

Actress

C. W. Gortner

Actress: A Novel Anne Enright,2020-03-03 Longlisted for the 2020 Women's Prize for Fiction One of Time's 100 Must-Read Books of 2020 “A critique, a confession, a love letter—and another brilliant novel from Anne Enright.” —Ron Charles, Washington Post Katherine O’Dell is an Irish theater legend. Every moment of her life is a performance, with her daughter, Norah, standing in the wings. With age, alcohol, and dimming stardom, however, Katherine’s grip on reality grows fitful. Fueled by a proud and long-simmering rage, she commits a bizarre crime. As Norah’s role gradually changes to Katherine’s protector, caregiver, and finally legacy-keeper, she revisits her mother’s life of fiercely kept secrets; and Norah confronts in turn the secrets of her own sexual and emotional coming-of-age. With virtuosic storytelling, *Actress* weaves together two generations of women with difficult sexual histories, touching a raw and timely nerve.

A Star is Born George Tiffin,2015-09-30 Marlene Dietrich, Marilyn Monroe, Catherine Deneuve... Feted, adored and desired, successful movie actresses are icons of modern culture. But what was it that made them true stars? Was it looks, talent, drive, personality – or just plain luck? What was the first captivating image or unforgettable line that etched them indelibly on our collective memory – and transformed the screen actress of the passing movie credit into the screen goddess of eternal legend? In a sequence of elegant pen-portraits, George Tiffin takes a microscope to the movies and the moments that established 75 female icons of cinema. These penportraits are supplemented by quotes, notes and anecdotes, including script excerpts from key scenes. From Oscar-winners to ingénues, and from grande dames to femmes fatales, *A STAR IS BORN* is a seductive celebration of the eternal feminine at the heart of the movie business – and an informal and engaging history of cinema itself.

Autobiography of an Actress Anna Cora Mowatt Ritchie,1854

The First Actress C. W. Gortner,2020-05-26 “This novel about Sarah Bernhardt, the iconic French actress, is both a riveting portrait of the artist as a passionate young woman and a luscious historical novel full of period detail.”—Melanie Benjamin, New York Times bestselling author of *Mistress of the Ritz* and *The Aviator’s Wife* From her beginnings as the daughter of a courtesan to her extraordinary transformation into the most celebrated actress of her era, Sarah Bernhardt is brought to life by an internationally bestselling author praised for his historical novels featuring famous women. Sarah’s highly dramatic life starts when she returns to Paris after her convent schooling and is confronted by her mother’s demand to follow in the family trade as a courtesan. To escape this fate, Sarah pursues a career onstage at the esteemed Comédie-Française, until her rebellious acting style leads to her scandalous dismissal. Only nineteen years old and unemployed, Sarah is forced to submit to her mother’s wishes. But her seductive ease as a courtesan comes to an abrupt end when she discovers she is pregnant. Unwilling to give up her child, Sarah defies social condemnation and is cast adrift, penniless and alone. With her striking beauty and innovative performances in a bohemian theater, Sarah catapults to unexpected success; suddenly, audiences clamor to see this controversial young actress. But her world is torn asunder by the brutal 1870 siege of Paris. Sarah refuses to abandon the ravaged city, nursing wounded soldiers and risking her life. Her return to the Comédie and her tempestuous affair with her leading man plunge Sarah into a fierce quest for independence. Undeterred, she risks everything to become France’s most acclaimed actress, enthraling audiences with her shocking portrayals of female and male characters. Sarah’s daring talent and outrageous London engagement pave her path to worldwide celebrity, with sold-out tours in Europe and America. Told in her own voice, this is Sarah Bernhardt’s incandescent story—a fascinating, intimate account of a woman whose unrivaled talent and indomitable spirit has enshrined her in history as the Divine Sarah.

The Actress Amy Sohn,2015-06-09 Winning a prize for her role in an indie film, Maddy Freed is contracted by a legendary talent manager who casts her in an Oscar-worthy role opposite Steven Weller, a Hollywood heartthrob who she marries after a whirlwind affair in spite of rumors that he is gay. By the author of *Motherland*.

African American Actresses Charlene B. Regester,2010-06-14 Nine actresses, from Madame Sul-Te-Wan in *Birth of a Nation* (1915) to Ethel Waters in *Member of the Wedding* (1952), are profiled in *African American Actresses*. Charlene Regester poses questions about prevailing racial politics, on-screen and off-screen identities, and black stardom and white stardom. She reveals how these women fought for their roles as well as what they compromised (or didn't compromise). Regester repositions these actresses to highlight their contributions to cinema in the first half of the 20th century, taking an informed theoretical, historical, and critical approach.

