Conjure Wife Fritz Leiber, 2023-03-17 Tansy Saylor is the wife of an up-and-coming young sociology professor at a small, conservative American college. She is also a witch. Her husband, Norman, discovers this one day while rummaging through her dressing table: he finds vials of graveyard dirt, packets of hair and fingernail clippings from their acquaintances, and other evidence of her witchcraft. He confronts Tansy, and manages to convince her that her faith in magic is a result of superstition and neurosis. Tansy burns her charms; and Norman's luck immediately goes sour. He realizes that he had been protected, up till now, by Tansy's charms, and that as a result of his meddling, they are both now powerless to counteract the spells and charms of the other witches all around them.
