Selling Online 2.0 Michael Miller,2009 Unfortunately, recent changes at eBay have made online auctions less reliable and profitable. So where can you sell when you can't sell on eBay? Online auctions are the past; fixed-price selling is the future. It's time to move beyond eBay and first-generation online selling and start Selling Online 2.0. Second generation online selling means migrating from eBay to other online marketplaces, including craigslist, Amazon, and your own e-commerce website. You'll need to make some new plans, learn some new skills, and change some of the things you do--but you'll find that there's more money to be.

Teenage Sex and Pregnancy Mike A. Males,2010-07-15 This detailed, exhaustively documented account shows how and why just about everyone in today's teen pregnancy debate is wrong—often disastrously so. Teenage Sex and Pregnancy: Modern Myths, Unsexy Realities presents a unique view of its subject by analyzing the extensive myths and fears that surround discussion of teenage sex and pregnancy, including their relationship to popular culture, poverty, adult sexual behaviors, and anxieties toward the increasingly public roles of young women. Award-winning author Mike Males argues that today's discussions rely largely on falsehoods and the suppression of crucial realities. His work details a new view of popular culture as a largely beneficial feature of teens' lives and presents a carefully documented analysis demolishing destructive myths about the new girl. Debunking popular arguments, he shows that the teen sex debate is mired in interest-group talking points that ignore difficult realities to advance politically attuned agendas. It's time, he writes, to modernize the discussion, recognizing that teens act in ways consistent with their interests, with the sexual behaviors of adults, and with the school and job opportunities afforded them.
