The Legend of Zelda BradyGames Staff,Debra McBride,Brady Games,1998 Zelda 64 introduces the element of time travel to the Zelda series. This strategy guide will help gamers take advantage of all the bestiary, weapons, magic, items, and secrets.

Scratch One Michael Crichton,John Lange,2013-07-23 “Set in the ultra-glamorous French Riviera of the late sixties . . . pure, high-octane entertainment” from the blockbuster author of Jurassic Park (Pop Mythology). An arms dealer in Copenhagen dies after sipping a poisoned martini. An American diplomat in Lisbon is shot in the back of the head. A Frenchman survives being pushed in front of a train, only to be murdered in his hospital bed. Though seemingly unconnected, these events are part of an international conspiracy that could spell death for Roger Carr. Carr is a lawyer, but he has no love for Lady Justice. A dilettante playboy sent to France on a cushy assignment, he lands himself right in the middle of an international arms deal. Both sides of the conflict have mistaken him for an agent, and the secret service interventions of a dozen countries will do anything to secure him—dead or alive. This ebook features an illustrated biography of Michael Crichton including rare images from the author’s estate.

Drug of Choice Michael Crichton,John Lange,2013-07-23 A thriller from the Jurassic Park author’s med school years, when he wrote “steamy potboilers and heist capers under the pen name John Lange” (USA Today). When a Hell’s Angel is thrown from his bike at 110 miles per hour, he should probably end up in the morgue. But this Angel survives his crash without a scratch, and ends up sleeping peacefully in the hospital. When Dr. Roger Clark inspects him, he finds only one defect: blue urine. Similar reports start to trickle in from hospitals upstate. It seems that a strange new drug is sending people into comas, and only Clark can unravel its mystery. His search for answers takes him on the strangest trip of his life, into a place called “Eden,” which looks like paradise, but feels like hell. This ebook features an illustrated biography of Michael Crichton including rare images from the author’s estate.

The Venom Business Michael Crichton,John Lange,2013-07-23 “A glossy and inventive thriller” from the pen of the #1 New York Times–bestselling author of Jurassic Park during his early years (Washington Daily News). Charles Raynaud feels at home in the jungle. A snake trapper, he makes a tidy profit selling poisonous creatures to the zoos of Europe, but it isn’t just the snake trade that pays his bills. Raynaud is the finest artifact smuggler the world has ever known, and his particular talents are about to be put to the test. Between jobs in Paris, Raynaud meets an old drinking buddy. One of London’s wealthiest, nastiest men, Richard Pierce has eyes on his late father’s fortune and wants Raynaud to act as his bodyguard until he acquires it. But after the first attempts on Pierce’s life, Raynaud begins to smell a rat. Has he been hired as a bodyguard, or a target? This ebook features an illustrated biography of Michael Crichton including rare images from the author’s estate.
