*Differential Evolution: From Theory to Practice* B. Vinoth Kumar, Diego Oliva, P. N. Suganthan, 2022-01-25 This book addresses and disseminates state-of-the-art research and development of differential evolution (DE) and its recent advances, such as the development of adaptive, self-adaptive and hybrid techniques. Differential evolution is a population-based meta-heuristic technique for global optimization capable of handling non-differentiable, non-linear and multi-modal objective functions. Many advances have been made recently in differential evolution, from theory to applications. This book comprises contributions which include theoretical developments in DE, performance comparisons of DE, hybrid DE approaches, parallel and distributed DE for multi-objective optimization, software implementations, and real-world applications. The book is useful for researchers, practitioners, and students in disciplines such as optimization, heuristics, operations research and natural computing.

**The Saffron Storm** Saba Naqvi, 2024-02-15 The Bharatiya Janata Party (BJP) enjoys a predominant position in Indian politics today. In its journey from coalition to single-party rule, the BJP has changed as much as India appears to have. Veteran journalist Saba Naqvi tells the story of the party's journey under two very different prime ministers drawn from the same ideological family. In 1998, the author attended the very modest swearing-in ceremony of Atal Bihari Vajpayee in the courtyard of the Rashtrapati Bhavan. In 2014, she was at a mega event at the same venue when Narendra Modi was sworn in. *The Saffron Storm* is both a first-person account of racy events as they unfolded in the nation's history and a work that raises larger analytical points about the BJP's growth. It examines the role of the Rashtriya Swayamsevak Sangh cadre and its equations with elected leaders, the calibration of ideology, the issue of political

finance and the social expansion of the party, as also the cults of personality that would emerge around, first, Vajpayee and then, more forcefully, around Modi. The book provides a riveting account of the party's journey from 'untouchability' (when allies were unwilling to join) to its presumed 'invincibility' today. This updated edition also describes the enforcement agencies' action against the party's opponents, the increasingly centralized command structure of the BJP and the implications of the delimitation exercise due in 2026. The Saffron Storm is a fascinating and readable dive into the contemporary history of the BJP.

*EJFS Episode 3: War of Storms (Elite Justice Force Squad Series)* Michael J. Beasley, 2023-12-25 In the year 2025, four months following the cataclysmic events of Episode Two, a rogue search & recovery operation is carried out by a select faction of Shadow State operatives known as the Storm Renegades commando units. Their objective: locate and retrieve the hidden EJFS strong box, containing a fragment of Vritra's remains buried at sea. The EJFS founder and chief commander, Khali Mehta Sherpa, remains missing after being captured and imprisoned somewhere in Siberia, Russia. The last person to see Khali was his adoptive son, Singh Puneet Sherpa (a.k.a. Leon Evans), who was contacted by impeached and convicted ex-POTUS Kenneth Hill in a threatening phone call, ending with Singh receiving a media message showing Khali strung, bound, and gagged inside a

cargo ship named the Siberia King while en route to Belfast, Northern Ireland. Star EJFS Agent Abhu Dhuval Sandeep (a.k.a. Caleb Porter), now entering his second year since his enlistment into the superagency, supports his grieving best friend as they aim to facilitate the rescue of Khali. Little did they know that Khali is the catalyst to bring about world destruction and extinction to pave the way for the elite tier of society to live a post-apocalyptic life of paradise. Will Abhu, Singh, and the rest of the EJFS find and save Khali and the world before it's too late? ----

-- The story opens with a new rogue group of commandos on a search & recovery operation to locate and retrieve the strongbox containing Vritra's relic with assistance from naval officers in the Arctic Ocean. The strongbox containing the lost fragmented vestige was buried at sea to prevent another dragon apocalypse from imperiling the Earth. Newly inaugurated President Wes Grisham and his cabinet work to avert crises involving the EJFS and numerous foreign nationals based in the UK and Russia. Unbeknownst to the Grisham administration, a mole operative was in their midst and awaited the signal to strike at the most opportune moment. -----

The compromised US Secretary of State, Pamela Harsh, routinely abused her authority for personal and political gain. As a rogue government official aligned with what's remaining of The Shadow State, she reformed new factions of the US military by seeking the assistance of Gordon Crowley, a British national leading the Storm Renegades. The nefarious malefactors work with multiple bad actors to subvert the EJFS on all fronts. The decimated Shadow State faction has been continually operating secretly in a plot to bring back Vritra and use ex-POTUS Kenneth Hill's political prisoner, Khali Mehta Sherpa, as the catalyst for the War of Storms endgame. -----

