*Story Dash* David Hutchens, 2021-08-24 Storytelling is humanity's oldest way of connecting to others. But for businesses and managers, it can also be a powerful tool to help organizations grow and thrive. A leader's role is to create engagement and belief so that people will act. And there's no more powerful way to grab attention, be remembered, and engage action than by telling stories—about who you are, what you do, and why you do it. Today, “storytelling” is a hot topic in organizations... but most leaders still struggle to act upon it. How do we find and tell our stories quickly, in an environment of urgency where we can hardly pause to catch our breath? For more than a decade Hutchens has tested his method of rapid and strategic story development with innovation teams in Silicon Valley, across global Fortune 100 leadership teams, and more. Hutchens has honed a unique process that is active, potent, and strategically focused . . . and also a lot of fun. In *Story Dash*, Hutchens shares a repeatable process to find, develop, and deploy your “narrative assets”—that is, your urgent core stories that hold value. Even better, he will help you do it FAST; often in less than a day. *Story Dash* will help you to: Access your natural capacity for storytelling Find your stories—and figure out which ones to tell Build your narrative so it lands with unforgettable impact Find your own voice of authentic leadership Bring more of who you are to your teams and your markets Fully illustrated and written in a clear, sharp voice, *Story Dash* shares the fastest way to find lots of stories that will create action around the work you care about most.
