Two Can Toucan David McKee,2001 There was once a bird in the forest that was completely black, except for his white eyes, who was laughed at by all the other animals because he did not have a name. So he goes to seek his fortune - and perhaps find a name! A modern fable that answers the question How did the toucan get its name? - and also incidentally his amazing colours!

Rain Forest Animals (Set) ,2018-08 From jaguars to anacondas, this series introduces early readers to animals of the rain forest. Students learn about each animal's physical characteristics, behavior, life cycle, and habitat. Features include a table of contents, an infographic, fun facts, Making Connections questions, a glossary, and an index. QR Codes in the book give readers access to book-specific resources to further their learning. Aligned to Common Core Standards and correlated to state standards.
