Mommy Tell Me Nadine Vaughan,2014-04 Mommy Tell Me A Story of Love and Learning Honors mothers everywhere, by encouraging children to listen to their Moms beyond the daily routines and beyond the answers about school work. Many of the special things that Moms do are described in this endearing story, including how hard it is for Mommies to know just what to do sometimes. It encourages children to find out what really matters to your Mommy... besides you of course. Part two tells the warm and wonderful story of the author's Mom, a woman born in the wilds of Florida almost a hundred years ago! Part Three reflects on her stories and honors all Moms in talking about her own mother. All is woven into a heartwarming tapestry of love in a colorful folk art style.

Mommy and Me - How I Came to Be Elizabeth Weiss,2020-04 A sweet and loving story for children about the Mommy & Baby/Child family structure, where a woman chooses to have a child on her own. It lovingly explains to children how a woman can have a child even if there is not a special man in her life. Told by the main character - a young boy around 6 years old - the messages are age-appropriate and positive, delivered in a simple, straightforward fashion, as told from one child to another. Without needing to get into the details of anatomy and avoiding imprecise terminology and metaphors that may confuse children, Ms. Weiss makes clear that help is needed from both a man and woman to make a baby and introduces the concept of a (sperm) donor with sensitivity and appreciation. Honoring how every story is unique and special about how a baby came to be, children will learn: how a woman can have a child even if there is not a special man in her life; how much the main character's mommy wanted and loves him and how there are so many others who love him, too; that there are many different types of family structures and how they all have love in common; and a simple way to respond to the question, Do you have a daddy? Mommy & Me - How I Came to Be is a helpful tool to introduce the mommy & child family structure and vocabulary at an early age, enhancing understanding, trust, love, and sense of belonging, as well as helping establish an open dialogue as children grow older.

Amazing Baby Desmond Morris,2008 Photographs and text follow the first two years of a baby's development, from newborn to toddler.

A Story of YOU Punita Rice,Happy Mom Guide,2019-07-14 The story of A Story of YOU baby bookWhen mom of two Punita Rice (writer of South Asian American Experiences in Schools, Toddler Weaning, and 100 Days of Gratitude) was filling in a page of her younger son's baby book one day, she thought she was going to lose her mind. Because what she wanted was to jot down some notes about what her son liked and disliked at age 1... but the baby book had no room allocated for such matters. Instead, she flipped through ridiculous pages with teeth diagrams and doctor visit records (Because when her son is an adult, maybe a new parent, reading through the baby book his own mom painstakingly made for him, THAT'S what he's going to want to read about in his baby book... Exact dates each tooth emerged, and immunization records. WHAT!?)...and she had to squeeze notes about his favorite books and songs in next to spots designated for descriptions of his dentist's office. (WHAT EVEN ARE THESE BABY BOOK QUESTIONS!?) She decided there has to be a better way.A baby book should not be full of nonsense.Instead, a baby book should just focus on the things that matter in the story of your baby (until they're not a baby anymore... We'll say that's at 13, AND NOT AT AGE 5 THANKYOUVERYMUCH, OLD BABY BOOKS!). A baby book should be a place to record the important stuff from birth until at least 13. And it should be a place to record the memories, celebrations, and firsts (that can be recorded in an intuitive, chronological order) that matter, without a bunch of clutter.A Story of YOU - A Simple Baby Book of the Important Stuff from Birth to Age 13A Story of YOU is the best baby book for new parents. It's simple, and focuses on helping you keep track of the most important stuff from birth to age 13 (when your baby becomes a teen!).Why A Story of YOU is a new kind of baby bookUnlike most baby books that include a ton of confusing and unnecessary pages and prompts, this simple baby book gives you what matters: space for recording your baby's important milestones and favorite things and celebrations and firsts... Without a bunch of filler.This baby book was designed thoughtfully by a teacher and mom of two. She filled out two different kinds of popular baby books for her kids and through both processes thought, WHAT EVEN ARE THESE QUESTIONS AND PAGES!?, before designing what she thinks a baby book should be. And truth be told, even this baby book might not have exactly what every mom or dad is looking for (it's not pizza, it can't please everyone), BUT it comes pretty close.What's InsideHere are some of the kinds of pages in the world's greatest baby book... First days at home with the baby Memories from the first few weeks Two page spreads for each month of the first year, with room for a picture, and likes/dislikes Fun about spreads (to record memories and firsts and information about your child) for EACH year from age 1 to age 13 Birthday celebration pages for every year with a space for a photo And a page for you to write your child a letter each yearWhy you should buy this baby book...Seriously, there's no other baby book out there like this. (I know, I looked.) The perfect baby book for second time parents (first time parents too, definitely, but they might not appreciate just how much better this is, without having suffered through regular baby books first!). Some of that was a little tongue in cheek but for real: Get this baby book for every expecting mom or dad you know. You're welcome.

Story Mama Amy Ruth Henry,2013-10 Tired of parenting books that make you feel like a failure? Story Mama, gleans parenting advice from an unlikely, but delightful place: classic children's literature. Beloved stories like Where the Wild Things Are, The Velveteen Rabbit, and Make Way for Ducklings serve as jumping off points for writer and mom of six, Amy Henry, to inspire you on your motherly journey. Written in short (read: potty-break-sized) vignettes, Story Mama offers both practical suggestions (ie. how to get your kids to eat their broccoli without turning into the Incredible Hulkess) and inspiration for the parenting journey (The Little Engine That Could's 'I think I can, I think I can...'). Always honest, but never preachy, Story Mama is a book that illustrates the beauty of mothering, cataloguing its hilarious missteps, but never missing a chance to bask in the joy of the journey.

Mix Tape Jane Sanderson,2020-01-23 'A lovely novel, delicately drawn, with characters that really linger in the mind . . . I got really swept up in it.' Laura Barnett, author of The Versions of Us You never forget the one that got away. Daniel was the first boy to make Alison a mix tape. But that was years ago and Ali hasn't thought about him in a very long time. Even if she had, she might not have called him 'the one that got away'; after all, she'd been the one to run. Then Dan's name pops up on her phone, with a link to a song from their shared past. For two blissful minutes, Alison is no longer an adult in Adelaide with temperamental daughters; she is sixteen in Sheffield, dancing in her skin-tight jeans. She cannot help but respond in kind. And so begins a new mix tape. Ali and Dan exchange songs - some new, some old - across oceans and time zones, across a lifetime of different experiences, until one of them breaks the rules and sends a message that will change everything... _____ PRAISE FOR MIX TAPE: 'Gorgeous novel about first love . . . guaranteed to make you think of your first love - and perhaps what might have been' Nina Pottell, Prima 'This grown-up love story is gorgeously written and romantic without being sentimental' Good Housekeeping 'Deftly written romantic novel' Red 'Touching, peppily nostalgic love story' Sainsbury's Magazine 'Funny, moving, relatable' Heat 'Fantastic, moving, beautiful novel' Daily Mail 'This tender tale of second chances...is a nostalgic delight' Sunday Mirror 'A brilliantly nostalgic story, with a great sound track' Best Magazine
