The Daily Stoic Ryan Holiday, Stephen Hanselman, 2016-10-18 The beloved classic daily devotional of Stoic meditations—the only authorized print edition in the US and complete with a ribbon marker—with more than two million copies sold! Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. *The Daily Stoic* offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well.

Black Writers of the Founding Era (LOA #366) James G. Basker, Nicole Seary, 2023-12-12 A radical new vision of the nation's founding era and a major act of historical recovery Featuring more than 120 writers, this groundbreaking anthology reveals the astonishing richness and diversity of Black experience in the turbulent decades of the American Revolution Black Writers of the Founding Era is the most comprehensive anthology ever published of Black writing from the turbulent decades surrounding the birth of the United States. An unprecedented archive of historical sources—including more than 200 poems, letters, sermons, newspaper advertisements, slave narratives, testimonies of faith and religious conversion, criminal confessions, court transcripts, travel accounts, private journals, wills, petitions for freedom, even dreams, by over 100 authors—it is a collection that reveals the surprising richness and diversity of Black experience in the new nation. Here are writers both enslaved and free, loyalist and patriot, female and male, northern and southern; soldiers, seamen, and veterans; painters, poets, accountants, orators, scientists, community organizers, preachers, restaurateurs and cooks, hairdressers, criminals, carpenters, and many more. Along with long-famous works like Phillis Wheatley's poems and Benjamin Banneker's astonishing mathematical and scientific puzzles are dozens of first-person narratives offering little-known Black perspectives on the events of the times, like the Boston Massacre and the death of George Washington. From their bold and eloquent contributions to public debates about the meanings of the revolution and the values of the new nation— writings that

dramatize the many ways in which protest, activism, and community organizing have been integral to the Black American experience from the beginning—to their intimate thoughts preserved in private diaries and letters, some unseen to the present day, the words of the many writers gathered here will indelibly alter our understandings of American history. A foreword by Annette Gordon-Reed and an introduction by James G. Basker, along with introductory headnotes and explanatory notes drawing on cutting edge scholarship, illuminate these writers' works and to situate them in their historical contexts. A 16-page color photo insert presents portraits of some of the writers included and images of the original manuscripts, broadside, and books in which their words have been preserved.

He Is Our Hope Anne Watson,2013-11-17 366-day devotional
History Day by Day: 366 Voices from the Past Peter Furtado,2019-08-27 A compelling day-by-day glimpse of highlights from 2,500 years of human history through 366 quotations. History Day by Day presents an original perspective on over two millennia of human history through 366 quotations, one for each day of the year, including leap years. Each quotation, tied to the anniversary of a significant historical event, captures that moment with the immediacy of an eyewitness or the narrative flair of a chronicler. Every day becomes a window to the past: on March 15, 44 BCE, Julius Caesar

falls victim to Brutus and his coconspirators; on May 1, 1851, novelist Charlotte Bront visits London's Great Exhibition; on June 28, 1919, in the Hall of Mirrors at the Palace of Versailles, broken-spirited German delegates sign the treaty that brings World War I to its fateful conclusion; and on September 11, 2001, people across the globe watch in horror as the Twin Towers topple and change the world forever. *History Day by Day* embraces a wide range of voices, moods, and mediums, from the powerful to the impoverished, the revolutionary to the reactionary, the joyful to the grief-stricken, and the eyewitness to the diarist. Both engrossing anthology and informative overview of world history, *History Day by Day* offers readers entertainment and information in equal measure.

Journey 366 Mark Anthony Dagenais, 2010-07-01

Jesus the Harmony Gracia M. Grindal, 2021-04-06 In this one-of-a-kind volume, author and poet Gracia Grindal has written 366 sonnets based on the life and ministry of Jesus to inspire meditation and reflection. Each poem entry is based on a specific biblical connection and relates to a holy day or season. The book's introduction provides historic background on Gospel harmonies, tells the story of how the author created the sonnets, and offers suggestions for using this unique devotional volume. The author describes the project as a holy obsession. Grindal uses a *Harmony of the Gospels* by Johannes Thorbjørnson Ylvisaker (1845-1917) to guide her selection of lessons to set in sonnet form. Traditional lists of texts have been used devotionally by the church over the centuries to tell the story of Jesus. (The reading of the Passion story on Palm/Passion Sunday, for example, is traditionally called a harmony.) Ultimately, the goal is to encourage creative reflection on these texts. The author compares this distinctive collection to work of French painter James Tissot, who painted some

350 paintings depicting the story of Jesus. The poems are written accessibly but often have a twist or metaphor at the end, to cause readers to be moved or surprised and to make connections with the rest of life, the Bible, and the reader's own story. These poems may be used one per day as a devotional meditation, or as readings in sermons, teaching, or worship.

Tozer on the Holy Spirit A. W. Tozer, 2007-09-10 The 366 day devotional, *Tozer on the Holy Spirit* is a true gem. The idea of the Spirit held by the average church member is so vague as to be nearly non-existent. Tozer lays this indictment on the church in the first few weeks of this 366-day devotional on the Holy Spirit. He sees the Holy Spirit as buried dynamite in the modern church. A.W. Tozer discusses a force powerful enough to blow open spiritual pitfalls that plague the stagnant believer but is largely unrealized in today's world. This devotional goes through many of the defining characteristics of the Holy Spirit. Each day emphasizes a building of the believer's internal altar; to hunger and thirst after the Spirit of God. A.W. Tozer simplifies many of the basic aspects of the Christian faith, asserting that there is even no worship without the Holy Spirit. This yearlong devotional will leave you with a greater sense of your place in the Kingdom of God, as well as a fellowship with God's Spirit. After all, we are to enter into the fullness of the Spirit so that God's Son may be glorified in us! Tozer's ability to separate the wheat from the chaff; the lesser from the greater; reflects his great vision of God. - Dr. Erwin W. Lutzer

Day by Day on the Damascus Road William W. McDermet, 2013-06 These 366 reflections contain illustrations for faith and growth, inspiration and Bible study with application. Luke's gospel contains this sentence, "Jesus answered, "You shall love the

Lord your God with all your heart, and ? soul, and ? Strength, and ? mind.?? These reflections build upon those aspects of Christian growth, with emphasis on the ?mind? part?the part we too often neglect. ?Bill McDermet offers those who travel with him on the Damascus Road the bounty of a faithful ministry. Here are probing questions, thoughtful insights and observations, worthy and not-so-worthy examples, words of assurance, and calls to action shared with grace in 366 bit-sized portions.??D. Newell Williams, President of Brite Divinity School, Texas Christian University ?In this heartfelt work, McDermet provides a brief engaging reflection for every day of the year, which points the reader toward God. In sharing personal experiences as well as stories of biblical characters, the writer invites the reader to feel God?s presence and see a loving God?s guidance each day.??Westbow Press
