**David Cronenberg**

**Gorkamorka** Rick Priestley, Andy Chambers, Gavin Thorpe, 1997

*Achtung-Panzer!* Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

*Transformers: Ghosts of Yesterday* Alan Dean Foster, 2014-06-11 The first human-alien contact. The last word in galactic warfare. The story you must read-before Transformers rockets to the big screen! A mammoth robotic being, clearly of alien origin, has been found beneath the Arctic ice. Its advanced engineering dwarfs known human technology, and unlocking its secrets will catapult American science eons into the future. In search of the mysterious artifact's origin, a covert government agency sends the manned craft Ghost 1 on a perilous journey of discovery. When a mishap maroons Ghost 1 in the far reaches of unknown space, the ship's distress beacon reaches the very alien race Ghost 1's crew has

been seeking: the Autobots. The gigantic mechanized beings are also on a quest: to find the Allspark, a device crucial to the salvation of their home world, Cybertron. But they're not alone. The Decepticons, the Autobots' brutal enemies, have their own sinister purposes in seeking the Allspark. As these adversaries are drawn together once more, the stage is set for a death-dealing new battle in which each is driven by a single-minded aim: total annihilation of the enemy.

*Inside the Sideshow Studio* . Sideshow, 2015-06-16

Inside the Sideshow Studio takes readers on a behind-the-scenes tour of a unique creative environment—the eclectic and dynamic workplace of one of the world's leading figure arts creators. Admired by collectors for its meticulous attention to detail, Sideshow Collectibles has rooted itself on a foundation of creativity, close collaboration, and boundary-pushing quality. The world of Sideshow itself, and the renaissance-like environment it fosters, is the subject of this unique photographic exploration of creativity and the spaces it inhabits. Through dynamic photography, Inside Sideshow Collectibles takes an in-depth look at an artistic haven expressly devoted to the development of high-end collectible figures, offering a one-of-a-kind examination of the relationship between innovation and spatial design. A must-have for fans and creatives, this beautifully illustrated book will not only grant a look at Sideshow that few have ever seen, but also inspire readers to push the limits of their talent and surround themselves with artistic spaces of their own.

**The Janitor on Mars** Martin Amis, 2011-11-17

The Long Haul: A Trucker's Tales of Life on the Road

Finn Murphy, 2017-06-06 "There's nothing semi about Finn Murphy's trucking tales of The Long Haul."—Sloane Crosley, Vanity Fair More than thirty years ago, Finn

Murphy dropped out of college to become a long-haul trucker. Since then he's covered more than a million miles as a mover, packing, loading, hauling people's belongings all over America. In *The Long Haul*, Murphy recounts with wit, candor, and charm the America he has seen change over the decades and the poignant, funny, and often haunting stories of the people he encounters on the job.

Sissy Dreams: From Boyfriend to Girlfriend Paul Zante, Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

*Transtopia in the Sinophone Pacific* Howard Chiang, 2021-04-06 As a broad category of identity, "transgender" has given life to a vibrant field of academic research since the 1990s. Yet the Western origins of the field have tended to limit its cross-cultural scope. Howard Chiang proposes a new paradigm for doing transgender history in which geopolitics assumes central importance. Defined as the antidote to transphobia, transtopia challenges a minoritarian view of transgender experience and makes room for the variability of transness on a historical continuum. Against the backdrop of the Sinophone Pacific, Chiang argues that the concept of transgender identity must be rethought beyond a purely Western frame. At the same time, he challenges China-centrism in the study of East Asian gender and sexual configurations. Chiang brings Sinophone studies to bear on trans theory to deconstruct the ways in which sexual normativity and Chinese imperialism have been produced through one another. Grounded in an eclectic range of sources—from the archives of sexology to press reports of intersexuality, films about castration, and records of social activism—this book reorients anti-transphobic inquiry at the crossroads of area studies, medical humanities, and

queer theory. Timely and provocative, *Transtopia* in the Sinophone Pacific highlights the urgency of interdisciplinary knowledge in debates over the promise and future of human diversity.

*Embrace the Night* Karen Chance, 2008-04-01 View our feature on Karen Chance's *Embrace the Night*. Cassandra Palmer may be the world's chief clairvoyant, but she's still magically bound to a master vampire. Only an ancient book called the Codex Merlini possesses the incantation to free Cassie-but harnessing its limitless power could endanger the world... Read Karen Chance's posts on the Penguin Blog.

**Modesty** Clifton Fahie Jr, 2021-10-15 Prepare to enter a world where a nation so great is finally tested as if jackals and lions collide. Will Valkar be a jackal or a lion?

### **Affective Health and Masculinities in South Africa**

Hans Reihling, 2020-04-03 *Affective Health and Masculinities in South Africa* explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African 'tradition' that has become a cliché in Eurocentric gender studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in

relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.

