Kiss of the Butterfly James Lyon,2013-04-01 “I sense it even now. People thirst for it; the entire country is mad with desire for it...”A dying man's cryptic letter catapults California college student Steven Roberts on a mystery-shrouded quest into the labyrinth of the war-torn Balkans. Singled out for the task by an enigmatic professor, Steven overcomes his doubts and plunges into the maelstrom to uncover long-lost clues to an ancient Emperor's deeply buried secret, a long-forgotten evil that slumbered for centuries only to reawaken ... and a love that defies death itself.Meticulously researched and set against the background of collapsing Yugoslavia, “Kiss of the Butterfly” weaves together intricate threads from age-old Balkan folklore and modern events, to create a tapestry of passion and betrayal, obsession and desire, the thirst for life and the hunger for death.“Kiss of the Butterfly” is a literary thriller rooted in actual events. In the year of his death, 1476, the Prince of Wallachia Vlad Dracula committed a bloody massacre under the cloak of medieval Bosnia's forested mountains in the town of Srebrenica. History repeated itself 500 years later in July 1995 in Europe's worst massacre since World War Two. For most people, the two events seemed unconnected... Until now.“A fast-paced adventure into a modern heart of Balkan darkness... A truly original take on the blood-sucking undead.” –Publishers Weekly“No capes, no glitter: a vampire novel for readers who value sturdy mythology and a sophisticated understanding of history, along with warmblooded, human connections... skillful... authentic... fascinating... inspired... Lyon executes it perfectly... vivid... engaging...” –Kirkus Reviews

Happiness 6 Shuzo Oshimi,2017-12-19 A supernatural story of sexual awakening, growing up, and suburban vampirism, Happiness follows a dorky boy who is attacked by a girl in an alley. She sucks his blood and gives him a choice: life or death. He chooses life, but finds himself nearly overwhelmed by a new thirst and a fascination with the necks of his classmates... Praise for Flowers of Evil: A shockingly readable story that vividly--one might even say queasily--evokes the fear and confusion of discovering one's own sexuality. Recommended. -The Manga Critic A page-turning tale of sordid middle school blackmail. -Otaku USA Magazine By loving this manga I recognize what a sick and twisted individual I have become. While I can still say that I am not truly deviant, Flowers of Evil is a great reminder of my own thirst for power and my own personal corruption. -Otaku Champloo