Impeached and convicted ex-POTUS Kenneth Hill remains exiled at his private London estate during the height of the War of Storms operations. Hill's lust for revenge plagued his mind and influenced his decision-making. Working overseas via encrypted

messaging correspondence, Kenneth Hill seeks the assistance of the former Counterintelligence Response Bureau, James Wade Matthews, while under house arrest in his New York apartment. The Elite Justice Force Squad's intent to bring all the malefactors to face true justice and to get Khali safely home and back with the EJFS was the top priority of the superagency. ----- The grand conclusion of the original EJFS trilogy has arrived as Abhu and his best friend, Singh, lead the charge to locate and rescue Khali after his capture and imprisonment four months prior. Together, they encounter multiple obstacles to liberate the EJFS founder. With the deck stacked against the duo, will Abhu and Singh overcome impossible odds to save Khali and avert world catastrophe again? ----- The journey spans Atlanta, Norfolk, New York City, Belfast, Dublin, London, Moscow, Oblastnaya, Siberia, and Amsterdam.

**Acts** Ajith Fernando,2010-12-21 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. Faith and action: that inseparable link is a golden thread running through Acts. In 2,000 years, one thing hasn't changed: God's heart for lost people. As long as he acts on their behalf, he will call us to play an integral part in his

deeds. Acts lifts us up out of the armchair and spurs us to kingdom action, trusting that God will be with us. Ajith Fernando shares perspectives on the book of Acts that reveal its enduring relevance for our twenty first-century lives. To bring the ancient messages of the Bible into today's context, each passage is treated in three sections: Original Meaning. Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context. Bridging Contexts. A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible. Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique, award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.

**Kingdom Without Borders** Miriam Adeney, 2015-08-10 The twenty-first century has opened with a rapidly changing map of Christianity. While its influence is waning in some of its traditional Western strongholds, it is growing at a phenomenal pace in the global South. And yet this story has largely eluded the corporate news brokers of the West. Layered as it is with countless personal and corporate stories of remarkable faith and witness, it nevertheless lies ghostlike behind the newsprint and webpages of our print media, outside the camera's vision on the network evening news. Miriam Adeney has lived, traveled and ministered widely. She has walked with Christians in and from the far reaches of the globe. As she pulls back the veil on real Christians--their faith, their hardships, their triumphs and, yes, their failures--an inspiring and challenging story of a kingdom that knows no borders takes shape. This is a book that coaxes us out of our comfortable lives. It beckons us to expand our vision and experience of the possibilities and promise of a faith that continues to shape lives, communities and nations.

**Off the Record** Ajith Pillai, 2014-07-25 [Ajith's book] is the first full account I have seen between hard covers which is exclusively about a journalist's adventures and journeys in the field... An extraordinary first rough draft of history?, a portrait of India from the 80s to the present time.? ? Vinod Mehta `Ajith Pillai's account of his journalistic odyssey covers the period of India's Great Transformation from the 1980s to the present. He does so with incisive wit and insight into a breathtaking range of issues. This ought to be a handbook for all aspiring journalists, since Pillai is an enemy of sycophantic corporate ideology and craven submissiveness to wealth and power which characterize most of today's celebritywriters.? ? Jeremy Seabrook, British author and columnist In a journalist's career, the best stories can seldom be published? Veteran journalist Ajith Pillai's colourful

career spanning nearly three decades has taken him from the murky underworld of Bombay to the icy heights of Kargil; yet, the reports he has written are only half the story. Now, for the first time, the 'off-the-record' experiences that never found their way to print are presented in this witty and engaging memoir.

Beginning with a call from a furious Chota Shakeel, Dawood Ibrahim's right-hand man, asking him to retract a story on 'Bhai' or face the consequence, Ajith takes the reader on a journey that sees him guide V.S. Naipaul to meet the 'boys' from the underworld; follow the sensuous Silk Smitha around Bombay on a New Year's eve; witness the first shots of Operation Vijay during the Kargil War; track, along with a colleague, a Brigadier accused of high treason across the country; stumble upon embarrassed Congressmen in Kamathipura, Bombay's red-light district; discover who was actually pulling the strings during Vajpayee's tenure as PM; and coordinate the coverage of the multimillion dollar Scorpene submarine scam and the sensational Radia tapes. Written with Ajith's trademark wry humour, these real stories, often more entertaining than fiction, are a testament to a journalist's life, as well as a comment on the changing nature of the effervescent Indian media.
