My Little Pony: The Castles of Equestria , 2015-06-02 A must-have gift for pony fans of all ages! Five pop-up figures inside! The beautiful castles of Equestria pop to life inside this magical interactive book. Showcasing more wizardry than Star Swirl the Bearded, pop-up master Matthew Reinhart takes My Little Pony fans on a magical time-traveling tour through each palace. See the majestic castle in Canterlot, the shining spire of the Crystal Empire, and the reconstructed ancient Castle of the Two Sisters--where Princesses Celestia and Luna began their rule. Plus, see Twilight Sparkle's home, the newest castle in Equestria! Use the five pop-up figures included to explore doorways, gardens, and throne rooms. Spot all your favorite characters from the hit television series throughout this magnificently illustrated feat of pop-up engineering--you never know where somepony might appear!

Subject Guide to Children's Books in Print , 1976

Pentagon 9/11 Alfred Goldberg, 2007-09-05 The most comprehensive account to date of the 9/11 attack on the Pentagon and aftermath, this volume includes unprecedented details on the impact on the Pentagon building and personnel and the scope of the rescue, recovery, and caregiving effort. It features 32 pages of photographs and more than a dozen diagrams and illustrations not previously available.

European Pack for Visiting Auschwitz-Birkenau Memorial and Museum Alicja Białocka, 2010-01-01 Taking groups of students To The Auschwitz-Birkenau Memorial and Museum is a heavy responsibility, but it is a major contribution to citizenship if it fosters understanding of what Auschwitz stands for, particularly when the last survivors are at the end of their lives. It comes with certain risks, however. This pack is designed for teachers wishing to organise student visits to authentic places of remembrance, and For The guides, academics and others who work every day with young people at Auschwitz. There is nothing magical about visiting an authentic place of remembrance, and it calls for a carefully thought-out approach. To avoid the risk of inappropriate reactions or the failure to benefit from a large investment in travel and accommodation, considerable preparation and discussion is necessary before the visit and serious reflection afterwards. Teachers must prepare students for a form of learning they may never have met before. This pack offers insights into the complexities of human behaviour so that students can have a better understanding of what it means to be a citizen. How are they concerned by what happened at Auschwitz? Is the unprecedented process of exclusion that was practised in the Holocaust still going on in Europe today? In what sense is it different from present-day racism and anti-Semitism? The young people who visit Auschwitz in the next few years will be witnesses of the last witnesses, links in the chain of memory. Their generation will be the last to hear the survivors speaking on the spot. The Council of Europe, The Polish Ministry of Education And The Auschwitz-Birkenau Memorial and Museum are jointly sponsoring this project

aimed at preventing crimes against humanity through Holocaust remembrance teaching.

The Master of Mankind Aaron Dembski-Bowden, 2018-06-26 As war splits the galaxy, the Emperor toils in the vaults beneath the Imperial Palace. But his great work is in peril, and the forces of Chaos are closing in... While Horus' rebellion burns across the galaxy, a very different kind of war rages beneath the Imperial Palace. The 'Ten Thousand' Custodian Guard, along with the Sisters of Silence and the Mechanicum forces of Fabricator General Kane, fight to control the nexus points of the ancient eldar webway that lie closest to Terra, infested by daemoniac entities after Magnus the Red's intrusion. But with traitor legionaries and corrupted Battle Titans now counted among the forces of Chaos, the noose around the Throneworld is tightening, and none but the Emperor Himself can hope to prevail.

The Art of South and Southeast Asia Steven Kossak, Edith Whitney Watts, 2001 Presents works of art selected from the South and Southeast Asian and Islamic collection of The Metropolitan Museum of Art, lessons plans, and classroom activities.

The Enchanted Hour Meghan Cox Gurdon, 2019-01-15 A Wall Street Journal writer's conversation-changing look at how reading aloud makes adults and children smarter, happier, healthier, more successful and more closely attached, even as technology pulls in the other direction. A miraculous alchemy occurs when one person reads to another, transforming the simple stuff of a book, a voice, and a bit of time into complex and powerful fuel for the heart, brain, and imagination. Grounded in the latest neuroscience and behavioral research, and drawing widely from literature, *The Enchanted Hour* explains the dazzling cognitive and social-emotional benefits that await children, whatever their class, nationality or family background. But it's not just about bedtime stories for little kids: Reading aloud consoles, uplifts and invigorates at every age, deepening the intellectual lives and emotional well-being of teenagers and adults, too. Meghan Cox Gurdon argues that this ancient practice is a fast-working antidote to the fractured attention spans, atomized families and unfulfilling ephemera of the tech era, helping to replenish what our devices are leaching away. For everyone, reading aloud engages the mind in complex narratives; for children, it's an irreplaceable gift that builds vocabulary, fosters imagination, and kindles a lifelong appreciation of language, stories and pictures. Bringing together the latest scientific research, practical tips, and reading recommendations, *The Enchanted Hour* will both charm and galvanize, inspiring readers to share this invaluable, life-altering tradition with the people they love most.

