Inside Major East Asian Library Collections in North America, Volume 2

Patrick Lo, Hermina G. B. Anghelescu, Bradley Allard, 2022-11-25 Volume 2 of Inside Major East Asian Library Collections in North America presents an extensive collection of interviews that give key insights into Chinese, Korean, and Asian American librarianship

Divine Hunger Peggy Reeves Sanday, 1986-07-25 A new approach to understanding the phenomenon of ritual cannibalism through a detailed examination of selected tribal societies demonstrates that the practice is closely linked to people's orientation to the world, and helps distinguish cultural self.

Hell's Gates Paul Collins, 2014-09-01 Alexander Pearce and seven of his fellow convicts escaped from gaol in 1822 into one of the most unique and beautiful places on earth - the Tasmanian wilderness. This classic Australian story details the men's attempt to free themselves from the most isolated of penal settlements in the world, only to find themselves facing hostile natives, impenetrable landscape, and a harrowing fate of violence, murder and cannibalism. Paul Collins' riveting narrative of hardship and desperation, vividly reconstructs this amazing story with a keen eye for the follies of human nature. Now also an awardwinning Australian film with tie-in cover.

A History of Tasmania Lloyd Robson, 1983

Tour to Hell David Levell,2008 Vivid and barely believable stories of courage and foolhardiness in colonial Australia. Tour to Hell tells the riveting and often tragic stories of the convicts who escaped, or tried to escape, Australia's early penal settlements. With the continent a blank slate to the newcomers, a 'convict escape mythology' developed, suggesting sanctuaries in the bush and short overland journeys to other countries. One of the incredible myths that spread was that China was just north of New South Wales, separated only by a large river. Until this mythology swept through the convict ranks, the bush had made a very effective prison wall. Once it did, however, the fear of the unknown became a liberating (but mostly misplaced) faith in the bush. With an engaging and fast-paced narrative, Tour to Hell is Australian history at its rollicking best. It graphically brings to life the adventures of absconding sanctuary-seekers and their opponents.

Among the Cannibals Paul Raffaele,2009-10-06 It's the stuff of nightmares, the dark inspiration for literature and film. But astonishingly, cannibalism does exist, and in Among the Cannibals travel writer Paul Raffaele journeys to the far corners of the globe to discover participants in this mysterious and disturbing practice. From an obscure New Guinea river village, where

Raffaele went in search of one of the last practicing cannibal cultures on Earth; to India, where the Aghori sect still ritualistically eat their dead; to North America, where evidence exists that the Aztecs ate sacrificed victims; to Tonga, where the descendants of fierce warriors still remember how their predecessors preyed upon their foes; and to Uganda, where the unfortunate victims of the Lord's Resistance Army struggle to reenter a society from which they have been violently torn, Raffaele brings this baffling cultural ritual to light in a combination of Indiana Jones-type adventure and gonzo journalism. Illustrated with photographs Raffaele took during his travels, *Among the Cannibals* is a gripping look at some of the more unsavory aspects of human civilization, guaranteed to satisfy every reader's morbid curiosity.

Out Of Ireland Christopher Koch, 2013-05-01 The brilliant companion volume to *HIGHWAYS TO A WAR*. This masterful novel tells the story of a man who suffers exile through fighting for the future of his people. A leader of the Young Ireland rebellion of 1848, Robert Devereaux is an Irish gentleman who is prepared to hazard a life of privilege in the fight for his country's freedom. transported to Van Diemen's land as a political prisoner, he enters a life that greatly changes him, falling in love with a young Irish convict woman. through Kathleen O'Rahilly he comes to know the people he's long romanticised; but his cause, and the life he has lost, will not let him go.'these novels (*Out Of Ireland* and *Highways to A War*) will surely become

Australian classics.' - the Australian's Review of Books'Koch is both painter and poet - an acute observer of detail with a language so distilled in its purity as to create the illusion that the reader is also the observer.' Sydney Morning Herald'that it succeeds so well is mainly because Koch is able to capture that voice - grave, measured, beautifully lucid - so well. An impressive and formidable achievement.' Melbourne Age'When you have read Out Of Ireland and set it aside you will have joined a circle of friends who lived and loved and struggled 150 years ago, and you will wonder how long it will be again before you will be able to pick up and read as great and compelling a book again. I warmly comment Out Of Ireland to you all.' Richard O'Brien, Ambassador of Ireland to Australia
