- 📖 [The Walking Dead](#) Robert Kirkman,2016 Tegneserie. Efter at have ligget i koma er betjent Rick Grimes vågnet til en totalt forandret verden, stort set kun befolket af menneskefjendelige zombier. Hans første tanker går til hans familie og venner, men snart opdager han, at verden er anderledes. [The Walking Dead: Rise of the Governor](#) Robert Kirkman,Jay Bonansinga,2011-10-11 Winner of the 2011 Diamond Gem Award for Trade Book of the Year In the Walking Dead universe, there is no greater villain than The Governor. The despot who runs the walled-off town of Woodbury, he has his own sick sense of justice: whether it's forcing prisoners to battle zombies in an arena for the townspeople's amusement, or chopping off the appendages of those who cross him. The Governor was voted Villain of the Year by Wizard magazine the year he debuted, and his story arc was the most controversial in the history of the Walking Dead comic book series. Now, for the first time, fans of The Walking Dead will discover how The Governor became the man he is, and what drove him to such extremes.
- 📖 [We Win](#) Polly Berry,2017-06-28 We Win is a set of stories to encourage people that we always win. We can decree God's Word to establish things in our lives. We can pray and win in marriage, parenting, all relationships. We win in the darkest hour when we don't give up on God. Many of us know of God's faithfulness; yet, many of us are not patient enough to reciprocate faithfulness to Him. In the last day also known as the end of time, will be a crucial time for believers. No matter what comes or goes, we must know that We Win. We are told many times in the Bible that we overcome. We win in big or small situations because if God be for us, who can be (successfully) against us; when we are told that no weapon formed against shall prosper.

- 📖 [The Power of Archetypes](#) Marie D. Jones,2017-07-24 A self-help guide to understanding the language of archetypal symbols and harnessing them for personal success. Deep within your mind is a realm filled with powerful symbols that drive your thoughts, behaviors, and actions—often without your knowledge. This is the hidden world of “archetypes”: universal symbols responsible for who you are, how the world sees you, and what you believe about yourself and your life's purpose. The Power of Archetypes will help you identify, understand, and work with the archetypes that exist beyond your conscious awareness to create your reality “behind the scenes.” You will also learn how to clear out old symbols that may be blocking you from the happiness and success you dream of. You will examine: • The roles of the subconscious and collective unconscious in shaping your identity, and why it is so hard to change “you” • The most common archetypes and what they symbolize • Global archetypes in religion, politics, and pop culture, and how they affect you • Ways to identify archetypes working in your life and the skills to change them and become more authentic. Archetypes reveal your plot and your purpose. The good news is, if you don't like them, you can choose more empowering symbols to create a completely new story of your life.
