The Military Balance 2022 The International Institute for Strategic Studies (IISS), 2022-02-14 Published each year since 1959, The Military Balance is an indispensable reference to the capabilities of armed forces across the globe. It is used by academia, the media, armed forces, the private sector and government. It is an open-source assessment of the military forces and equipment inventories of 171 countries, with accompanying defence economics and procurement data. Alongside detailed country data, The Military Balance assesses important defence issues, by region, as well as key global trends, such as in defence technology and equipment modernisation. This analysis is accompanied by full-colour graphics, including maps and illustrations. With extensive explanatory notes and reference information, The Military Balance is as straightforward to use as it is extensive. The 2022 edition is accompanied by a full-colour wall chart illustrating security dynamics in the Arctic.

The Military Balance 2020 International Institute for Strategic Studies, 2020-02-14 Amid continuing conflict and broadening insecurity, The Military Balance provides essential facts and analysis for decision-makers and for better informed public debate. The Military Balance is widely recognised as the best unclassified source of defense information on personnel, equipment and budgets for every country.

The Military Balance 2019 THE INTERNATIONAL INSTITUTE FOR STRATEGIC STUDIES (IISS), 2019-02-14 The Military Balance is an authoritative assessment of the military capabilities and defence economics of 171 countries. Detailed A-Z entries list each country's military organisation, personnel numbers, equipment inventories, and relevant economic and demographic data. Regional and select country analyses cover the major developments affecting defence policy and procurement, and defence economics. The opening graphics section displays notable defence statistics, while additional data sets detail selected arms orders and military exercises, as well as comparative defence expenditure and personnel numbers. The Military Balance is an indispensable handbook for anyone conducting serious analysis of security policy and military affairs. The International Institute for Strategic Studies, founded in 1958, is an independent centre for research, analysis and debate on the problems of conflict, however caused, that have, or potentially have, an important military dimension. Amid continuing conflict and broadening insecurity, The Military Balance provides essential facts and analysis for decision-makers and for better informed public debate. Because military affairs are inevitably clouded in fog, the IISS Military Balance is an essential companion for those who seek to understand. Radar at Sea Derek Howse,1993-02-09 This book tells in non-technical language how the British Navy contributed to the development of naval radar in World War 2. Addressed to the general reader, it tells not only the technical story in simple terms, but also of the operational use of shipborne radar at sea - for warning, for fire control, for fighter direction, for navigation, in all theatres of war - and particularly about the people who designed and fitted the equipment, and those who used it at sea.

Interim National Security Strategic Guidance President Joseph R Biden,2021-03 We are in the midst of a fundamental debate about the future direction of our world...No nation is better positioned to navigate this future than America. -President Joseph R. Biden, Jr., Interim National Security Strategic Guidance (2021) Interim National Security Strategic Guidance-2021 was issued in March 2021 to convey President Joe Biden's vision for how America will engage with the world, and to provide guidance for US departments while the Biden Administration begins work on a National Security Strategy. This short essay is a good companion to two other reports released during the same period: The Annual Threat Assessment, an annual report of worldwide threats to the national security of the United States, compiled by the US Intelligence Community; and Global Trends 2040-A More Contested World by the National Intelligence Council, which specifically describes long-term global challenges (both available from Cosimo Reports).

Students of national security, policymakers, journalists, and anyone interested in US security will find this report essential reading.

Duty and Desire Book Club Edition Anju Gattani, 2021-01-27 To uphold family honor and tradition, Sheetal Prasad is forced to forsake the man she loves and marry playboy millionaire Rakesh Dhanraj while the citizens of Raigun, India, watch in envy. On her wedding night, however, Sheetal quickly learns that the stranger she married is as cold as the marble floors of the Dhanraj mansion. Forced to smile at family members and cameras and pretend there's nothing wrong with her marriage, Sheetal begins to discover that the family she married into harbors secrets, lies and deceptions powerful enough to tear apart her world. With no one to rely on and no escape, Sheetal must ally with her husband in an attempt to protect her infant son from the tyranny of his family.sion.
