*Twelve Years a Slave* Solomon Northup, 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

### **Centering on African Practice in Musical Arts Education** Minette Mans, 2006 This collection

brings together many African voices expressing their ideas and conceptions of musical practice and arts education in Africa. With essays from established scholars in the field as well as young researchers and educators, and topics ranging from philosophical arguments and ethno-musicology to practical classroom ideas, this book will stimulate academic discourse. At the same time, practical ideas and information will assist teachers and students in Africa and elsewhere, bringing fresh musical perspectives on instrument playing, singing, children's literature and play.

**Achtung-Panzer!** Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

**Studio Ghibli** Colin Odell, Michelle Le Blanc, 2009-09-01 The animations of Japan's Studio Ghibli are amongst the highest regarded in the movie industry. Their delightful films rank alongside the most popular non-English language films ever made, with each new eagerly-anticipated release a guaranteed box-office smash. Yet this highly profitable studio has remained fiercely independent, producing a stream of imaginative and individual animations. The studio's founders, long-time animators Isao Takahata and Hayao Miyazaki, have created timeless masterpieces. Although their

films are distinctly Japanese their themes are universal—humanity, community, and a love for the environment. No other film studio, animation or otherwise, comes close to matching Ghibli for pure cinematic experience. All their major works are examined here, as well the early output of Hayao Miyazaki and Isao Takahata, exploring the cultural and thematic threads that bind these films together.

*History Sings* Hazel Gertrude Kinsella, 1957

*Lucy the Dinosaur: Preschool Fun* Joey Ahlbum, 2016-08-30 All 9 adorable Lucy the Dinosaur books are now available in one book! Lucy and her friends put on a show, play hide and seek, figure out opposites, find buried treasure, and throw a surprise birthday party, and more. The colorful, active dinosaurs make reading fun for kids! This edition also includes fun activities for kids, such as Spot the Differences, Find the Hidden Objects, Solve the Maze, and a game with a secret prize. Lucy the Dinosaur is now available as an animated series on Fredbot: <https://www.youtube.com/user/Fredbot>

I Guarantee It George Zimmer, 2021-09-21 America knew George Zimmer for one of the most famous slogans in television advertising history: “I guarantee it.” Zimmer rode his promise to lead the Men’s Wearhouse to unimagined success as a retail giant. Now, years removed from his stunning dismissal as leader of the company he founded, *I Guarantee It* recounts the journey of Zimmer’s rise, the fall of the Men’s Wearhouse, and his personal renewal. For forty-one years, George Zimmer forged a relationship with American men who wanted to like the way they looked without getting too fussy about it. He made them a promise that came straight from the shoulder: “I guarantee it,” he said, and it was ironclad. By the millions, customers walked into The Men’s Wearhouse stores in all fifty states and Canada, where they received “quality, service, and a good price,” where they bought suits, ties, sports coats, and slacks by the tens of billions of dollars. Then a backstabbing — the handpicked

board of directors fired Zimmer from the company he had created and developed into the most successful men's specialty store in world history. Eight years later, Zimmer is back to tell his story: a man raised by a prosperous and loving family, a fun-loving son of the sixties, a merchant, an entrepreneur, a pitchman for the ages. Zimmer's ouster devastated but did not destroy him. His is a story of hard work and resilience, about a life in business that succeeded beyond belief and followed the Golden Rule. It's a story that will teach and inspire. He guarantees it.

*In America's Shadow* Mitchell Takeshi Maki, Kimberly Komatsu, Kaleigh Komatsu, 2002 Chronicles the history of Japanese Americans from immigration to the World War II internment, as told through the eyes of a young girl and her grandfather.

**Coriolis** Free League Publishing, 2019-04 Emissary Lost is the first part in the epic Mercy of the Icons campaign for the award-winning Coriolis The Third Horizon roleplaying game. The struggle for the Horizon has started only the Icons themselves know how it will end. Contents of the 232 page full-color hardback book: A detailed background of the events and plots that threaten the balance of the Third Horizon. In the Wake of the Martyr an investigative scenario based on Coriolis station. The hunt for clues will bring the characters to the bustling Ozone Plaza, to the decadent elites in the Spire, and deep down into the darkness of the Cellar. The Kuan Connection, the second scenario in the book, takes the characters down to the surface of planet Kua. There, they will follow a trail of blood through the jungles, immerse themselves in the violent politics of the Zenithian colonies, and search for answers in the shadow of the mighty Monolith. A number of maps and handouts, depicting Coriolis station, planet Kua, and