Leading Ladies Andrea Cornell Sarvady,Turner Classic Movies,2006-03-30 Contains photographs and profiles that examine the lives and careers of fifty actresses of the studio era who empowered women, each with an annotated list of films, style notes, behind-the-scene facts, trivia, and a list of awards and nominations.

Best Actress Stephen Tapert,2019-12-10 Showcasing a dazzling collection of 200 photographs, many of which have never before been seen, this lavishly illustrated book offers a captivating historical, social, and political examination of the first 75 women--from Janet Gaynor to Emma Stone--to have won the coveted and legendary Academy Award for Best Actress.

I Loved Her in the Movies Robert Wagner,Scott Eyman,2016 In a career that has spanned more than sixty years, Robert Wagner has witnessed the twilight of the Golden Age of Hollywood and the rise of television ... During that time he became acquainted, both professionally and socially, with the remarkable women who were the greatest screen personalities of their day. [This memoir] is his ... account of the charisma of these women on film, why they became stars, and how their specific emotional and dramatic chemistries affected the choices they made as actresses as well as the choices they made as women--

I Wanted to Be an Actress - The Autobiography of Katharine Cornell Katharine Cornell,2007-03 PREFACE. THE Author of this very practical treatise on Scotch Loch - Fishing desires clearly that it may be of use to all who had it. He does not pretend to have written anything new, but to have attempted to put what he has to say in as readable a form as possible. Everything in the way of the history and habits of fish has been studiously avoided, and technicalities have been used as sparingly as possible. The writing of this book has afforded him pleasure in his leisure moments, and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general. This section is interleaved with blank sheets for the readers notes. The Author need hardly say that any suggestions addressed to the case of the publishers, will meet with consideration in a future edition. We do not pretend to write or enlarge upon a new subject. Much has been said and written-and well said and written too on the art of fishing but loch-fishing has been rather looked upon as a second-rate performance, and to dispel this idea is one of the objects for which this present treatise has been written. Far be it from us to say anything against fishing, lawfully practised in any form but many pent up in our large towns will bear us out when we say that, on the whole, a days loch-fishing is the most convenient. One great matter is, that the loch-fisher is dependent on nothing but enough wind to curl the water, -and on a large loch it is very seldom that a dead calm prevails all day, -and can make his arrangements for a day, weeks beforehand whereas the stream-fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river, it is quite another matter to arrange for a days river-fishing, if one is looking forward to a holiday at a date some weeks ahead. Providence may favour the expectant angler with a good day, and the water in order but experience has taught most of us that the good days are in the minority, and that, as is the case with our rapid running streams, -such as many of our northern streams are, -the water is either too large or too small, unless, as previously remarked, you live near at hand, and can catch it at its best. A common belief in regard to loch-fishing is, that the tyro and the experienced angler have nearly the same

chance in fishing, -the one from the stern and the other from the bow of the same boat. Of all the absurd beliefs as to loch-fishing, this is one of the most absurd. Try it. Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy, or even a cast similar to those which a crack may be using and if he catches one for every three the other has, he may consider himself very lucky. Of course there are lochs where the fish are not abundant, and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught, and where each has a fair chance. Again, it is said that the boatman has as much to do with catching trout in a loch as the angler. Well, we dont deny that. In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream-fishing...

Halle Berry Michael A. Schuman,2013-01-01 Being thought of as 'a beautiful woman' has spared me nothing in life, says Halle Berry. With her extraordinary beauty, wealth, and an Academy Award for Best Actress, it seems as if Berry has it all. Yet her life has been anything but a fairytale. From the pain of an abusive father to the sting of racism from her peers, Berry emerged as a high achiever, beauty queen, and model. As an actor, her beauty often kept her from being considered for meaningful roles, and it took a while for her to achieve the success she deserved. In 2002, Berry's Academy Award–winning performance in the small-budget art film *Monster's Ball* made history, stirred controversy, and launched her into superstardom. Give your readers a powerful biography of this stellar talent.

American Actress Claudia Durst Johnson,1984

Gwyneth Paltrow Valerie Milano,2000 Gwyneth Paltrow, an actress who followed in the footsteps of her mother, Blythe Danner, is profiled in this biography that looks at her pre-acting days, her rise to stardom as a film actress, and her on-set romances with men such as Brad Pitt. 20 color, 15 bandw photos.

Halle Berry Michael A. Schuman,2013-01-01 Read about Halle Berry's life: from a young child to a model to a world-famous actress--Provided by publisher.

