Thelwell's Pony Cavalcade Norman Thelwell, 2017-04-17 Little girls. Fat hairy ponies. Hook-nosed riding teachers, riders on backward, and horses gone madly off course. The artist Norman Thelwell published his first pony cartoon in 1953, and quite by accident, his name became synonymous with these kinds of images. The response was instantaneous, he wrote in his autobiography. Suddenly I had fan mail...I dreamed up some more horsey ideas and people went into raptures. The Thelwell pony soon became the most-often referenced source of horse-humor the world over. In 1957, Thelwell's first collection of pony cartoons, *Angels on Horseback*, was published, followed by *A Leg at Each Corner* in '61, and *Riding Academy* in '63. In this Anniversary Special Collection, readers get all three classics, featuring page after page of Thelwell's hilarious cartoons along with his often blisteringly accurate advice for survival in and around the equine herd. Whether audiences open *Pony Cavalcade* out of nostalgia or curiosity, the delightful details of Thelwell's illustrations and timeless wit of his caricatures and asides are a surefire way to change a day for the better, and certain to send a new generation of fat-hairy-pony-lovers out to the barn to test the truths within.

Lame Deer, Seeker of Visions Lame Deer, Richard Erdoes, 1994-10 Lame Deer Storyteller, rebel, medicine man, Lame Deer was born almost a century ago on the Rosebud Reservation in South Dakota. A full-blooded Sioux, he was many things in the white man's world -- rodeo clown, painter, prisoner. But, above all, he was a holy man of the Lakota tribe. *Seeker of Vision* The story he tells is one of harsh youth and reckless manhood, shotgun marriage and divorce, history and folklore as rich today as ever -- and of his fierce struggle to keep pride alive, though living as a stranger in his own ancestral land.

Old-Time Christmas Angels Stickers Maggie Kate, 1997-07-07 Twenty-one delightful interpretations of celestial beauties -- posing pensively with candles and boughs of holly, framed by holiday wreaths, and more.

Paper Cut Owen Gildersleeve, 2014-06 *DIV* Paper Cut is a unique perspective into one of the most exciting fields of contemporary illustration. See their ideas, inspirations and process in 250 full color photos that includes a range of interesting textured colored paper stocks dotted throughout. See exclusive works from designers like Chrissie MacDonald, Hattie Newman, Peter Callesen, Kyle Bean Helen Friel, Rob Ryan, Jeff Nishinaka and more! /div

A Call to Duty David Weber, Timothy Zahn, 2014-09-16 Growing up, Travis Uriah Long yearned for order and discipline in his life . . . the two things his neglectful mother couldn't or wouldn't provide. So when Travis enlisted in the Royal Manticoran Navy, he thought he'd finally found the structure he'd always wanted so desperately. But life in the RMN isn't exactly what he expected. Boot camp is rough and frustrating; his first ship assignment lax and disorderly; and with the Star Kingdom of Manticore still recovering from a devastating plague, the Navy is possibly on the edge of budgetary extinction. The Star Kingdom is a minor nation among the worlds of the Diaspora, its closest neighbors weeks or months away, with little in the way of resources. With only modest interstellar trade, no foreign contacts to speak of, a plague-ravaged economy to rebuild, and no enemies looming at the hyper limit, there are factions in Parliament who want nothing more than to scrap the Navy and shift its resources and manpower elsewhere. But those factions are mistaken. The universe is not a safe place. Travis Long is about to find that out. At the publisher's request, this title is sold without DRM (Digital Rights Management). About *A Call to Duty*: A new series set in the universe of Webers popular heroine Honor

Harrington gets off to a solid start. . . . Cowriters Zahn and Weber do an excellent job alluding to events known to longtime fans. . . . [T]his astronomical adventure is filled with . . . intrigue and political drama. Publishers Weekly About the Honor Harrington series: Weber combines realistic, engaging characters with intelligent technological projection and a deep understanding of military bureaucracy in this long-awaited Honor Harrington novel. Fans of this venerable space opera will rejoice to see Honor back in action. Publishers Weekly . . . everything you could want in a heroine. Excellent. plenty of action. Science Fiction Age Brilliant! Brilliant! Brilliant! Anne McCaffrey Compelling combat combined with engaging characters for a great space opera adventure. Locus Weber combines realistic, engaging characters with intelligent technological projection . . . Fans of this venerable space opera will rejoice . . . Publishers Weekly About Timothy Zahn: Zahn keeps the story moving at a breakneck pace, maintaining excitement. Publishers Weekly [Y]ou can count on Timothy Zahn for three things: clean, sparse prose; good pacing; and great action scenes. The first book in the Cobra War series hits all those marks in admirable style and makes for a quick, entertaining sci-fi novel. Blogcritics [Conqueror's Heritage] is another finely wrought space adventure . . . [with] social, political and emotional complications, all of which Zahn treats with his usual skill. Booklist Zahn paints every detail [in Angelmass] with gleamy realism . . . scientific dialogue that streams with starship hardware and military trooper talk . . . immensely appealing. Kirkus Review

