Warrior Brood C. S. Goto, 2005 The world of Herodian IV is doomed when the nightmarish tyrannid hive fleets descend from the depths of space, intent on devouring every living thing there. In the vital hours before the planet is lost, Inquisitor Kalipsia and a team of Deathwatch Space Marines are sent on a mission to investigate a mysterious research outpost. The terrible secret they uncover could affect the fate of all humanity, but can they escape to safety before they are torn apart by the ravenous alien hordes?

Storm of Iron Graham McNeill, 2008-05-20 When a massive force of Space Marine Iron Warriors invades the planet Hydra Cordatus and lays siege to the Imperial citadel, how long can the defenders possibly hold out, and what do their enemies truly seek? Reissue.

The Eye of Medusa David Guymer, 2017-11-14 The coldly methodical and unrelenting Iron Hands Space Marine Chapter clash with the cybernetic soldiers of the Adeptus Mechanicus over control of the world of Thennos. Ever since the dark days of the Great Heresy, the Iron Hands have a long and tortured history. Their years of suffering and war has left them hardened and believing in a brutal tenet: the flesh is weak. Heavily cybernetic, their flesh extensively altered, these warriors of the Imperium are more machine than man, cold in aspect as well as demeanour. Their methods of recruitment are harsh, their rituals arcane, their pride unshakable. So when a world under the protection of the Chapter falls foul of insurrection, the Iron Hands answer with fire and cold retribution. It matters not that Thennos is considered sovereign territory by the Adeptus Mechanicus - the Iron Hands' campaign is one of extermination. But there is something dark lurking within Thennos, a horror that defies the purity of cold logic and the machine, and threatens something more, something ruinous...

The Price of Freedom William R. Forstchen, Ben Ohlander, 2017-01-03 In Heart of the Tiger the Kilrathi empire was eradicated through the bravery of a few flying aces. Now, Captain Blair and his wing are fighting a more familiar menace—their fellow humans. Blair had settled down to the quiet life of a farmer, but he's been called back into action to fight rebels from the Border Worlds. And Captain Blair finds that dog-fighting with people is a whole different kettle of kittens than fighting an alien cat species. Those humans are tricky in ways the Kilrathi never dreamed of! At the publisher's request, this title is sold without DRM (Digital Rights Management).

Iron Warriors Omnibus Graham McNeill, 2019-04-02 A great omnibus, collecting together Iron Warriors stories from two great Black Library authors. The traitorous Iron Warriors are masters of siegecraft, builders of nigh-impenetrable defences – and just as good at tearing down those of their foes, as these action-packed tales of siege warfare demonstrate.

The Java Sea Campaign Office of Naval Intelligence United States Navy,2013-01-20 The Java Sea Campaign is the story of the Japanese conquest of the Netherlands East Indies. Strictly speaking, the history of the United States Navy's participation in that campaign should begin with the arrival of our Asiatic Fleet in the Indies and the beginning of our active cooperation with the British and Dutch. It is difficult, however, to set a definite date for such a beginning. Several of our ships were sent into the East Indies in the latter part of November 1941, and various units of our fleet followed at intervals all through December. Moreover, the conquest of the Indies by the Japanese was merely the culmination of a single, carefully planned campaign which opened with their attack on the Philippines and Malaya. Their advance into the Dutch possessions was carefully coordinated with and dependent upon their successes in these other theatres. While our defense of the Philippines is the subject of a separate narrative (in preparation), some reference must be made to events there to explain the situation at the opening of the Java Sea Campaign. ORGANIZATION AND DISPOSITION OF OUR FLEET The United States Asiatic Fleet was something less than its title suggested.....
