A fascinating and beautifully-written story. –Bradford Washburn \* One of National Geographic Adventure's The 100 Greatest Adventure Books of All Time \* Spring 2013 marks the 100th anniversary of the first ascent of Mount McKinley \* New edition includes a revised preface, new prologue, and new afterword describing more recent winter attempts on McKinley In 1967, eight men attempted North America's highest summit: Mount McKinley (now known as Denali) had been climbed before—but never in winter. Plagued by doubts and cold, group tension and a crevasse tragedy, the expedition tackled McKinley in minimal hours of daylight and fierce storms. They were trapped at three different camps above 14,000 feet during a six-day blizzard and faced the ultimate low temperature of -148° F. Minus 148° is Art Davidson's stunning personal narrative, supplemented by diary excerpts from team members George Wichman, John Edwards, Dave Johnston, and Greg Blomberg. Davidson retells the team's fears and frictions—and ultimate triumph—with an honesty that has made this gripping survival story a mountaineering classic for over 40 years. Minus 148° is featured among many best of reading lists, including National Geographic Adventure's The 100 Greatest Adventure Books of all Time. At twenty-two I came to regard the first expedition to Mt. McKinley in the winter as a journey into an unexplored land. No one had lived on North America's highest ridges in the winter twilight. No one knew how low the temperatures would drop, or how penetrating the cold would be when the wind blew. For thousands of years McKinley's storms had raged by themselves. –Minus 148° This title is part of our LEGENDS AND LORE series. [Click here >](#) to learn more.

**DI RECORD BOOK AH WURL RECORD - 148. Jamaican - Jamaican** OFFICIAL WORLD RECORD TEAM,2024-03-03 THE RECORD BOOK OF WORLD RECORDS The world of literature is excited about the arrival of the first world record book, setting five records at the same time, but there is another amazing achievement to note. This book has managed to enter the Top 10 of the most converted texts of humanity in its first edition, as can be seen in the same WIKIPEDIA that will soon have to integrate this new achievement, something extremely rare in the publishing industry and more on record. world. Books Until now, most translations were done in a maximum of 36 languages, so many languages have for the first time a world record for books worldwide or on all continents. The last book to enter this ranking took 80 years to complete, showing how difficult it is to secure a place in this select group. However, the first modified world record book will enter the Top 10 in its first edition, which is an impressive feat that has left many literary pundits speechless. In addition, this book was also modified to be the third most converted book in the world and the most converted e-book in the world. These achievements testify to the global reach of this work, which was translated into 328 different languages in its first edition, covering 100% of the world's countries. The OFFICIAL WORLD RECORD association, responsible for this impressive achievement, demonstrates its ingenuity and ability to internalize itself in the publishing industry. This organization is one of only two international record keeping associations capable of registering records globally, while the other is a wholly private company. Obtaining its recognition means obtaining a unique and very special prestige and a global category that only a few and the best can achieve or aspire to have in the world. In short, the first book of world records to break five records at the same time in a single book has managed to enter the Top 10 of the most converted texts of humanity in its first edition, an impressive that underlines its importance. And in its global reach. In the world of literature and so that everyone has the opportunity to buy it in their native language, sales will be made through a global book site like AMAZON. This book is a true gem for anyone interested in world records and literature, and a testament to human ingenuity and creativity in achieving extraordinary achievements around the world. The OFFICIAL WORLD RECORD Association is a recognized organization committed to its mission of recording and recognizing world records. The approval of a notarial act by the College of Notaries of the European Union and its recognition as an NGO in the United States and Spain are proof of the seriousness and commitment of the organization. The association has a notarial act approved by the College of Notaries of the European Union, which makes it an official and recognized body in Europe. This act has been approved by the rest of the world's notarial associations through a process called an apostille carried out in The Hague, which makes it the only organization of world registries that is not motivated by partisan or economic interests, like any private company. would do. . In addition, the organization's priorities are to improve the social inclusion of people with some type of disability, the environment and the defense of human rights, as well as just causes and actions.
