Ricardo G. Williams

**Photomosaics** Robert Silvers, Michael Hawley, 1997 Presents twenty-five composite photographic images that unite the technology of image manipulation by computer with the art of photography, and discusses the techniques used in each

**The Simpsons** Five Mile Press Pty Limited, The, 2004

**Sissy Dreams: From Boyfriend to Girlfriend** Paul Zante, Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

**The Rejection of Consequentialism** Samuel Scheffler, 1994-08-11 In contemporary philosophy, substantive moral theories are typically classified as either consequentialist or deontological. Standard consequentialist theories insist, roughly, that agents must always act so as to produce the best available outcomes overall. Standard deontological theories, by contrast, maintain that there are some circumstances where one is permitted but not required to produce the best overall results, and still other circumstances in which one is positively forbidden to do so. Classical utilitarianism is the most familiar consequentialist view, but it is widely regarded as an inadequate account of morality. Although Professor Scheffler agrees with this assessment, he also believes that consequentialism seems initially plausible, and that there is a persistent air of paradox surrounding typical deontological views. In this book, therefore, he undertakes to reconsider the rejection of consequentialism. He argues that it is possible to provide a rationale for the view that agents need not always produce the best possible overall outcomes, and this motivates one departure from consequentialism; but he shows that it is surprisingly difficult to provide a satisfactory rationale for the view that there are times when agents must not produce the best possible overall outcomes. He goes on to argue for a hitherto neglected type of moral conception, according to which agents are always permitted, but not always required, to produce the best outcomes.

**The Superhero Book** Gina Misiroglu, 2012-04-01 Appealing to the casual comic book reader as well as the hardcore graphic novel fan, this ultimate AtoZ compendium describes everyone's favorite participants in the eternal battle between good and evil. With nearly 200 entries examining more than 1,000 heroes, icons and their place in popular culture, it is the first comprehensive profile of superheroes across all media, following their path from comic book stardom to radio, television, movies, and novels. The best-loved and most historically significant superheroes—mainstream and counterculture, famous and forgotten, best and worst—are presented with numerous full-color illustrations, including dozens of classic comic covers. Each significant era of the superhero is explored—from the Golden Age of the 1930s, 1940s, and 1950s through the Modern Age—providing a unique perspective of the role of the hero over the course of the 20th century and beyond. This latest edition has been revised to reflect updates on existing characters, coverage of new characters, and recent films and media trends in the last several years.

**Hollywood Highbrow** Shyon Baumann, 2018-06-05 Today's moviegoers and critics generally consider some Hollywood products—even some blockbusters—to be legitimate works of art. But during the first half century of motion pictures very few Americans would have thought to call an American movie art. Up through the 1950s, American movies were regarded as a form of popular, even lower-class, entertainment. By the 1960s and 1970s, however, viewers were regularly judging Hollywood films by artistic criteria previously applied only to high art forms. In *Hollywood Highbrow*, Shyon Baumann for the first time tells how social and cultural forces radically changed the public's perceptions of American movies just as those forces were radically changing the movies themselves. The development in the United States of an appreciation of film as an art was, Baumann shows, the product of large changes in Hollywood and American society as a whole. With the postwar rise of television, American movie audiences shrank dramatically and Hollywood responded by appealing to richer and more educated viewers. Around the same time, European ideas about the director as artist, an easing of censorship, and the development of art-house cinemas, film festivals, and the academic field of film studies encouraged the idea that some American movies—and not just European ones—deserved to be considered art.

**Unchained Mind** Ricardo G. Williams, 2017-03-15 I took a three-year break from work to explore the topic of peace, love, and success. I spent the time analyzing my thoughts and the effects my thoughts had on my emotional state of mind. The things I found out were quite intriguing. I came to the realization that many of us are not living to our full potential. We live with a measured joy. We keep our happiness in check. Our smiles are met with a restriction from our breath, which makes it short-lived. We seldom breathe fully because our breath is interrupted by the depth of our thoughts. We never really let go fully. We are bound by layers of chains that have entangled our thinking chains from an uncertain future, chains of work, chains of relationships, chains of our finances, too many chains to mention. My time away from work gave me the opportunity to explore how to break the chains. I admit that even a broken chain is not permanently broken but can be easily reunited if old habits are not changed. My book focuses on the actions we can take to break chains and keep them broken. My book explores how our thoughts control our destiny. It teaches thought control and the importance of silence. It teaches how to overcome fear, anger, negative thoughts, stress, and hatred. You will learn how to nurture your emotions, embrace moments, and the importance of spiritual peace. I will teach you how to live in thankfulness, with compassion, while activating love.

**America's National Game** Albert Goodwill Spalding, 1911 This book is Albert Spalding's work of historic facts concerning the beginning, evolution, development and popularity of base ball, with personal reminiscences of its vicissitudes, its victories and its votaries. It is one of the defining books in the early formative years of modern baseball.

*Adventures of Superman (1987-2006) #441* John Byrne, Jerry Ordway, 2013-06-19 Enjoy this great comic from DC's digital archive!

**Dear Black Girls** Shanice Nicole, 2021-02-08 *Dear Black Girls* is a letter to all Black girls. Every day poet and educator Shanice Nicole is reminded of how special Black girls are and of how lucky she is to be one. Illustrations by Kezna Dalz support the book's message that no two Black girls are the same but they are all special—that to be a Black girl is a true gift. In this celebratory poem, Kezna and Shanice remind young readers that despite differences, they all deserve to be loved just the way they are.

