Or with the dozens of other odd creatures it has lured to Plowman's Planet? And if the Glimmung is a god, are its ends positive or malign? Combining quixotic adventure, spine-chilling horror, and deliriously paranoid theology, *Galactic Pot-Healer* is a uniquely Dickian voyage to alternate worlds of the imagination.

The Billionaire's Kiss Christina Tetreault, 2020-09-08 Rather than follow in the footsteps of her family members, Juliette Belmont has made a career out of being in front of the cameras. When she finds herself in the middle of a scandal, she takes a friend's advice and escapes to a small town in northern New Hampshire. Leave everything behind for a bit....in Positano, Italy. And when she gets there, she finds a surprising extra—millionaire restaurateur Dante Sabbatini in the kitchen. In his underwear. Making coffee. It's suddenly not only hot outside, but exactly what is he doing inside, in her temporary kitchen? Dante's plan was to escape to his family's beach house for some quiet and privacy. What he didn't know was that his meddling, matchmaking nonna rented the entire house to a sexy stranger at the exact same time as his stay. It took him months to clear his schedule—there's no way he's leaving now. With both refusing to leave, Zoe and Dante agree to be temporary roomies, but secretly aim to try to drive the

other out. He plays his music as loud as he wants and will wear as little clothing as possible, and she'll just go ahead and adopt that pig she fell in love with in town. But suddenly their game of one-upmanship takes a very sexy detour, and they can't believe what happens next.

But damn, those cargo pants make me want her even more. Ollie says Heidi needs friends right now, not a lover. Well, if sexy little Heidi needs a friend, I volunteer for the job. When You're Mine Layla Hagen, 2021-06-06 Take New York by storm and steer clear of serious relationships. That's the plan. That's the goal. It's easy too, now that my software company is making headlines. Nothing is getting in the way of that--not even my sexy personal trainer. I don't care how beautiful and intriguing she is. Mel Dawson keeps talking me into doing things, like watching the sunset and slowing down to enjoy life. When she trains me, and I watch her body, I'm constantly fantasizing about exploring every inch of it all night long, claiming her mouth every time she gives me a sassy reply. I don't even know who I am when I'm with her. I'm suddenly a completely different man. But, I like this version of myself better. Mel's smart, determined, and keeps me guessing. She's everything I need and want, but I've been burned before. I'm used to taking chances in the boardroom, just not in my personal life. How much am I willing to risk for a chance to make her mine?

When a mysterious stranger offers her an unusual contract—sexual companion to a recently relapsed rock star—she accepts.
