**A Comparative History of Literatures in the Iberian Peninsula** Fernando Cabo Aseguinolaza,Anxo Abuín Gonzalez,César Domínguez,2010-05-26 A Comparative History of Literatures in the Iberian Peninsula is the second comparative history of a new subseries with a regional focus, published by the Coordinating Committee of the International Comparative Literature Association. As its predecessor for East-Central Europe, this two-volume history distances itself from traditional histories built around periods and movements, and explores, from a comparative viewpoint, a space considered to be a powerful symbol of inter-literary relations. Both the geographical pertinence and its symbolic condition are obviously discussed, when not even contested. Written by an international team of researchers who are specialists in the field, this history is the first attempt at applying a comparative approach to the plurilingual and multicultural literatures in the Iberian Peninsula. The aim of comprehensiveness is abandoned in favor of a diverse and extensive array of key issues for a comparative agenda. A Comparative History of Literatures in the Iberian Peninsula undermines the primacy claimed for national and linguistic boundaries, and provides a geo-cultural account of literary inter-systems which cannot otherwise be explained.

**Twelve Years a Slave** Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try

'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

**Democracy Remixed** Cathy J. Cohen, 2012-02-17 In *Democracy Remixed*, award-winning scholar Cathy J. Cohen offers an authoritative and empirically powerful analysis of the state of black youth in America today. Utilizing the results from the Black Youth Project, a groundbreaking nationwide survey, Cohen focuses on what young Black Americans actually experience and think--and underscores the political repercussions. Featuring stories from cities across the country, she reveals that black youth want, in large part, what most Americans want--a good job, a fulfilling life, safety, respect, and equality. But while this generation has much in common with the rest of America, they also believe that equality does not yet exist, at least not in their lives. Many believe that they are treated as second-class citizens. Moreover, for many the future seems bleak when they look at their neighborhoods, their schools, and even their own lives and choices. Through their words, these young people provide a complex and balanced picture of the intersection of opportunity and discrimination in their lives. *Democracy Remixed* provides the insight we need to transform the future of young Black Americans and American democracy.

*Alien RPG* Free League Publishing, 2019-12-10 Space is vast, dark, and not your friend. Gamma rays and neutrino bursts erupt from dying stars to cook you alive, black holes tear you apart, and the void itself boils your blood and seizes your brain. Try to scream and no one can hear you - hold your breath and you rupture your lungs. Space isn't as empty as you'd think, either - its frontiers are ever expanding. Rival governments wage a cold war of aggression while greedy corporations vie for valuable resources. Colonists reach for the stars and gamble with their lives - each new world tamed is either feast or famine. And there are things lurking in the shadows of every asteroid - things strange and different and deadly. Things alien. This is the official ALIEN tabletop roleplaying game - a universe of body horror and corporate brinkmanship, where synthetic people play god while space truckers and marines serve host to newborn ghoulish creatures. It's a harsh and unforgiving universe and you are nothing if not expendable. Stay alive if you can--Back cover.