*Duty and Desire Book Club Edition* Anju Gattani, 2021-01-27 To uphold family honor and tradition, Sheetal Prasad is forced to forsake the man she loves and marry playboy millionaire Rakesh Dhanraj while the citizens of Raigun, India, watch in envy. On her wedding night, however, Sheetal quickly learns that the stranger she married is as cold as the marble floors of the Dhanraj mansion. Forced to smile at family members and cameras and pretend there's nothing wrong with her marriage, Sheetal begins to discover that the family she married into harbors secrets, lies and deceptions powerful enough to tear apart her world. With no one to rely on and no escape, Sheetal must ally with her husband in an attempt to protect her infant son from the tyranny of his family.sion.

*Radioactive Man* Matt Groening, 2012-07-17 Born in the Plutonium Age of Comics, Radioactive Man has delighted comic aficionados with its savvy satire and pointed parodies of the last sixty years of comic book history. Ever since his historic comic book debut in 1952 (in *The Simpsons* universe), Radioactive Man (otherwise known as layabout playboy Claude Kane III) and his faithful sidekick Fallout Boy (aka former juvenile delinquent Rod Runtledge) have been making Zenith City safe from insidious evildoers such as Dr. Crab, Magmo the Lava Man, Hypno-Head, Larva Girl, Larceny Lass, and Richard Milhous Nixon—to name but a few. On a grander scale, Radioactive Man often battles evil across the universe, and even between dimensions, in the ranks of the

Superior Squad, a super team of metahumans that includes Captain Squid, Bug Boy, Plasmo the Mystic, Lure Lass, Weasel Woman, and Brave Heart! For decades, fans have been clamoring for a deluxe collection of Radioactive Man tales. Now, at last, the Atomic Avenger receives the treatment he deserves in this comprehensive and historic archival edition of his greatest adventures!

**Above the Din** Labar Laskie,2021-05-23 In 1999, a 49-year-old woman tended her garden outside of the Chicago suburban home she shared with her husband, daughter and pet dogs. Extended family lived close by. She had a job that she loved. Life didn't get any better than this. One phone call changed everything. A random blood test had just revealed that she had hepatitis C. She'd never heard of it before. Not only did she have it, but it had been swimming in her bloodstream for 30 years, contracted from a blood transfusion in 1969. Tests would reveal that her liver was engulfed in chronic active liver disease - almost cirrhotic. Hepatitis C in 1999 was a degenerative, often incurable and deadly disease. Something had to be done. The only treatment at the time offered less than a 50% chance for cure and came with a plethora of nasty side effects. It was a yearlong regimen of chemotherapy that could trigger flu-like symptoms. And those patients who didn't respond to this difficult protocol frequently found themselves immunocompromised when it was over and sicker than before. The wonder drugs were still a long way off. While waiting 15 years for a cure, Labar Laskie took extraordinary measures - except the chemotherapy - to keep her symptoms at bay, calm her fears, and lift her spirits. Above the Din is her story. Color images throughout this graphic memoir.

**From Star Wars to Indiana Jones** Mark Cotta Vaz,Shinji Hata,1994 Lavishly Illustrated with hundreds of full-color photographs, this treasury captures the remarkable imagery, as well as the wonder, of the Lucasfilm Universe.

The Dare Harley Laroux,2023-10-31 Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The freak, Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? The Dare is an 18+ erotic romance novella and a prequel to the Losers Duet. Reader discretion is strongly advised. This book contains graphic sexual scenes, intense scenes of BDSM, and strong language. A full content note can be found in the front matter of the book.

The Sex-Starved Marriage Michele Weiner Davis,2004-01-08 Bring the spark back into your bedroom and your marriage with gutsy and effective advice from bestselling author Michele Weiner-Davis. It is estimated that one of every three married couples struggles with problems associated with mismatched sexual desire. Do you? If you want to stop fighting about sex and revitalize your intimate connection with your spouse, then you need this book. In The Sex-Starved Marriage, bestselling author Michele Weiner Davis will help you understand why being complacent or bitter about ho-hum sex might cost you your relationship. Full of moving firsthand accounts from couples who have struggled with the erosion of sexual desire and rebuilt their passionate connection, The Sex-Starved Marriage addresses every aspect of the sexual libido problem: If you're the more highly sexed partner, you'll breathe a sigh of relief. At last someone understands your feelings about the void in your marriage. Discover why your pleas for touch have fallen upon deaf ears and why your approach to the lull in your sexual relationship could be a sexual turnoff. Most important, learn new ways to motivate your spouse to take your needs for more physical closeness to heart. If you're the spouse with a lagging libido, you're far from alone. You'll learn about the physiological and psychological factors, including unresolved relationship issues, that may contribute to the chill in your bedroom and what you can do to melt the ice. And if you're a man, you'll be surprised to learn that staggering numbers of men, even men whose sexual machinery works just fine, get headaches too! The Sex-Starved Marriage will give you and your spouse the inspiration, encouragement, and answers you need.

**Electronic Circuits** Donald L. Schilling,Charles Belove,1981
