**Hollywood** Jill Tietjen,Barbara Bridges,2019-04-26 The year was 1896, the woman was Alice Guy-Blaché, and the film was The Cabbage Fairy. It was less than a minute long. Guy-Blaché, the first female director, made hundreds of movies during her career. Thousands of women with passion and commitment to storytelling followed in her footsteps. Working in all aspects of the movie industry, they collaborated with others to create memorable images on the screen. This book pays tribute to the spirit, ambition, grit and talent of these filmmakers and artists. With more than 1200 women featured in the book, you will find names that everyone knows and loves—the movie legends. But you will also discover hundreds and hundreds of women whose names are unknown to you: actresses, directors, stuntwomen, screenwriters, composers, animators, editors, producers, cinematographers and on and on. Stunning photographs capture and document the women who worked their magic in the movie business. Perfect for anyone who enjoys the movies, this photo-treasury of women and film is not to be missed.

**Me** Katharine Hepburn,2011-10-12 A NEW YORK TIMES Notable Book of the Year “In her book about her life, Miss Hepburn insists that that woman in the movies was not her at all. ‘I’m not going to hide behind you anymore,’ she says. ‘Who are you anyway? You’re not me.’ Sure she is. The woman in the book is cocky, fearless, smart, capable, and human, on screen and off.”—Anna Quindlen, The New York Times Admired and beloved by movie audiences for more than sixty years, four-time Academy Award winner Katharine Hepburn is an American classic and an extraordinary, enduring presence on the international cultural scene. Yet her private life has been obscured by mystery. Now Miss Hepburn breaks her long-kept silence in this absorbing and provocative memoir. With characteristic gusto and candor, Katharine Hepburn reflects on the events, people, and places that have shaped her life—her childhood and family, her early days in New York, and her experiences with political activism. She talks about the ups and downs of her career, her long friendship with Spencer Tracy, and of course, her close collaborations with several of the leading actors, directors, and producers of the past half century. Me is an unforgettable portrait of Katharine Hepburn as we have not seen her before. “It is the understanding heart revealed just before the final curtain that makes us fall in love with Katharine Hepburn.”—The New York Times Book Review NOTE: This edition does not include photographs.

**The Girl who Wanted to be an Actress** Chris Van Wyk,1997 This volume is part of a series of stories featuring a group of friends who have all sorts of exciting adventures. Suitable for the intermediate phase, the stories are written at different levels of ability.

*Audrey: Her Real Story* Alexander Walker,2019-04-25 The definitive guide to a Hollywood legend. Few stars are as loved as Audrey Hepburn, today as much as ever. Beautiful, delicate, graceful - but always warm and natural - she stole our hearts. She was also brave, working tirelessly for UNICEF in the face of her own failing health. in this moving and heartwarming biography Alexander Walker traces the extraordinary combination of luck and talent that allowed a fragile little girl,who nearly died in Hitler's occupied Europe, to conquer, in just one year, the New York stage and the Hollywood screen. Walker analyses her ascent to power and world fame and reveals the sadness of her life: two failed marriages, a broken engagement, and the crushing disappointment that occupied her triumph in My Fair Lady. Most importantly of all, this biography reveals what no one has known until now: the truly terrifying family secret that tore Audrey's childhood apart and kept her forever silent about her parents.

**My Story** Marilyn Monroe,2006-11-25 Written at the height of her fame but not published until over a decade after her death, this autobiography of actress and sex symbol Marilyn Monroe (1926-1962) poignantly recounts her childhood as an unwanted orphan, her early adolescence, her rise in the film industry from bit player to celebrity, and her marriage to Joe DiMaggio. In this intimate account of a very public life, she tells of her first (non-consensual) sexual experience, her romance with the Yankee Clipper, and her prescient vision of herself as the kind of girl they found dead in the hall bedroom with an empty bottle of sleeping pills in her hand. The Marilyn in these pages is a revelation: a gifted, intelligent, vulnerable woman who was far more complex than the unwitting sex siren she portrayed on screen. Lavishly illustrated with photos of Marilyn, this special book celebrates the life and career of an American icon—from the unique perspective of the icon herself.

