The Atlas of North American English William Labov,Sharon Ash,Charles Boberg,2005-01-01 The Atlas of North American English provides the first overall view of the pronunciation and vowel systems of the dialects of the U.S. and Canada. The Atlas re-defines the regional dialects of American English on the basis of sound changes active in the 1990s and draws new boundaries reflecting those changes. It is based on a telephone survey of 762 local speakers, representing all the urbanized areas of North America. It has been developed by Bill Labov, one of the leading sociolinguists of the world, together with his colleagues Sharon Ash and Charles Boberg. The Atlas consists of a printed volume accompanied by an interactive CD-ROM. The print and multimedia content is also available online. Combined Edition: Book and Multimedia CD-ROM The book contains 23 chapters that re-define the geographic boundaries of North American dialects and trace the influence of gender, age, education, and city size on the progress of sound change; findings that show a dramatic and increasing divergence of English in North America; 139 four color maps that illustrate the regional distribution of phonological and phonetic variables across the North American continent; 120 four color vowel charts of individual speakers. The multimedia CD-ROM supplements the articles and maps by providing a data base with measurements of more than 100,000 vowels and mean values for 439 speakers; the Plotnik program for mapping each of the individual vowel systems; extended sound samples of all North American dialects; multimedia applications to enhance classroom presentations. Online Version: Book and CD-ROM content plus additional data The online version comprises the contents of the book and the multimedia CD-ROM along with additional data. It presents a wider selection of data, maps, and audio samples that will be recurrently updated; proffers simultaneous access to the information contained in the book and on the multimedia CD-ROM to all users in the university/library network; provides students with easy access to research material for classroom assignments. We'll Be Here For the Rest of Our Lives Paul Shaffer,David Ritz,2010-11-02 Paul Shaffer—born and bred music junkie and longtime leader of David Letterman’s Late Show band—opens up in this candid, endearing, hilarious, and star-studded memoir. From playing seedy strip joints in Toronto, to being the first musical director of Saturday Night Live and helping to form the Blues Brothers, to being onstage every night with David Letterman and playing with the greatest musicians of our time, Shaffer has lived the ultimate showbiz life. Now—dishing on everyone from John Belushi and Jerry Lewis to Mel Gibson and Britney Spears—Paul gives us the full behind-the-scenes story of his life, from banging out pop tunes on the piano at the age of twelve to leading the band every night at the Sullivan Theater.

Late Show Fun Facts David Letterman,The Late Show Writers,2008-09-23 Drawn from the popular weekly segment, Late Show Fun Facts is a collection of unusual, little-known--and sometimes even true--bits of trivia assembled by the Federal Bureau of Miscellaneous Information.

The Amorous Busboy of Decatur Avenue Robert Klein,2016-06-14 Dear Reader, When we asked the beloved award-winning comedian and actor Robert Klein to write a book, you can imagine our utter surprise when he told us that he wanted to write about sixth-century Chinese pottery. Thankfully, he hit a creative brick wall (since he doesn't really know anything about pottery from China or anywhere else). Then came similar failures to write books about sea turtles, circumnavigation of the globe, building jet engines at home, the sociology of chickens, or fungi of the skin. Luckily, Mr. Klein's paramount concern was the consumer. He knew that if we, his publishers, were going to boldly ask you to purchase his book (see above for price), he would have to write something so good, so worthwhile, so meaningful as to make you want to send additional money to your bookseller in gratitude for having allowed you to partake in this reading experience. So Mr. Klein set out to write about what he knows best: himself. This book is about the adventures of a child who becomes a young man: how he thinks and dreams and lusts and fears and laughs and handles adversity. From the beginning of his distinguished career as a comedian, Robert Klein established himself as a pioneer in observational humor and razor-sharp routines that are infectiously funny. Now -- for the first time -- Klein brings his trademark humor and honesty to the printed page. In this portrait of a comic as a young man, Klein takes us back to the people and streets of his Bronx neighborhood, the eccentric cast of characters in the Catskills hotels and bungalow colonies where he worked, the college dorms where he received more than an academic education, the 1964 World's Fair where he fell in love, New York City and Chicago in the 1960s as he developed his talent, and Los Angeles just as he was about to embark on a show business career. Throughout, Klein reveals the hilarity of growing up and explores the mysteries and his own foibles in sex and relationships. He recounts with wit and poignancy losing his virginity with a prostitute, bringing home a German girlfriend to his Jewish family, and the amorous adventures of the busboy he once was. With an ego more fragile than Chinese pottery, Robert Klein has written a funny and evocative coming-of-age memoir -- well worth the price (if we say so ourselves). Enjoy. All the best, The Publisher

