Sisters of Battle: The Omnibus James Swallow,2017-09-19 Definitive omnibus edition of James Swallow's popular Sisters of Battle series. The Adepta Sororitas, or Sisters of Battle, are the military arm of the Ecclesiarchy, and their remit is to prosecute the enemies of mankind with extreme prejudice. Uniquely among the fighting forces of the Imperium, all the warriors of this organisation are female. Clad in ceremite power armour and armed with an awesome array of wargear, they fight with fanatical fervor for the glory of the Emperor, scourging both xenos and heretic alike with bolter and flamer. This omnibus collects together James Swallow's two classic Sisters of Battle novels, Faith & Fire and Hammer & Anvil, along with the prose version of the audio drama Red & Black and a new short story 'Heart & Soul', available in print for the first time.

Faith and Fire James Swallow,2006-03-28 Science fiction-roman.

Hammer and Anvil James Swallow,2011-11-29 The Sisters of Battle are the Emperor's most devout worshippers, fierce warriors preaching the purity of the Imperium and scourging their enemies with bolter and flamer. When an Ecclesiarchy outpost, Sanctuary 101, comes under attack, the Sisters are quick to retaliate. But they face an unknown alien, an implacable foe that has never been encountered – the fearless, soulless necrons. The Making of Modern Colombia David Bushnell,1993-02-09 Colombia's status as the fourth largest nation in Latin America and third most populous—as well as its largest exporter of such disparate commodities as emeralds, books, processed cocaine, and cut flowers—makes this, the first history of Colombia written in English, a much-needed book. It tells the remarkable story of a country that has consistently defied modern Latin American stereotypes—a country where military dictators are virtually unknown, where the political left is congenitally weak, and where urbanization and industrialization have spawned no lasting populist movement. There is more to Colombia than the drug trafficking and violence that have recently gripped the world's attention. In the face of both cocaine wars and guerrilla conflict, the country has maintained steady economic growth as well as a relatively open and democratic government based on a two-party system. It has also produced an impressive body of art and literature. David Bushnell traces the process of state-building in Colombia from the struggle for independence, territorial consolidation, and reform in the nineteenth century to economic development and social and political democratization in the twentieth. He also sheds light on the modern history of Latin America as a whole.

Cadian Honour Justin D Hill,2019-09-17 Sent to the capital world of Potence, Sergeant Minka Lesk and the Cadian 101st discover that though Cadia may have fallen, their duty continues. For ten thousand years, Cadia stood as a bastion against the daemonic tide spewing forth from the Eye of Terror. But now the Fortress World lies in ruins, its armies decimated in the wake of Abaddon the Despoiler and his Thirteenth Black Crusade. Those who survived, though haunted by the loss of their beloved homeworld, remain bloodied and unbarred, fighting ruthlessly in the Emperor's name. Amongst them is the indomitable Sergeant Minka Lesk. Sent to the capital world of Potence, Lesk and the Cadian 101st company soon discover that a rot runs through the very heart of the seemingly peaceful world. Lesk knows she must excise this taint of Chaos, for it is not only her life and those of her company at stake, but also the honour of Cadia itself.

Cadia Stands Justin D. Hill,2018-03-06 The brutal war for Cadia is decided, as Lord Castellan Ursarkar Creed and the armies of the Imperium fight to halt the Thirteenth Black Crusade and prevent a calamity on a galactic scale. Under almost constant besiegement by the daemonic hosts pouring from the Eye of Terror, Cadia stands as a bulwark against tyranny and death. Its fortresses and armies have held back the hordes of Chaos for centuries, but that grim defiance is about to reach its end. As Abaddon's Thirteenth Black Crusade batters Cadia's defences and the armies of the Imperium flock to reinforce this crucial world, a terrible ritual long in the making comes to fruition, and the delicate balance of this brutal war shifts... From the darkness, a hero rises to lead the beleaguered defenders, Lord Castellan Ursarkar Creed, but even with the armoured might of the Astra Militarum and the strength of the Adeptus Astartes at his side, it may not be enough to avert disaster and prevent the fall of Cadia. While Creed lives, there is hope. While there is breath in the body of a single defender, Cadia Stands... but for how much longer?

Yarrick: The Omnibus David Annandale,2024-02-13 Before he was a legend, Commissar Yarrick was already a hero, as you'll discover in this omnibus of two novels, a novella and six short stories set across his life and career. Yarrick: once just a name, but now a hero, forged from the blood of the Imperium's enemies. Time after time, Commissar Sebastian Yarrick has fearlessly led Imperial forces to victory beneath black banners of vengeance, even when defeat seemed inevitable. From his early campaigns as a newly blooded officer from the Schola Progenium ranks, to the brutal battles of the Second and Third Wars for Armageddon, one thing has never changed: Yarrick will not fail. This gripping omnibus contains all of author David Annandale's stories about the famed commissar, and includes two novels – Imperial Creed and The Pyres of Armageddon – along with the novella Chains of Golgotha and six short stories, each revealing the bloody battles that helped shape a legend.

Unchained Mind Ricardo G. Williams,2017-03-15 I took a three-year break from work to explore the topic of peace, love, and success. I spent the time analyzing my thoughts and the effects my thoughts had on my emotional state of mind. The things I found out were quite intriguing. I came to the realization that many of us are not living to our full potential. We live with a measured joy. We keep our happiness in check. Our smiles are met with a restriction from our breath, which makes it short-lived. We seldom breathe fully because our breath is interrupted by the depth of our thoughts. We never really let go fully. We are bound by layers of chains that have entangled our thinkingchains from an uncertain future, chains of work, chains of relationships, chains of our finances, too many chains to mention. My time away from work gave me the opportunity to explore how to break the chains. I admit that even a broken chain is not permanently broken but can be easily reunited if old habits are not changed. My book focuses on the actions we can take to break chains and keep them broken. My book explores how our thoughts control our destiny. It teaches thought control and the importance of silence. It teaches how to overcome fear, anger, negative thoughts, stress, and hatred. You will learn how to nurture your emotions, embrace moments, and the importance of spiritual peace. I will teach you how to live in thankfulness, with compassion, while activating love.