**Carrie and Me** Carol Burnett,2013-04-09 Despite her busy schedule, Carol Burnett always made time for her three young children. But her oldest daughter, Carrie, faltered in adolescence, losing the self-esteem that had fueled her popularity and success in school and hiding her pain in a downward spiral of addiction. As Carrie became lost to drugs, Carol found herself with a daughter in grave danger and a marriage that was bending under the pressure. Carrie eventually broke free from her addiction. Like her mother, she had a wonderful sense of humor and became a successful actress, singer, and writer, even writing a play about Carol's childhood. But tragedy struck again when Carrie was diagnosed with cancer. She died at the young age of thirty-eight, leaving a legacy of kindness, creativity, and joy along with a short story that mirrors her own journey, published for the first time in this book. In Carrie and Me, Carol Burnett shares her personal diary entries and correspondence revealing her anguish as a mother of a troubled teenager, the epiphanies that helped her help her family, and the grief and then the hope she felt after Carrie's death. Through Burnett's inimitable voice, we get a portrait of an unforgettable young woman that will bring hope to anyone struggling with raising or losing a child.

**Actress: A Novel** Anne Enright,2020-03-03 Longlisted for the 2020 Women's Prize for Fiction One of Time's 100 Must-Read Books of 2020 “A critique, a confession, a love letter—and another brilliant novel from Anne Enright.” —Ron Charles, Washington Post Katherine O’Dell is an Irish theater legend. Every moment of her life is a performance, with her daughter, Norah, standing in the wings. With age, alcohol, and dimming stardom, however, Katherine’s grip on reality grows fitful. Fueled by a proud and long-simmering rage, she commits a bizarre crime. As Norah’s role gradually changes to Katherine’s protector, caregiver, and finally legacy-keeper, she revisits her mother’s life of fiercely kept secrets; and Norah confronts in turn the secrets of her own sexual and emotional coming-of-age. With virtuosic storytelling, Actress weaves together two generations of women with difficult sexual histories, touching a raw and timely nerve.

*The Story of My Life* Dame Ellen Terry,1908

A Story Lately Told Anjelica Huston,2013-11-19 Anjelica Huston’s “gorgeously written” (O, The Oprah Magazine) memoir is “an elegant, funny, and frequently haunting reminiscence of the first two decades of her life...A classic” (Vanity Fair). In her first, dazzling memoir, Anjelica Huston shares the story of her deeply unconventional early life—her enchanted childhood in Ireland, living with her glamorous and artistic mother, educated by tutors and nuns, intrepid on a horse. Huston was raised on an Irish estate to which—between movies—her father, director John Huston, brought his array of extraordinary friends, from Carson McCullers and John Steinbeck to Peter O’Toole and Marlon Brando. In London, where she lived with her mother and brother in the early sixties when her parents separated, Huston encountered the Rolling Stones and Fleetwood Mac. She understudied Marianne Faithfull in Hamlet. Seventeen, striking, precocious, but still young and vulnerable, she was devastated when her mother died in a car crash. Months later she moved to New York, fell in love with the much older, brilliant but disturbed photographer, Bob Richardson, and became a model. Living in the Chelsea Hotel, working with Richard Avedon and other photographers, she navigated a volatile

relationship and the dynamic cultural epicenter of New York in the seventies. A Story Lately Told is an “evocative” (The New York Times), “magically beautiful” (The Boston Globe) memoir. Huston’s second memoir, Watch Me, will be published in November 2014.

**Best Actress** Stephen Tapert,2019-12-10 Ingrid Bergman. Audrey Hepburn. Elizabeth Taylor. Jane Fonda. Meryl Streep. The list of women who have won the coveted and legendary Academy Award for Best Actress is long and varied. Through this illustrious roster we can trace the history of women in Hollywood, from the rise of Mary Pickford in the early 20th century to the #MeToo and Time’s Up movements of today, which have galvanized women across the world to speak out for equal pay, respect, power, and opportunity. This lavishly illustrated coffee table book offers a vital examination of the first 75 women to have won the Best Actress Oscar over the span of 90 years. From inaugural recipient Janet Gaynor to Frances McDormand’s 2018 acceptance speech that assertively brought women to the forefront, Best Actress: The History of Oscar®-Winning Women serves to promote a new appreciation for the cinematic roles these women won for, as well as the real-life roles many of them played – and still play – in advancing women’s rights and equality. Stories range from Bette Davis’ groundbreaking battle against the studio system; to the cutting-edge wardrobes of Katharine Hepburn, Diane Keaton and Cher; to the historical significance of Halle Berry’s victory; to the awareness raised around sexual violence by the performances of Jodie Foster, Brie Larson, and others. Showcasing a dazzling collection of 200 photographs, many of which have never before been seen or published, Best Actress honors the legacies of these revered and extraordinary women while scrutinizing the roadblocks that they continue to overcome.