**Lucky Come Hawaii** Jon Shirota, 2009-12-31 In the opening chapter of this classic novel set in Hawai'i, news of the attack on Pearl Harbor has just reached rural Maui. Miscommunication, confusion,

and rumors of war aggravate the already tense relations among the diverse immigrant communities, Native Hawaiians, and the American military. As told through the perspective of a poor Okinawan family, *Lucky Come Hawaii* vividly captures the emotions and trauma at this momentous turning point in Island history, which will change the fate of individuals, ways of life, and the land itself forever. First published in 1965 to national acclaim but long out of print, *Lucky Come Hawaii* is a tale of love, intrigue, humor, and Island families torn apart and reunited by the events of December 7th. The novel also anticipates the changes overtaking Hawai'i, from Territory to Statehood, from small towns to a militarized Pacific metropolis. *Lucky Come Hawaii* should be required reading for anyone who cares deeply about the untold stories of the Islands' multi-ethnic communities and the struggle of individuals to find a place and sense of identity in their American home.

*In Valen's Name* J. Michael Straczynski, 1998

**Nobilis** Jenna Moran, 2011-03-31 *Nobilis* is a diceless roleplaying game for playing divine beings in an animistic, spirit haunted cosmos. Each character holds power over a single element of reality - something like Fire, Storms, Cars, Press Releases, Objectivity, or Puppy Love. The first edition of *Nobilis* was published in 1999 by Pharos Press. The Origins- and Diana Jones Award-winning second edition was published in 2002 by Hogshead Publishing, Ltd. *Nobilis: the Essentials* (Volume 1: Field Guide to the Powers) will be the first new edition since 2002; when released, it will mark the first time the *Nobilis* RPG has been available in any form since 2006.

*Tropical Plant Science* G. K. Berrie, A. Berrie, J. M. O. Eze, 1987

**The Rag Song** Ossama Farahat, 2021-05-28 It is rare to find on the shelves of bookstores a poetry anthology written by a poet in two languages with equal fluency. The Rag Song is one of those rare books that brings together the English translation and the original poems written in Arabic Egyptian language selected from ten collections published by Ossama Farahat over about three decades, from the first book (نفس واحد) One Breath (1994) to (قصر الكلام) In Short (2021). The Rag Song manifests the poet, Ossama Farahat, as the translator of his own poems written in Arabic Egyptian into another language, English in this case, without losing the essence of the poetry in both languages. The experience of the poet Ossama Farahat is a significant poetic experience in the Arabic Egyptian language, best described as The Imagination of Necessity. Accordingly, the poet is seen to be absorbed in his society's issues as well as reenact them as poetry. Farahat never fails to attend to such issues in every matter he deems necessary. You rarely find in his poetry moments of distraction from the community, its worries, and its dreams. He takes matters without belittling, and if he does so, he resorts to the popular mold in which he pours his satirical and bitter satire on social, cultural and political situations. Ossama Farahat is a poet whose eyes are on the street. It is his first and last point of reference. His poetic experience, in its entirety, can be viewed as belonging to what we might call The Poetry of the Field where he is keen on pursuing facts, events, sites and characters that constitute prominent social and political signs, observing their manifestations and reenacting them through his stance and ground-breaking vision of the world. You can find more online poems and critical readings for Ossama Farahat in his webpages on both: YouTube at <https://www.youtube.com/user/khadeeg> and Soundcloud <https://soundcloud.com/ossama-farahat/>

**Terms and Conditions** R. Sikoryak, 2017-03-07 Master satirist tackles the contract everyone agrees to but no one reads "Mischievous, pastiche-heavy artist Robert Sikoryak...upped the difficulty

level for his long-term conceptual project: Instead of abridging a book, he lifted the complete text of Apple's mind-numbing corporate boilerplate, which users must agree to before accessing iTunes, and mashed it up with art invoking more than a century of comics."—New York Times For his newest project, R. Sikoryak tackles the monstrously and infamously dense legal document, iTunes Terms and Conditions, the contract everyone agrees to but no one reads. In a word for word 94-page adaptation, Sikoryak hilariously turns the agreement on its head—each page features an avatar of Apple cofounder and legendary visionary Steve Jobs juxtaposed with a different classic strip such as Mort Walker's Beetle Bailey, or a contemporary graphic novel such as Craig Thompson's Blankets or Marjane Satrapi's Persepolis. Adapting the legalese of the iTunes Terms and Conditions into another medium seems like an unfathomable undertaking, yet Sikoryak creates a surprisingly readable document, far different from its original, purely textual incarnation and thus proving the accessibility and flexibility of comics. When Sikoryak parodies Kate Beaton's Hark A Vagrant peasant comics with Steve Jobs discussing objectionable material or Homer Simpson as Steve Jobs warning of the penalties of copyright infringement, Terms and Conditions serves as a surreal record of our modern digital age where technology competes with enduringly ironclad mediums.
