One Last Lunch Erica Heller,2020-05-12 In this heartwarming essay collection, dozens of authors, actors, artists and others imagine one last lunch with someone they cherished. A few years ago, Erica Heller realized how universal the longing is for one more moment with a lost loved one. It could be a parent, a sibling, a mentor, or a friend, but who wouldn't love the opportunity to sit down, break bread, and just talk? Who wouldn't jump at the chance to ask those unasked questions, or share those unvoiced feelings? In One Last Lunch, Heller has asked friends and family of authors, artists, musicians, comedians, actors, and others, to recount one such fantastic repast. Muffie Meyer and her documentary subject Little Edie Beale go to a deli in Montreal. Kirk Douglas asks his father what he thought of him becoming an actor. Sara Moulton dines with her friend Julia Child. The Anglican priest George Pitcher has lunch with Jesus. And Heller herself connects with her father, the renowned author Joseph Heller. These richly imagined stories are endlessly revealing, about the subject, the writer, the passage of time, regret, gratitude, and the power of enduring love.

National School Improvement Tool [in Arabic] .,2016 The National School Improvement Tool brings together findings from international research into the practices of highly effective schools and school leaders. The Tool assists schools to review and reflect on their efforts to improve the quality of classroom teaching and learning. It supports school-wide conversations - including with parents and families, school governing bodies, local communities and students themselves - about aspects of current practice, areas for improvement and evidence that progress is being made. The Tool does not describe everything that effective schools do, but focuses on those practices that are most directly related to school-wide improvements, and thus outcomes for students. In this sense, the tool can be thought of as a core element of more comprehensive school improvement programs, frameworks and initiatives.
