives the ghosts of another hiding place and a different betrayal - ghosts from which she still seeks forgiveness. Interweaving lives and secrets Treehouses is a magical tale of refuge, treachery and of love lost and found.

*I Guarantee It* George Zimmer,2021-09-21 America knew George Zimmer for one of the most famous slogans in television advertising history: "I guarantee it." Zimmer rode his promise to lead the Men's Wearhouse to unimagined success as a retail giant. Now, years removed from his stunning dismissal as leader of the company he founded, *I Guarantee It* recounts the journey of Zimmer's rise, the fall of the Men's Wearhouse, and his personal renewal. For forty-one years, George Zimmer forged a relationship with American men who wanted to like the way they looked without getting too fussy about it. He made them a promise that came straight from the shoulder: "I guarantee it," he said, and it was ironclad. By the millions, customers walked into The Men's Wearhouse stores in all fifty states and Canada, where they received "quality, service, and a good price," where they bought suits, ties, sports coats, and slacks by the tens of billions of dollars. Then a backstabbing – the handpicked board of directors fired Zimmer from the company he had created and developed into the most successful men's specialty store in world history. Eight years later, Zimmer is back to tell his story: a man raised by a prosperous and loving family, a fun-loving son of the sixties, a merchant, an entrepreneur, a pitchman for the ages. Zimmer's ouster devastated but did not destroy him. His is a story of hard work and resilience, about a life in business that succeeded beyond belief and followed the Golden Rule. It's a story that will teach and inspire. He guarantees it.

**Leadership for a Better World** NCLP (National Clearinghouse for Leadership Programs),2016-11-14 The essential guide to the theory and application of the Social Change Model Leadership for a Better World provides an approachable introduction to the Social Change Model of Leadership Development (SCM), giving students a real-world context through which to explore the seven C's of leadership for social change as well as a approaches to socially responsible leadership. From individual, group, and community values through the mechanisms of societal change itself, this book provides fundamental coverage of this increasingly vital topic. Action items, reflection, and

discussion questions throughout encourage students to think about how these concepts apply in their own lives. The Facilitator's Guide includes a wealth of activities, assignments, discussions, and supplementary resources to enrich the learning experience whether in class or in the co-curriculum. This new second edition includes student self-assessment rubrics for each element of the model and new discussion on the critical roles of leadership self-efficacy, social perspective, and social justice perspectives. Content is enriched with research on how this approach to leadership is developed, and two new chapters situate the model in a broader understanding of leadership and in applications of the model. The Social Change Model is the most widely-used leadership model for college students, and has shaped college leadership curricula at schools throughout the U.S. and other countries including a translation in Chinese and Japanese. This book provides a comprehensive exploration of the model, with a practical, relevant approach to real-world issues. Explore the many facets of social change and leadership Navigate group dynamics surrounding controversy, collaboration, and purpose Discover the meaning of citizenship and your commitment to the greater good Become an agent of change through one of the many routes to a common goal The SCM is backed by 15 years of research, and continues to be informed by ongoing investigation into the interventions and environments that create positive leadership development outcomes. Leadership for a Better World provides a thorough, well-rounded tour of the Social Change Model, with guidance on application to real-world issues. Please note that *The Social Change Model: Facilitating Leadership Development* (978-1-119-24243-7) is intended to be used as a Facilitator's Guide to *Leadership for a Better World*, 2nd Edition in seminars, workshops, and college classrooms. You'll find that, while each book can be used on its own, the content in both is also designed for use together. **What Do Economists Contribute?** Daniel B. Klein,2016-07-27 The title of this book raises a provocative question that should make all economists think. What is our *raison d'etre* ? Only a few economists have specifically addressed the issue. Several of the more challenging efforts are included here. Do economists have much influence on government policy, particularly over, say, five or ten years? Is that because they don't try hard enough or is it because politicians care more about the next election than about the opinion of economists? In this splendid collection, some published as long ago as the 1930s, nine great economists consider these questions. The editor's

illuminating introduction sorts out the area of agreement and disagreement between them.