Spectrum Spelling, Grade 2, 2014-08-15 Give your second grader a fun-filled way to build and reinforce spelling skills. Spectrum Spelling for grade 2 provides progressive lessons in contractions, vowel sounds, compound words, word endings, and dictionary skills. This exciting language arts workbook encourages children to explore spelling with brainteasers, puzzles, and more! Don't let your child's spelling skills depend on spellcheck and autocorrect. Make sure they have the knowledge and skills to choose, apply, and spell words with confidence—and without assistance from digital sources. Complete with a speller's dictionary, a proofreader's guide, and an answer key, Spectrum Spelling offers the perfect way to help children strengthen this important language arts skill.

Jane Austen: An Unrequited Love Dr Andrew Norman, 2010-12-26 Jane Austen is

regarded as one of the greatest novelists in the English literary canon, and recent film and television adaptations of her works have brought them to a new audience almost 200 years after her untimely death. Yet much remains unknown about her life, and there is considerable interest in the romantic history of the creator of Elizabeth Bennett and Mr Darcy. Andrew Norman here presents a fresh account of her life, breaking new ground by proposing that she and her sister, Cassandra, fell out over a young clergyman, who he identifies for the first time. He also suggests that, along with the Addison's Disease that killed her, Jane Austen suffered from TB. Written by a consummate biographer, *Jane Austen: an Unrequited Love* is a must-read for all lovers of the author and her works.

Schubert's Winter Journey Ian Bostridge, 2015-01-27 An exploration of the world's most famous and challenging song cycle, Schubert's Winter Journey (Winterreise), by a leading interpreter of the work, who teases out the themes—literary, historical, psychological—that weave through the twenty-four songs that make up this legendary masterpiece. Completed in the last months of the young Schubert's life, Winterreise has come to be considered the single greatest piece of music in the history of Lieder. Deceptively laconic—these twenty-four short poems set to music for voice and piano are performed uninterrupted in little more than an hour—it nonetheless has an emotional depth and power that no music of its kind has ever equaled. A young man, rejected by his beloved, leaves the house where he has been living and walks out into snow and darkness. As he wanders away from the village and into the empty countryside, he experiences a cascade of emotions—loss, grief, anger, and acute loneliness, shot through with only fleeting moments of hope—until the landscape he inhabits becomes one of alienation and despair. Originally intended to be sung to an intimate gathering, performances of Winterreise now pack the greatest concert halls around the world. Drawing equally on his vast experience performing this work (he has sung it more than one hundred times), on his musical knowledge, and on his training as a scholar, Bostridge teases out the enigmas and subtle meanings of each of the twenty-four lyrics to explore for us the world Schubert inhabited, his biography and psychological makeup, the historical and political pressures within which he became one of the world's greatest composers, and the continuing resonances and affinities that our ears still detect today, making Schubert's wanderer our mirror.

The Unofficial Book of Cricut Crafts Crystal Allen, 2020-08-18 The ultimate Cricut how-to book that covers everything you need to know to purchase a Cricut and use it like a pro! Are you new to Cricut crafting? Returning after a hiatus and desperate for a refresher? Perhaps you're an old pro looking for brand-new ideas, tips, and tricks for your crafts? Look no further than The Unofficial Book of Cricut Crafts. Throughout the more than 300 pages of this book, author Crystal Allen will not only present you with craft ideas that embrace every awesome element of this popular cutting machine, but, perhaps most importantly, she'll start you at the very beginning of your Cricut journey with loads of information about the different Cricut machines (Cricut Explore Air 2, Cricut Maker, and Cricut Joy) so you can determine which is best for you before you buy. After you unbox your Cricut and have a general understanding of the parts of your machine, Crystal will teach you how to use Cricut Design Space and get images from Cricut Access, and then you'll be presented with projects that use the most popular materials your Cricut can

cut. These include fabric (cotton, felt, and fleece); basswood and chipboard; leather; vinyl; paper; and heat transfer vinyl. Crystal even tackles infusible ink! Projects meant to inspire you will include step-by-step instructions and photos. They include: Personalized leather keychains Etched wine glasses Engraved quote bracelets Felt coffee cozies Paper luminaries Chalkboard signs Inspirational quote pillowcases Sleep masks Photo puzzles Leather headphone keepers Infusible Ink coasters A rag quilt and more! The Unofficial Book of Cricut Crafts is perfect for the first-time Cricut user, the small business owner who has been using Cricut for years, and everyone in between!

Advanced Dungeons & Dragons, Players Handbook Gary Gygax, 1978 Presents an introduction to Dungeons and Dragons with information on the rules, characters, weapons and gear, and game etiquette.
