**Pattern and Flow** Mindell Dubansky,2022-11 Showcasing marbled paper, paste paper, fold-and-dye papers, and more, this book reveals a little-known arts phenomenon from its grass roots in the 1960s to artistic heights in the following decades Pattern and Flow chronicles the flourishing of American decorated paper arts beginning in the 1960s and extending to the 2000s, with an ongoing legacy today. As knowledge and skills were shared across a grass-roots community in the 1960s, decorated paper became increasingly popular, with centers for the study of the book and paper arts emerging across the United States, and artists developing new, innovative styles of paper. The book begins with an introductory essay outlining the history of decorated paper arts in America up to the 1960s, followed by a chronological narrative, which surveys the development of the field and introduces the artists working from the 1960s to the 2000s, and an illustrated reference section with essential biographical and professional information for each artist. Designed to be an immersive experience, Pattern and Flow conveys the vivid visual world of American decorated paper, celebrating the variety and variations that are key features of the art. Stunning illustrations show designs with intricate, tessellated patterns and others that flow with forms and waves that seem liquid; some explore subtle, muted tones, while others are explosive in their use of brilliant colors.

The Search Press Book of Traditional Papercrafts Janet Wilson,2000 Janet Wilson revives the delicate art of paper pricking, featuring a range of elegant pictures and border designs inspired by the Victorian era, and shows how to create beautiful medieval and art nouveau parchment craft cards. There is a whole section on quilling, the fifteenth century craft of decorative items with rolled up strips of paper, and further sections on embossing and paper lace. This bumper book offers inspiration to all those interested in papercrafts.

*Starport (Graphic Novel)* George R. R. Martin,2019-03-12 Law & Order meets Men in Black in this graphic novel adaptation of an unproduced TV pilot script by the author of A Game of Thrones—a never-before-seen story brought to life for the first time! SECOND CITY. FIRST CONTACT. Ten years ago, representatives from an interstellar collective of 314 alien species landed on Earth, inviting us to become number 315. Now, after seemingly endless delays, the Starport in Chicago is operational, a destination for diplomats, merchants, and tourists alike. Inside, visitors are governed by intergalactic treaty. Outside, the streets belong to Chicago's finest. Charlie Baker, newly promoted to the squad that oversees the Starport district, is eager to put to practical use his enthusiasm for all things extraterrestrial; he just never expected to arrive on his first day in the back of a police cruiser. Lieutenant Bobbi Kelleher is married to the job, which often puts her in conflict with Lyhanne Nhar-Lys, security champion of Starport and one of the galaxy's fiercest warriors. Undercover with a gang of anti-alien extremists, Detective Aaron Stein has no problem mixing business with pleasure—until he stumbles upon evidence of a plot to assassinate a controversial trade envoy with a cache of

stolen ray guns. Now the Chicago PD must stop these nutjobs before they piss off the entire universe. Based on a TV pilot script written by George R. R. Martin in 1994 and adapted and illustrated by Hugo Award-nominated artist Raya Golden, this bold and brilliant graphic novel adaptation at last brings Martin’s singular vision to rollicking life. With all the intrigue, ingenuity, and atmosphere that made A Game of Thrones a worldwide phenomenon, Starport launches a new chapter in the career of a sci-fi/fantasy superstar.

In this groundbreaking graphic novel, meet JIM AKUTSU, the inspiration for John Okada’s No-No Boy, who refuses to be drafted from the camp at Minidoka when classified as a non-citizen, an enemy alien; HIROSHI KASHIWAGI, who resists government pressure to sign a loyalty oath at Tule Lake, but yields to family pressure to renounce his U.S. citizenship; and MITSUYE ENDO, a reluctant recruit to a lawsuit contesting her imprisonment, who refuses a chance to leave the camp at Topaz so that her case could reach the U.S. Supreme Court. Based upon painstaking research, We Hereby Refuse presents an original vision of America’s past with disturbing links to the American present.