Exit the Actress Priya Parmar,2011-02-01 From the critically acclaimed author of *Vanessa and Her Sister*, the debut novel hailed by New York Times bestselling author Philippa Gregory as “a vivid imagining of the restoration London of Charles II with Nell Gwynn as a powerful and engaging heroine.” While selling oranges in the Theatre Royal, Covent Garden, sweet and sprightly Ellen Nell Gwyn impresses the theater’s proprietors with a wit and sparkle that belie her youth and poverty. She quickly earns a place in the company, narrowly avoiding the life of prostitution to which her sister has already succumbed. As her roles evolve from supporting to starring, the scope of her life broadens as well. Soon Ellen is dressed in the finest fashions, charming the theatrical, literary, and royal luminaries of Restoration England. Ellen grows up on the stage, experiencing first love and heartbreak and eventually becoming the mistress of Charles II. Despite his reputation as a libertine, Ellen wholly captures his heart—and he hers—but even the most powerful love isn’t enough to stave off the gossip and bitter court politics that accompany a royal romance. Telling the story through a collection of vibrant seventeenth-century voices ranging from Ellen’s diary to playbills, letters, gossip columns, and home remedies, Priya Parmar brings to life the story of an endearing and delightful heroine.

Actress in the House Joseph McElroy,2003-04-14 In a darkened theater in New York City, a lawyer named Daley watches with the audience as a young actress, Becca Lang, is struck in the face by her costar. Daley, compelled to meet the actress and to understand what happened onstage, speaks to and forms a relationships with Becca.

Emma Stone Therese M. Shea,2018-07-15 Emma Stone is one of the most sought-after actresses today. After moving to Hollywood at the age of fifteen, she hit it big with comedies like *Superbad* and *Easy A*. Since then, she has branched out, starring on Broadway and earning an Oscar nomination for the musical film *La La Land*. Readers will learn fascinating facts about the star, including how she used acting to overcome panic attacks as well as her work on behalf of cancer-fighting charities. Quotes, fact boxes, and a timeline support the absorbing information in this high-interest volume.

Adamant: The Life and Pursuits of Dorothy McGuire Giancarlo Stampalia, Dorothy McGuire remains one of the most beloved stars of Hollywood. An actress of sincerity, dignity and natural beauty, she graced film, radio, television and theater for nearly half a century, delivering unforgettable performances in such classic movies as *A Tree Grows in Brooklyn* and the suspense thriller *The Spiral Staircase*. Yet no biography has been written about her—until now. *Adamant* is intended not as a definitive biography, but rather as an attempt, which investigates, reveals and examines, with microscopic tenacity, the many facets of McGuire’s personal and professional history, drawing on a wide range of sources, including personal reminiscences of friends, colleagues and family and the author’s own frequentation of the actress. The reasons for the author’s self-deprecating definition of *Adamant* as an attempt hinge on the definition of exactly what one is attempting when one writes a biography. The loose strands of philosophical, literary and spiritual Leitmotifs that are woven through the book’s exploration and culminate in its unusual conclusion make it less a biography than a moral, or alchemical, study of Dorothy McGuire. This loving tribute takes the metaphysical route and makes observations not only about its immediate subject but also about the art of acting, personal evolution and virtues, and, most importantly, the act itself of writing a biography.

I Will be Cleopatra Zoe Caldwell,2002-11 *I Will Be Cleopatra* represents the literary culmination of a legendary theatrical career and a fascinating life.--Jacket.

Margaret in Hollywood Darcy O'Brien,2014-07-01 A novel of a rebellious young actress in the early twentieth century, by the PEN/Hemingway Award–winning author of *A Way of Life*, *Like Any Other*. Back in the days when Shakespeare still meant something to a lot of people, I wanted to be a great dramatic actress. Before I knew it I was in Hollywood . . . So begins this remarkable novel, in which Margaret Spencer tells us of her own journey from the vaudeville stage of the Midwest, to performing as a child in Buenos Aires, through sexual awakenings to Broadway success, and her arrival, against her will, in the Hollywood of 1927. I was only one among numberless hordes of fatherless girls who, with mothers pinching at their elbows, had descended onto Hollywood as the fruit flies on the citrus groves. But Margaret is anything but ordinary. Feisty, lusty, tart-tongued, willing to use her body as well as her brains to stay afloat, Margaret has her mind and heart set on liberation in every sense of the world. She demands freedom—sexual, artistic, and financial—and her battle to achieve it makes her a heroine well ahead of her time. *Margaret in Hollywood* is the tale of a young woman who refuses to be owned and will not be cowed, and whose love of life propels her onward.

Reviewing **Actress**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is really astonishing. Within the pages of "**Actress**," an enthralling opus penned by a highly acclaimed wordsmith, readers embark on an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve into the book's central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.
