@78 Angelo del Amore,2016-01-18 This is a true-life inspirational story about a young South African girl, Angelo del Amore, who travelled to Milan two days before her twenty-third birthday for a holiday. Little did she know her entire life was going to change and how much she would inspire and change all those she had met in Milan in a miraculous way. This book is a true fairytale that does not speak about the law of attraction or how the power of positive thought and unconditional love can construct as well as heal in abundance; it merely gives the simple actions of manifestation. Throughout this book you may identify with yourself in every way and be inspired by this Cinderella story and be motivated to follow your heart without question, come what may.