**The Bladerunner** Alan E Nourse, 2013-04-12 Billy Gimp was a bladerunner . . . one of the shadowy procurers of illegal medical supplies for the rapidly expanding, nightmare world of the medical black market. Doc was a skilled surgeon at a government-operated hospital by day . . . and an underground physician by night, providing health care for the multitudes who could not - or would not - qualify for legal medical assistance. Trapped by Health Control Police, Billy Gimp knew he had to warn Doc that they were closing in on him. But something even more deadly than the law had already made its first move . . . a new plague that Health Control could not handle!

**Transformers Animated** Jim Sorenson, Bill Forster, 2015-03-04 The Allspark Almanac is a comprehensive, one-of-a-kind atlas to the amazing 2008 animated series universe. Discover behind-the-scenes secrets directly from the show's creators. This volume is packed with over 400-pages of full-color bios, character models, episode summaries, interviews, and more. Collects both original volumes into one book!

**The Biblically Defined Process That Brings Fear of the Enemy Into A Person's Life** Rachel Little Dove, 2009-03-16 This is Volume Two of The WAR ON FEAR

Series. In this book, you will find out what the Bible says about how FEAR originated with mankind. And, you will also see God's foundational solution to FEAR found in the Scriptures. This book was written because we want you learn how to become free from the operation of fear in your life. God Bless you!

The Engagement of Professional Services Barry Butcher, David Coker, 1995

Yvain Chretien de Troyes, Chrétien (de Troyes), 1987-09-10 A twelfth-century poem by the creator of the Arthurian romance describes the courageous exploits and triumphs of a brave lord who tries to win back his deserted wife's love

*Duty and Desire Book Club Edition* Anju Gattani, 2021-01-27 To uphold family honor and tradition, Sheetal Prasad is forced to forsake the man she loves and marry playboy millionaire Rakesh Dhanraj while the citizens of Raigun, India, watch in envy. On her wedding night, however, Sheetal quickly learns that the stranger she married is as cold as the marble floors of the Dhanraj mansion. Forced to smile at family members and cameras and pretend there's nothing wrong with her marriage, Sheetal begins to discover that the family she married into harbors secrets, lies and deceptions powerful enough to tear apart her world. With no one to rely on and no escape, Sheetal must ally with her husband in an attempt to protect her infant son from the tyranny of his family.sion.

**DOWNRIGHT BIZARRE GAMES** Michael Thomasson, 2017-03-14 Downright Bizarre Games pokes fun at the video game industry, an entertainment business that often takes itself much too seriously. This is a hilarious look at the odd side of the industry, from games outside of the norm to bad art and outlandish dialogue. Also featured are unfortunate headlines, marketing fiascos and publicity

stunts gone awry. All these eccentric and strange events are documented within this book which gaming professionals wish had never seen print.

**Guy Laliberté** Ian Halperin, 2009 Laliberte means freedom in French, but Laliberte gives freedom new meaning. This title takes you inside Laliberte's world, followed by over-the-top partying by night. It lets you experience relentless drive of this visionary, his passion for life, the Cirque, and women.

David Cronenberg's Existenz David Cronenberg, 1999 From the award-winning master of new wave horror films comes a mesmerizing new story of the strange and the unexpected. Based on David Cronenberg's screenplay, starring Jennifer Jason Leigh and Willem Dafoe, this is the graphic novel of the movie eXistenZ, drawn by talented graphic artist Sean Scoffield. The story revolves around eXistenZ, a virtual reality game of wild and unpredictable fantasy invented by the gaming goddess, Allegra Geller. Using biotechnic adaptations, her new game is plugged directly into each player's spinal cord. Because the gaming pod has access to the memories, anxieties and preoccupations of its players, the direction each game takes depends entirely on who's playing. The game is so realistic that players often cannot tell which dimension they are inhabiting. While gaming devices plug in at the unveiling of eXistenZ, an assassin tries to kill Allegra Geller with a strange but deadly gristle gun made of human flesh that fires human teeth. In the confusion, Allegra is rescued by bodyguard Ted Pikul, and so begins an adventure in which nothing is what it seems and rival guerrilla factions fight and kill for who will control the dangerously intriguing game of eXistenZ. At stake is the very notion of what we know as the real world. In this disturbingly labyrinthine world of morphing realities, master fantasist

David Cronenberg holds us spellbound as we weave toward the unexpected climactic ending to this tale about the fragility of reality.

## Unveiling the Energy of Verbal Artistry: An Mental Sojourn through **Transformes Ironhide Prototype Truck Paper Model Free Template Download**

In some sort of inundated with monitors and the cacophony of fast transmission, the profound energy and emotional resonance of verbal artistry usually disappear in to obscurity, eclipsed by the regular onslaught of noise and distractions. Yet, situated within the lyrical pages of **Transformes Ironhide Prototype Truck Paper Model Free Template Download**, a fascinating work of fictional splendor that pulses with fresh emotions, lies an remarkable journey waiting to be embarked upon. Composed by a virtuoso wordsmith, this magical opus guides visitors on a psychological odyssey, gently exposing the latent possible and profound affect stuck within the delicate web of language. Within the heart-wrenching expanse of this evocative evaluation, we shall embark upon an introspective exploration of the book is key themes, dissect their interesting writing fashion, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
