Gareth J. Evans,Bruce Grant

Australia's Foreign Relations Gareth J. Evans,Bruce Grant,1991 Australia's Foreign Relations is a rigorous, lively and comprehensive insider account of how Australian foreign policy works. It runs the full gamut of issues fundamental to Australia's place in, and relationships with, the world. It is aimed at researchers, policy makers and students of international relations, international economics, politics and history.

Special Scientific Report ,1959

Advancement of Assistive Technology George Anogianakis,Christian Bühler,Mathijs Soede,1997 People go traveling for two reasons: because they are searching for something, or they are running from something. Katie’s world is shattered by the news that her headstrong and bohemian younger sister, Mia, has been found dead at the bottom of a cliff in Bali. The authorities say that Mia jumped—that her death was a suicide. Although they’d hardly spoken to each other since Mia suddenly left on an around-the-world trip six months earlier, Katie refuses to accept that her sister would have taken her own life. Distraught that they never made peace, Katie leaves her orderly, sheltered life in London behind and embarks on a journey to find out the truth. With only the entries in Mia’s travel journal as her guide, Katie retraces the last few months of her sister’s life and—page by page, country by country—begins to uncover the mystery surrounding her death. . . . Weaving together the exotic settings and suspenseful twists of Alex Garland’sThe Beachwith a powerful tale of familial love in the spirit of Rosamund Lupton’sSister, Swimming at Nightis a fast-paced, accomplished, and gripping debut novel of secrets, loss, and forgiveness.
