Quilling Philippa Reid,2019-07-22 Quilling is a centuries-old art, which requires just three elements - your fingers, paper strips and glue. This practical guide demonstrates the techniques with step-by-step instructions and photos, and explains the best way to develop your skills and thereby push the creative boundaries of this art. Written by a passionate paper artist, it is a comprehensive guide that will inspire both novice and experienced quillers, as well as mixed media artists wishing to explore the potential of paper filigree work. Projects covered within this book include making vortex coils, pixie-hood loops, huskings, multi-strip open coils, fringed flowers, ring coil tracery patterns, folded ring coils and rolling a perfect spiral-centred coil without the need for a quilling tool. There is also advice on forming letters and abstract shapes with quilling and building 3D models from solid coils. It is beautifully illustrated with 173 colour images. Philippa Reid is a fully Accredited Fellow of the Quilling Guild and edits both the Guild's magazine and blog.

The Backyard Adventurer Beau Miles,2021-05-05 After years of adventuring around the globe - running, kayaking, hitchhiking, exploring - Beau Miles came back to his block in country Victoria. Staying put for the first time in years, Beau developed a new kind of lifestyle as the Backyard Adventurer. Whether it was walking 90km to work with no provisions, building a canoe paddle out of scavenged scrap or running a disused railway line through properties, blackberry thickets and past inquiring police officers, Beau has been finding ways to satisfy his adventurous spirit close to home. This book is about conscious experimentation with adventure, making meaning and inspiration out of tins of beans, bits of rubbish and elbow grease. Beau's Backyard exploits are funny, authentic, insightful and being copied all over the world by everyday people. YouTuber, new dad, and self-described oddball who needs to shower more, Beau is what happens when you cross Bear Grylls with Bush Tucker Man. With a PhD in Outdoor Education, a string of successful short films under his belt and a boundless passion for discovery, Beau is the real deal.
