*The Boys of Chattahoochee: Sons of the Greatest Generation* Darrell S. Mudd,2016-05-19 The Boys of Chattahoochee: Sons of the Greatest Generation are memories recalled through-the-eyes of Cold War era military veterans. Tested up to and including the extremes of combat leadership in Vietnam, they were taught by one of the finest organizations in the world; the U.S. Army Infantry Officer Candidate School, OCS, at Fort Benning, Georgia. Eleven contributors placed their fingerprints upon these pages. From all parts of the USA they came together as classmates for a

What some might describe as typical sons of the Greatest Generation, you the readers will turn the pages to stories much more than expected as told by this assembly of young American boys turned into leaders of men.

**How to Take Advantage of the People Who Are Trying to Take Advantage of You** Jsb Morse, 2006-10 Would you be interested in making \$20,000 from mere pennies? Have you ever wished you could make money off your credit cards instead of paying the interest on them? Have you ever imagined buying a cross-country flight for the amount it takes to fill up your gas tank? How would you like to make \$180 an hour, or get a top-of-the-line cell phone for free? Do you feel underpaid and underappreciated at work? If these questions strike a chord, you've found the right audiobook. Joseph S. B. Morse, author of *The Evolution Diet*, turns his attention to personal finance in this entertaining and informative book. He reveals how, for centuries, financial institutions like banks, credit cards, retail stores, and even the government have been taking advantage of our natural human tendencies. It's time to reverse that trend and it's time to start taking advantage of the people who are trying to take

advantage of you! In this audiobook, you'll find engaging descriptions of these major economic industries and 50 smart ways to capitalize on the system. Morse isn't talking about scamming the system or doing anything questionably legal, he's suggesting clever, time-tested, and legal techniques to help you maximize the financial benefits from companies you already do business with. You're about to embark on a journey to regain control over your finances and direct you to over \$100,000 in earnings and savings with the peace of mind that you are not being taken advantage of any more.
