Affective Health and Masculinities in South Africa Hans Reihling,2020-04-03 Affective Health and Masculinities in South Africa explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African 'tradition' that has become a cliché in Eurocentric gender studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that

after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.

Antoine of Oregon : A Story of the Oregon Trail James Otis, 1912 Antoine of Oregon : A Story of the Oregon Trail The author of this series of stories for children has endeavored simply to show why and how the descendants of the early colonists fought their way through the wilderness in search of new homes. The several narratives deal with the struggles of those adventurous people who forced their way westward, ever westward, whether in hope of gain or in answer to the call of the wild, and who, in so doing, wrote their names with their blood across this country of ours from the Ohio to the Columbia. To excite in the hearts of the young people of this land a desire to know more regarding the building up of this great nation, and at the same time to entertain in such a manner as may stimulate to noble deeds, is the real aim of these stories. In them there is nothing of romance, but only a careful, truthful record of the part played by children in the great battles with those forces, human as well as natural, which, for so long a time, held a vast 4 portion of this broad land against the advance of home seekers. With the knowledge of what has been done by our own people in our own land, surely there is no reason why one should resort to fiction in order to depict scenes of heroism, daring, and sublime disregard of suffering in nearly every form.

Gunslinger Girl Yu Aida, 2003 Innocence Lost.... Henrietta barely survived a brutal attack that killed her family. Rescued by the Social Welfare Agency, her injuries were repaired with robotic components and she was brainwashed - lost with the memory of her family's death was almost every trace of her own humanity. Today she is an extraordinarily lethal cyborg assassin, obediently working with her handler Giuseppe to carry out her deadly tasks. Despite her conditioning and programming, Henrietta still has the heart of a young girl; she has not completely forgotten how to love. Yet the very emotion is contrary to her training and programming. Can the Gunslinger Girl survive? Can she find peace in a struggle against her very nature?

Costuming Cosplay Therèsa M. Winge, 2018-11-01 Cosplay, short for costume play, has grown from its origins at fan conventions into a billion-dollar global dress phenomenon. Costuming Cosplay takes us from elaborately crafted DIY costumes to online fandoms, examining how the practice of portraying fictional characters from popular culture through dress and performance has become a creative means of expressing and playing with different identities. With an approach that ranges from admiration and role-play to gender performance, this is the first book to fully examine the subculture and costume of the Cosplay phenomenon. Drawing on extensive first-hand research at conventions across North America and Asia, Therèsa M. Winge invites us to explore how Cosplay functions as a meritocracy of creativity, escapism, and disguise, and offers a creative realm in which fantasy and new forms of socializing carry as much importance as costume. Illustrated with color photographs of both celebrity and amateur Cosplayers, Costuming Cosplay is essential reading for students and scholars of fashion and costume, popular culture, anthropology, gender, and media studies, as well as global players and fans of Cosplay.

Reunion Planner Phyllis A. Hackleman, 2009-06 If there is a reunion in your future, whether as the organizer or a helping hand, Reunion Planner is one book you won't want to be without. Reunion Planner leaves nothing to chance. The contents include sections on the following: choosing the proper kind of reunion, recruiting volunteers, selecting the time and place, creating the program, guest speakers, budgeting, notifying the participants and promoting the event, planning meals and decorations, accommodations and transportation, souvenirs and fund raisers, photographers and videographers, building a genealogy, and finishing touches from road signs to thank-you notes and more.

Happiness 6 Shuzo Oshimi, 2017-12-19 A supernatural story of sexual awakening, growing up, and suburban vampirism, Happiness follows a dorky boy who is attacked by a girl in an alley. She sucks his blood and gives him a choice: life or death. He chooses life, but finds himself nearly overwhelmed by a new thirst and a fascination with the necks of his classmates... Praise for Flowers of Evil: A shockingly readable story that vividly--one might even say queasily--evokes the fear and confusion of discovering one's own sexuality. Recommended. -The Manga Critic A page-turning tale of sordid middle school blackmail. -Otaku USA Magazine By loving this manga I recognize what a sick and twisted individual I have become. While I can still say that I am not truly deviant, Flowers of Evil is a great reminder of my own thirst for power and my own personal corruption. -Otaku Champloo

Bride of the Water God Mi-gyŏng Yun, Philip R. Simon, 2007 When Soah's impoverished, desperate village decides to sacrifice her to the Water God Habaek to end a long drought, they believe that drowning one beautiful girl will save their entire community and bring much-needed rain. Not only is Soah surprised to be rescued by the Water God - instead of killed - she never imagined she'd be a welcomed guest in Habaek's magical kingdom, where an exciting new life awaits her! Most surprising, however, is the Water God himself... and how very different he is from the monster Soah imagined.

Mixed Vegetables, Vol. 4 Ayumi Komura, 2013-08-27 Hanayu's finally on her way to becoming a sushi chef...but first she must master the difficult art of radish-peeling. Hayato promises that when Hanayu learns how to peel like a pro, he'll reveal the true reason that his heart belongs to pastries--but the easily frustrated Hanayu has her work cut out for her! Back at school it's a double batch of romance when the two aspiring chefs discover that Matsuzaka, their enigmatic cooking instructor, has a secret admirer... -- VIZ Media

Guy Laliberté Ian Halperin, 2009 Laliberte means freedom in French, but Laliberte gives freedom new meaning. This title takes you inside Laliberte's world, followed by over-the-top partying by night. It lets you experience relentless drive of this visionary, his passion for life, the Cirque, and women.

Song of the Hanging Sky Toriko Gin, 2008-08 Field-medic Jack has seen enough of war. Searching for a quiet place to heal his soul, he finds a wounded young boy...with wings! Nursing the child back to health, Jack realizes that he must be one of the 'birdfolk' of legend. Though they soon become friends, the rest of the boy's tribe isn't so quick to accept the human. In fact, they want him dead!

The Times of Botchan Jirō Taniguchi, Natsuo Sekikawa, 2005 This is the fictionalized version of the life and times of Japanese author Ōtsumi Soseki during an era of great change in Japan from the traditional Edo period into the modern Meiji period (1867 - 1912). Ōtsumi Soseki is considered the Charles Dickens or Mark Twain of Japan. His image even appeared on the 1000 yen note for two decades. He is best known for his novel *Botchan*, on whose times this book is based, and the short *I Am A Cat* which is integrated into these pages. In this third volume we learn of the

love between Army Medical Officer and poet b]gai Mori /b] and the German dancer b]Elise Weigert /b] aka Autumn's Ballerina b]Taniguchi /b] marries talent to a solid script by b]Sekikawa /b] to create a fresco of Japanese society towards the end of the Meiji period as Japan was beginning to open up to the West. What could have been simply an illustrated textbook becomes, in these capable hands, a narrative for adults of great artistic and historical significance.
