The World of Shannara Terry Brooks,Teresa Patterson,2011-02-09 The beloved *Shannara* series by #1 New York Times bestselling author Terry Brooks is universally acclaimed as a towering

achievement, an unquestioned masterpiece in fantasy literature. Now, for the first time, all the wonders of Shannara have been gathered into one single, indispensable volume in which Terry Brooks shares candid views on his creation. Lavishly illustrated with full-color paintings and black-and-white drawings, this comprehensive guide ventures behind the scenes to explore the history, the people, the places, the major events, and of course the magic, of one of the world's greatest fantasy epics. What sets Terry Brooks apart? Is it a knack for creating complex, unforgettable characters like Allanor the Druid, Shea Ohmsford, and Amberle the elven-maid—men and women, gnomes and wizards, who come alive on the page and in our hearts? Is it the haunting and utterly believable evil of his darker creations: the foul Dagda Mor, the insanely murderous Jachyra, the enigmatic Ilse Witch? Or is it the way his adventures effortlessly partake of the timeless quality of myth? Whatever the secret of Brooks's storytelling magic, generations of readers have fallen under its spell, returning again and again to the pages of beloved classics like *The Elfstones of Shannara* and *The Druid of Shannara*, and relishing his newest novels in the *Voyage of the Jerle Shannara* saga. Sure to tantalize and delight old fans and

newcomers alike, The World of Shannara is the ultimate gateway into the fantasy realms of Terry Brooks—and the perfect companion to take along on the journey of a lifetime.

But even as a Fillorian king, Quentin finds little peace. His old restlessness returns, and he longs for the thrills a heroic quest can bring. Accompanied by his oldest friend, Julia, Quentin sets off—only to somehow wind up back in the real world and not in Fillory, as they'd hoped. As the pair struggle to find their way back to their lost kingdom, Quentin is forced to rely on Julia's illicitly learned sorcery as they face a sinister threat in a world very far from the beloved fantasy novels of their youth.

ART OF POINT-AND-CLICK ADVENTURE GAMES. BITMAP BOOKS.,2020

Cloak & Silence Sherrilyn Kenyon, One of the fiercest soldiers the Phrixians have ever produced, Maris Sulle has been an outsider from the moment he was born different from the rest of his family. He grew up with a secret that cost him everything—his birthright, his family, and his military career. In all his life, he's only had one love, and he has sacrificed his own happiness to see his best friend reunited with the woman he loves. But now that his good deed is done, he feels lost and adrift. Even though they do their best to include him in their new family, Maris is once again on the outside looking in. Ture has spent his life hiding from everyone around him—his family, the world, you name it—while trying desperately to fit in. Badly hurt by everyone he's ever known, he trusts no one except his own best friend. And honestly, he can't understand why he trusts her. Nor can he believe her when she describes a loyalty between friends the likes of which he's never seen. But when Ture is in his darkest hour, he's saved by a hero he thought only existed in novels. A man who is every bit as

scarred and mistrusting as he is—one who has no interest in being dragged into another relationship with anyone. Having spent his life as a living study of doomed relationships, Maris is well aware of the courtship and fiasco that invariably follows. Still, there is something about Ture he can't resist. Something that won't let him walk away when he knows he should. But when old enemies return to threaten them both, they either have to stand together or die alone.

Acheron Sherrilyn Kenyon, 2009-03-31 Determined to solve an ancient mystery, a woman undertakes a forbidden quest that pits her against the Dark-Hunter leader and proud god Acheron, with whom she joins forces when ancient guardians and old enemies threaten both of them. Reprint.
