Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the

war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Inside Delta Force Eric Haney, 2003-07-29 Now the inspiration for the CBS Television drama, The Unit. Delta Force. They are the U.S. Army's most elite top-secret strike force. They dominate the modern battlefield, but you won't hear about their heroics on CNN. No headlines can reveal their top-secret missions, and no book has ever taken readers inside—until now. Here, a founding member of Delta Force takes us behind the veil of secrecy and into the action—to reveal the never-before-told story of 1st Special Forces Operational Detachment-D (Delta Force). He is a master of espionage, trained to take on hijackers, terrorists, hostage takers, and enemy armies. He can deploy by parachute or arrive by commercial aircraft. Survive alone in hostile cities. Speak foreign languages fluently. Strike at enemy targets with stunning swiftness and extraordinary teamwork. He is the ultimate modern warrior: the Delta Force Operator. In this dramatic behind-the-scenes chronicle, Eric Haney, one of the founding members of Delta Force, takes us inside this legendary counterterrorist unit. Here, for the first time, are details of the grueling selection process—designed to break the strongest of men—that singles out the best of the best: the Delta Force Operator. With heart-stopping immediacy, Haney tells what it's really like to enter a hostage-held airplane. And from his days in Beirut, Haney tells an unforgettable tale of bodyguards and bombs, of a day-to-day life of madness

and beauty, and of how he and a teammate are called on to kill two gunmen targeting U.S. Marines at the Beirut airport. As part of the team sent to rescue American hostages in Tehran, Haney offers a first-person description of that failed mission that is a chilling, compelling account of a bold maneuver undone by chance—and a few fatal mistakes. From fighting guerrilla warfare in Honduras to rescuing missionaries in Sudan and leading the way onto the island of Grenada, Eric Haney captures the daring and discipline that distinguish the men of Delta Force.
