Arturo Mora-Rioja

Poetry in English and Metal Music Arturo Mora-Rioja,2023-05-05 Many metal songs incorporate poetry into their lyrics using a broad array of techniques, both textual and musical. This book develops a novel adaptation, appropriation, and quotation taxonomy that both expands our knowledge of how poetry is used in metal music and is useful for scholars across adaptation studies broadly. The text follows both a quantitative and a qualitative approach. It identifies 384 metal songs by 224 bands with intertextual ties to 146 poems written by fifty-one different poets, with a special focus on Edgar Allan Poe, John Milton's Paradise Lost and the work of WWI's War Poets. This analysis of transformational mechanisms allows poetry to find an afterlife in the form of metal songs and sheds light on both the adaptation and appropriation process and on the semantic shifts occasioned by the recontextualisation of the poems into the metal music culture. Some musicians reuse – and sometimes amplify – old verses related to politics and religion in our present times; others engage in criticism or simple contradiction. In some cases, the bands turn the abstract feelings evoked by the poems into concrete personal experiences. The most adventurous recraft the original verses by changing the point of view of either the poetic voice or the addressed actors, altering the vocaliser of the narrative or the gender of the protagonists. These mechanisms help metal musicians make the poems their own and adjust them to their artistic needs so that the resulting product is consistent with the expectations of the metal music culture.

Let Every Heart Prepare Barbara Cawthorne Crafton,1998-10 Based on beautiful seasonal hymns, Crafton's daily meditations on faith, prayer, forgiveness, and healing for Advent and Christmas make an excellent companion for the season. For centuries the words and poetry of our hymns have spoken deeply to us. Many people, in fact, find that what is heard in poetry and music sinks deeper into the soul than does ordinary prose. And so it is to the beautiful seasonal hymns that Barbara Cawthorne Crafton turns for inspiration for daily meditations during the great devotional seasons of the church year: Advent/Christmas.

Silence and Other Surprising Invitations of Advent Enuma Okoro,2012-09-01 Usually when we think of the Advent story, Mary, Joseph, and the angel Gabriel come to mind. Okoro approaches Advent a little differently, inviting us to sit for a while with Zechariah and Elizabeth and the story of how they came to bear their only son, John. The Advent story we so often associate with the joy of Christmas actually begins with deep sorrow and longing. But thankfully, in the kingdom of God, there is always more to the story than meets the eye, Enuma Okoro writes. Zechariah and Elizabeth were good people. They had maintained faith and hope in God for many years, despite Elizabeth's inability to conceive, a condition considered shameful in their time. So they were quite familiar with the universal human experiences of longing and waiting. Even though this couple's story takes up only one chapter in Luke's Gospel, it contains enough lessons about faith and life to last for weeks. In her beautifully written, imaginative meditations for each day of Advent, Okoro looks closely at the doubts and longings of Zechariah and Elizabeth. As you explore their story, Okoro guides you to reflect on your own experiences of waiting and longing, of grief and the need for community, and of hungering for God. These poetic and poignant meditations will linger with you long after Christmas. Reflection questions and a prayer challenge accompany each week's meditations. A perfect book for individual or group study.

*Advent* Fleming Rutledge,2018-09-04 Advent, says Fleming Rutledge, is not for the faint of heart. As the midnight of the Christian year, the season of Advent is rife with dark, gritty realities. In this book, with her trademark wit and wisdom, Rutledge explores Advent as a time of rich paradoxes, a season celebrating at once Christ's incarnation and his second coming, and she masterfully unfolds the ethical and future-oriented significance of Advent for the church.
