**The Desert Prince** Peter V. Brett,2021-08-03 An epic fantasy adventure set in the beloved world of the Demon Cycle, following a new generation of heroes, from New York Times bestselling author Peter V. Brett “Heart-wrenching, smart, and modern . . . The Desert Prince has set a new standard for fantasy.”—Wesley Chu, #1 New York Times bestselling author of The War Arts Saga Fifteen years have passed since the end of the war with demons, creatures of darkness who have hunted the night and plagued humanity since time out of mind. The heroes of humanity’s hour of need have become legend, and those who remain struggle to escape their shadows. Olive Paper and Darin Bales have grown up in this new peaceful world. Demons have been all but destroyed, but dangers still lurk for the children of heroes. Olive, princess of Hollow, has her entire life planned out by her mother, Duchess Leesha Paper: a steady march on a checklist to prepare her for succession. The more her mother writes the script, the more Olive rails against playing the parts she is assigned. Darin faces challenges of a different kind. Though free to choose his own path, the weight of legacy hangs heavy around his shoulders. It isn’t easy being the son of the man people say saved the world. Everyone expects greatness from Darin, but the only thing he’s ever been great at is hiding. When Olive and Darin step across the wards one night, they learn the demons are not all gone, and those that remain hunger for revenge. Events are set in motion that only prophecy can foresee as Olive and Darin seek to find their own places in the world in time to save it again.

**Your Head is a Houseboat** Campbell Walker,2021-10-06 Your Head is a Houseboat is a uniquely hilarious guide to what goes on in your brain, from illustration sensation Campbell Walker aka Struthless. The only truth we really know is that we're going to spend the rest of our lives in our own houseboat (our head) so it makes sense to make that houseboat as good as possible. The houseboat needs cleaning and maintenance, and it shouldn't be weighed down by junk (our own thoughts and other people's opinions). There's a bunch of bosses with different ideas about where you should be heading in the ocean of life, and a zoo of animalistic desires below the deck who are really steering. But it's your houseboat, so it's probably time for you to cast away and set sail (is that even how houseboats work?) on a journey to understanding it. In Your Head is a Houseboat, Cam demystifies brain functions, mental health, emotions, mindfulness and psychology – but with less complex terminology and more bizarre metaphors. It's a book filled with illustrations, journal exercises and words that will probably hit too close to home. At its core, this is a funny, accessible approach to understanding your head and making it a nicer place to live. 'The most important and accessible mental health book in a generation. Truly life-changing.' – Osher Günsberg

**Messenger's Legacy** Peter V. Brett,2024-02-20 An aging Messenger takes his armor out of storage for one last adventure. Six-year-old Briar Damaj, a half Krasian boy in the tiny village of Bogton, is used to being tormented by his siblings, and the villagers who call him Mudboy. When an attack leaves him orphaned, Briar feels he has no choice but to flee into the demon-infested bog where chances of survival seem hopeless. Ragen, a Messenger and friend of Briar’s father, hunts for days through fetid swampland before giving the boy up for dead and retiring from his dangerous career. A decade later, Ragen receives news that Briar has survived against all odds, living alone in the wetlands like an animal. Unable to bear it, Ragen puts on his old armor and sets out for one last adventure to bring Briar home. A tale set between The Daylight War and The Skull Throne of Peter V. Brett’s internationally bestselling Demon Cycle series, Messenger’s Legacy can be enjoyed both as a standalone and part of the larger series, which has sold over 4M copies in 27 languages worldwide. Praise for Messenger’s Legacy: A great short story, and also a great lead-in to the fourth novel in the series, The Skull Throne. ... This series has my highest recommendation. A must-read.” — Civilian Reader “The amount of depth that Brett manages to get into his short stories and novellas never ceases to amaze me and Messenger’s Legacy is no exception [...] Once again, I thoroughly enjoyed getting stuck into Brett’s world and my only disappointment was that it ended so quickly.” — SFcrowsnest Friendship, love, bravery and survival against the odds are key themes in all of Peter’s work and you will find them weaved artistically within this novella – a wonderful addition to The Demon Cycle canon.” — Fantasy Faction

**Introductory Grammar of Amharic** Wolf Leslau,2000 This book closes the gap for beginners who want to study the Amharic language and had difficulties in finding the right grammar for this purpose: The first grammar of Amharic, the national language of Ethiopia, was published by Hiob Ludolf in 1698. The Amharic grammar published by Praetorius in 1879 is based on Amharic religious texts and on scattered material, usually composed by missionaries. A milestone in the study of Amharic is Marcel Cohen's Traite de langue amharique (1936), but this grammar, too is not completely suited for beginners since the author's generalizations are at times aimed at linguists. The grammar that comes closest to the concept of a beginner's grammar is that of C.H. Dawkin (1960), yet this grammar is extremely short, does not give examples and does not introduce the student to the intricacies of the language.The new book gives all the grammatical forms and the sentences of the present grammar in Amharic script and in phonetic transcription. The illustrative examples have a free and a literal translation. This procedure should likewise prove to be useful for the Semitist as well as for the general linguist.

*The Wormwood Mutiny* Richard Pett,2012-05-15 The adventurers wake up in the hold of a ship at sea, only to discover they've been press-ganged into a crew of scoundrels, thieves, and buccaneers from the pirate isles of the Shackles. Can the adventurers survive the dangers of the island to overthrow their cruel captors and take control of their own destinies? Will they become feared pirates with their own ship, or will they meet their ends in a watery grave? A Pathfinder Roleplaying Game adventure for 1st-level characters, this volume launches the Skull & Shackles Adventure Path. This volume of Pathfinder Adventure Path also features details on the faith of Besmara, goddess of piracy, as well as details on the life of pirates adding new rules and insights useable throughout this high-seas campaign. New monsters from the depths of the sea and exotic islands also fill the Pathfinder Bestiary, while Robin D. Laws (author of the Pathfinder Tales novel The Worldwound Gambit) pens a tale of pirates and lost treasures in the Pathfinder's Journal.

**Conrad's Narrative Voice** Werner Senn,2017-01-09 In Conrad's Narrative Voice Werner Senn undertakes a close study of Joseph Conrad's verbal style, drawing on linguistic stylistics and discourse analysis. The expectation from his parents and pressure from the society molded him into the best student and best employee. He made his family proud. But deep inside, he knew that something was missing, and he was different. In this memoir, Nick (Yu) takes readers on his journey from growing up as a confused straight boy from China to today having a lovely husband and three girls through surrogacy. He invites readers to the experiences that he would rather have forgotten - from being sexually harassed by his desk-mate in middle school, through depression and a one-night stand in college, to losing a baby during pregnancy. With ultimate honesty and absolute vulnerability, Nick shares the happiness and sadness on the journey to come out to himself, his parents and friends; learn about gay culture in America, cherish his Chinese heritage, find his first love, and create a family through surrogacy and the help of many amazing people.