My Little Pony Coloring Book for Kids Coloring Book, 2018-04-09 Welcome to My Little Pony Coloring Book for Kids: Coloring All Your Favorite Characters in My Little Pony (Unofficial My Little Pony Book) This coloring book has 30 detailed My Little Pony related drawings, all are stress relieving patterns that can lead you to a wonderful fantasy world. Pages are perforated and printed on one side only for easy removal and display. Every coloring page is designed to help relax and inspire. Craphound Cory Cory Doctorow, 2018-01-17 Please read the legal notice included in this e-book and/or check the copyright status in your country.

Original Grin Ron English, 2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie Supersize Me; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on The Simpsons secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

Classic My Little Pony Coloring Book Creative Publishing Press, 2019-11-16 - My little pony coloring book for kids, children, toddlers, crayons, adult, mini, girls, Boys, kids of (2-8) ages - 50 classic my little pony coloring book. - Large 8.5 x 11 100 pages. - My little pony jumbo, mini, the movie, giant, oversized gaint, three-in-one, halloween, Christmas coloring book.

The My Little Pony G2 Collector's Inventory: an unofficial full color illustrated guide to the second generation of MLP including all ponies, playsets and

accessories from 1997 to 2003 Summer Hayes, The My Little Pony toys released between 1997 and 2003 have long been shrouded in mystery. This second generation (G2) was unusual and, between a completely different style and a limited run, collectors didn't know what they should be looking for, let alone what they were missing. Information about these collectible toys, released through Hasbro's Kenner Toys arm, was scattered, confused and incomplete. . . until now! With the release of The My Little Pony G2 Collector's Inventory, Summer Hayes has compiled the first illustrated guide of its kind with large, full-color photos detailing all the ponies, playsets and accessories to give many collectors and fans their first look into the lost generation of MLP. With checklists so collectors can keep track of their want lists as well as a price guide for both loose and mint in box sets to help with buying and selling G2 items, Hayes has collected all of the knowledge about this 6 year span together for the very first time. This new release is the perfect companion piece to the G1 and G3 guides from The My Little Pony Collector's Inventory series.

My Little Pony: Friendship is Magic #79 Sam Maggs,2019-07-03 It's the anniversary of the founding of Ponyville—which means it's time for a celebration! With a surprise show in store for Mayor Mare, it's up to Twilight and Apple Bloom to keep the festivities a secret... but that might be hard in a town like Ponyville, where you never know who might show up!

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Junta from Brisvegas Josiah Navarro,2021-10 Josiah Navarro's Junta artwork including contributions from 130+ artists from all over the world.

Water+Ink Coloring Book Winter 2020 Kim Winberry,2019-07-22 I begin my paintings with a sketch and application of colorful/bright pigment and water to the paper. I disrupt the blends with salt or water, watching as one color blossoms in water, as another color starts to travel across the paper. I utilize India Ink to demarcate changes, also adding swirls other artifacts, in the aim to achieve whimsy. My coloring books are my paintings! I run the paintings through filters and drop the color from them, leaving the lines so that you can add your own color. But wait, there's more... I've added an Augmented Reality component to this. Wonder what colors I used for that piece in the corner there? Take out your phone, download the Zappar app from your app store and zap the code. What happens? At the very least an image of the original painting will pop up and you can see what it looks like, side by side with the coloring page. Beyond that, you'll meet Mist, my liaison to the AR world. She will be a recurring character in all my AR work. Stay tuned and enjoy.

Aria the Alicorn Whitney Anderson,2021-12-13 Meet Aria the alicorn, she's a unicorn with wings! Find out what its like to be an alicorn for a day and the life lessons about how

its more fun standing out versus fitting in.