Me of Little Faith Lewis Black,2008-06-03 What do we believe? And in God's name why? These are the thorny questions that Lewis Black, the bitinglly funny comedian, social critic, and bestselling author, tackles in his new book, Me of Little Faith. And he's come up with some answers. Or at least his answers. In more than two dozen essays that investigate everything from the differences between how Christians and Jews celebrate their holidays, to the politics of faith, to people's individual search for transcendence, Black explores his unique odyssey through religion and belief. Growing up as a nonpracticing Jewish kid near Washington, D.C., during the 1950s, Black survived Hebrew school and a bar mitzvah (barely), went to college in the South during the tumultuous 1960s, and witnessed firsthand the unsettling parallels between religious rapture and drug-induced visions (even if none of his friends did). He explored the self-actualization movements of the 1970s (and the self-indulgence that they produced), and since then has turned an increasingly skeptical eye toward the politicians and televangelists who don the cloak of religiouos rectitude to mask their own moral hypocrisy. What he learned along the way about the inconsistencies and peculiarities of religion infuriated Black, and in Me of Little Faith he gives full vent to his comedic rage. Black explores how the rules and constraints of religion have affected his life and the lives of us all. Hilarious experiences with rabbis, Mormons, gurus, psychics, and even the joy of a perfect round of golf give Black the chance to expound upon what we believe and why—in the language of a shock jock and with the heart of an iconoclast. To put it as simply as I can, Black writes, this is a book about my relationship with religion, where my—dare I say it?—spiritual journey has taken me...what it's meant and not meant to me, and why it makes me laugh. By the end of Me of Little Faith, you'll be a convert.

Nothing's Sacred Lewis Black,2006-07-01 Comedian Lewis Black unleashes his trademark subversive wit while recounting his own life story in his New York Times bestselling memoir. You've seen him on The Daily Show with Jon Stewart offering up his trademark angry observational humor on everything from politics to pop culture. You've seen his energetic stand-up performances on HBO, Comedy Central, and in venues across the globe. Now, for the first time, Lewis Black translates his volcanic eruptions into book form in Nothing's Sacred, a collection of rants against stupidity and authority, which oftentimes go hand in hand. With subversive wit and intellectual honesty, Lewis examines the events of his life that shaped his antiauthoritarian point of view and developed his comedic perspective. Growing up in 1950s suburbia when father knew best and there was a sitcom to prove it, he began to regard authority with a jaundiced eye at an early age. And as that sentiment grew stronger with each passing year, so did his ability to hone in on the absurd. True to form, he puts common sense above ideology and distills hilarious, biting commentary on all things politically and culturally relevant. No one is safe from Lewis Black's comic missiles. (New York Times) You have been warned....

The Late Shift Bill Carter,2019-10-15 When beloved host Johnny Carson announced his retirement after thirty years on The Tonight Show, millions of Americans mourned. But inside the television industry, the news ignited a battle between two amazing talents - Jay Leno and David Letterman - who both yearned to occupy the departing legend's chair. For NBC, it would be a decision with millions of dollars at stake. Soon these two comedians with strikingly different styles, who had once shared a friendship as they worked the clubs together, would be engaged in a fierce competition for the prize--

The Marijuana-logues Doug Benson,Tony Camin,Arj Barker,2005-11-22 Sweet ass! A 200ish-page book about pot and pot-related stuff. Can you believe somebody paid these guys to publish a whole book about The Chronic? Man, that is so sick! The Marijuana-Logues started as an Off-Broadway show, consisting of these three guys, Arj Barker, Doug Benson, and Tony Camin sitting on stools and elucidating and illustrating the wisdom of weed. Since you probably never got motivated enough to actually go see the show, now is your chance to enjoy such gems as, “Some people say marijuana is a crutch—yeah, crutches help people walk. We think that’s a good thing.” In this sturdy volume (not made from hemp paper, so don’t try to smoke it), you’ll find many highly creative essays on the virtues of that fine fine plant, as well as some herben poetry, “high-ku,” marijuana fun facts, marijuana fun snacks, and other up-here stuff [point to your head]. Some choice buds from The Marijuana-Logues: ARJ BARKER’S FIRST TIME The first time I smoked pot, I was in the back seat of my older brother’s car. It must have been some pretty good weed, too, because I’m an only child. THINGS YOU WILL NEVER HEAR DOUG BENSON SAY WHEN HE IS OFFERED SOME MARIJUANA No. FEMALE COMPOTABILITY by Tony Camin My girlfriend thinks that I smoke too much pot. I, on the other hand, don’t think I smoke enough pot, because if I did, I’d be finished. And I’m not. Look, we all have our vices: I like to smoke a little weed; she likes to feed the baby. Different strokes for different folks.

The White House Mess Christopher Buckley,2011-11-02 With a pajama-clad President Reagan refusing to leave the White House on his successor’s Inauguration Day, Buckley has given this farce of Oval Office politics a nearly perfect beginning. Parodying the familiar form of the White House memoir, Buckley recounts the turbulent years of the Democratic Tucker administration, as told by loyalist Herbert Wadlough. Through this former accountant’s eyes, we see the infighting that plagues the White House, the President’s faltering marriage to a former starlet, and his ongoing crises.
