Grail Diary Henry Jones,2016-07-28 This is a prop replica of Dr. Henry Jones personal dairy filled with notes and sketches from his many years of searching for the Holy Grail. There are 180 screen accurate pages for fans of Indiana Jones to enjoy. PLEASE NOTE: NO additional inserts included with this version and the cover is printed softcover paper, no leather.

Tibetan Ritual Jose Ignacio Cabezon,2009-12-08 Ritual is one of the most pervasive religious phenomena in the Tibetan cultural world. Despite its ubiquity and importance to Tibetan cultural life, however, only in recent years has Tibetan ritual been given the attention it deserves. This is the first scholarly collection to focus on this important subject. Unique in its historical, geographical and disciplinary breadth, this book brings together eleven essays by an international cast of scholars working on ritual texts, institutions and practices in the greater Tibetan cultural world - Tibet, Nepal, Bhutan, and Mongolia. While most of the chapters focus on Buddhism, two deal with ritual in Tibet's indigenous Bon religion. All of the essays are original to this volume. An extensive introduction by the editor provides a broad overview of Tibetan ritual and contextualizes the chapters within the field of Buddhist and Tibetan studies. The book should find use in advanced undergraduate courses and graduate seminars on Tibetan religion. It will also be of interest to students and scholars of ritual generally.

Easy and Fun Paint Magic with Water: Animals Clorophyl Editions,2022-02-15 Just add water and it's like magic! A fun (and mess-free!) painting activity book for kids ages 3-6, *Easy and Fun Paint Magic with Water: Animals* features

12 simple and whimsical line art designs of awesome animals, from giraffes and kangaroos to iguanas, monkeys, camels, and more. Using the provided paintbrush, simply wet with water and watch the colors magically appear on each black-and-white illustration as it comes to life! With a stiff cardboard backing to prevent unwanted leaks, parents can rest assured while their children paint and have a blast using water to create stunning works of animal art! Each page within this kid's painting book comes with perforated edges so finished artwork can be easily removed and put on display.

The Crimson Crown Cinda Williams Chima, 2012-10-23 A thousand years ago, two young lovers were betrayed???Alger Waterlow to his death, and Hanalea, Queen of the Fells, to a life without love. Now, once again, the Queendom of the Fells seems likely to shatter apart. For young queen Raisa and Marianna, maintaining peace even within her own castle walls is nearly impossible; tension between wizards and Clan has reached a fevered pitch. With surrounding kingdoms seeking to prey on the Fells' inner turmoil, Raisa's best hope is to unite her people against a common enemy. But that enemy might be the person with whom she's falling in love. Through a complicated web of lies and unholy alliances, former streetlord Han Alister has become a member of the Wizard Council of the Fells. Navigating the cut-throat world of blue blood politics has never been more dangerous, and Han seems to inspire hostility among Clan and wizards alike. His only ally is the queen, and despite the perils involved, Han finds it impossible to ignore his feelings for Raisa. Before long, Han finds himself in possession of a secret believed to be lost to history, a discovery powerful enough to unite the people of the Fells. But will the secret die with him before he can use it? A simple, devastating truth concealed by a thousand-year-old lie at last comes to light

in this stunning conclusion to the Seven Realms series.

Shamanhood Juha Pentikäinen, Hanna Saressalo, 2001 Presumably people who were involved in it discuss the philosophy behind the exhibition Shamans--The Secret World of Siberia's Peoples, on display at the Vapriiki Museum Centre in Tampere, Finland, between May 1998 and January 1999. It was the most extensive display so far of the shamanic collections of Kunstkamera, Museum of Anthropology and Ethnography, founded in the 1720s by Peter the Great. In addition to exploring aspects of Siberian shamanhood, the 19 essays also show links to similar traditions elsewhere in the world. There are a few monochrome illustrations. No index is provided. Distributed in the US by ISBS. Annotation copyrighted by Book News, Inc., Portland, OR.

Erotic Fantasy Art Aly Fell, Duddlebug, 2008 This showcase of modern erotic art draws on a wide variety of work by traditional and digital painters and illustrators from all over the world. It makes up a sourcebook of ideas that will stimulate the imaginations of artists who strive to give their artwork an erotic edge. Interviews with artists reveal the secrets of their effects.

Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had

come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

The Unofficial Legend Of Zelda Cookbook Aimee Wood, 2020-07

The Legend of Zelda: Art & Artifacts Nintendo, 2017-02-21 Make sure to check out the other installments in this unparalleled collection of historical information on The Legend of Zelda franchise with the New York Times best selling *The Legend of Zelda: Hyrule Historia* and *The Legend of Zelda: Encyclopedia*. Select artwork from the entirety of the franchise! A nostalgic look at the past! An exciting look at the future! Interviews with some of the artists behind *The Legend of Zelda™* series!

Kingdom Come (2010-) #2 Mark Waid, 2010-07-21 Enjoy this great comic from

DC's digital archive!

A River Runs through It and Other Stories Norman MacLean, 2017-05-03 The New York Times—bestselling classic set amid the mountains and streams of early twentieth-century Montana, “as beautiful as anything in Thoreau or Hemingway” (Chicago Tribune). When Norman Maclean sent the manuscript of *A River Runs Through It and Other Stories* to New York publishers, he received a slew of rejections. One editor, so the story goes, replied, “it has trees in it.” Today, the title novella is recognized as one of the great American tales of the twentieth century, and Maclean as one of the most beloved writers of our time. The finely distilled product of a long life of often surprising rapture—for fly-fishing, for the woods, for the interlocked beauty of life and art—*A River Runs Through It* has established itself as a classic of the American West filled with beautiful prose and understated emotional insights. Based on Maclean's own experiences as a young man, the book's two novellas and short story are set in the small towns and mountains of western Montana. It is a world populated with drunks, loggers, card sharks, and whores, but also one rich in the pleasures of fly-fishing, logging, cribbage, and family. By turns raunchy and elegiac, these superb tales express, in Maclean's own words, “a little of the love I have for the earth as it goes by.” “Maclean's book—acerbic, laconic, deadpan—rings out of a rich American tradition that includes Mark Twain, Kin Hubbard, Richard Bissell, Jean Shepherd, and Nelson Algren.” —New York Times Book Review Includes a new foreword by Robert Redford, director of the Academy Award-winning film adaptation

The Squirrel, the Hare and the Little Grey Rabbit The Alison Uttley Literary Property Trust and the Trustees of the Estate of the Late Margaret Mary Mears, 2017-08-24 Since publication of the first *Little Grey Rabbit* book

in 1929, the series has become a classic of children's literature. The popularity of Alison Uttley's magical stories and Margaret Tempest's lively illustrations meant that generations of children grew up with Grey Rabbit, Squirrel, Hare, Moldy Warp and little Fuzzypeg. These lovely versions of favourite original titles will bring the world of Little Grey Rabbit to a new generation.

A Journey Through Time H G Tannhaus, 2020-04-20 We trust in the linear, forever the same shape of the past, until eternity. But the differences between the past, presence and future are nothing but an illusion.

Uncharted . Naughty Dog, 2016-02-16 Collect the thrilling art of Uncharted with this exciting new poster collection. Featuring a striking selection of forty removable posters, this collection contains full-color art of the characters, environments, and key scenes from the best-selling Uncharted franchise. With incredible images of fortune hunter Nathan Drake as he navigates territories around the world, embarks on high-stakes expeditions, and faces relentless enemies, this poster book will take fans back to the immersive world of Uncharted.
