

Akita

Barbara Bouyet

American Akita. American Akita Dog Complete Owners Manual. American Akita Book for Care, Costs, Feeding, Grooming, Health and Training. Asia

Moore, George Hoppendale, 2015-07-15 The American Akita Complete Owner's Manual has the answers you need when researching this large and powerful Japanese purebred. Learn about this courageous, bear-like canine and find out whether or not the working Akita will be the best choice for you and your family. Learn everything there is to know, including little known facts and secrets and how to care for every aspect of the American Akita's life. This manual contains all the information you need, from birth to the Rainbow Bridge, including transitioning through house breaking, care, feeding, training and end of life, so that you can make a well-informed decision about whether or not this dog is the breed for you. If you already have a American Akita, this book will teach you everything you need to know to make your dog a happy dog and to make you a happy dog owner. The author George Hoppendale is an experienced writer and a true animal lover. He enjoys writing animal books and advising others how to take care of their animals to give them a happy home. Co-Author Asia Moore is a professional Dog Whisperer, Cynologist and Author, living on Vancouver Island, off the west coast of British Columbia, in Canada, who believes that all humans and dogs can live together in harmony. She and her dog whispering team, which includes an 8-year-old Shih Tzu named Boris, teach dog psychology to humans, to help alleviate problem behaviors that arise between humans and their canine counterparts so that everyone can live a happy and stress-free life together. Covered in this book: - Temperament - Vital statistics - Before you buy - Choosing the right dog - Health - Daily care - Feeding - House training

- Medical care & safety - Grooming - Training - Poisonous Foods & Plants - Caring for your aging dog and much more.

Akita, Treasure of Japan Barbara Bouyet,

The Akita Barbara Bouyet, 1996-10-14 At last, a book about your pet that emphasizes total care, training and companionship! You'll not only learn about the species-specific traits of your special pet, you'll also learn what the world's like from your pet's perspective; how to feed, groom and keep your pet healthy; and how to enjoy your pet through training and activities you can do together. The Akita is written by a breed expert and includes a special chapter on training by Dr. Ian Dunbar, internationally renowned animal behaviorist, and chapters on getting active with your dog by longtime Dog Fancy magazine columnist Bardi McLennan. Best of all, the book is filled with info-packed sidebars and fun facts to make caring for your pet easy and enjoyable.

The Complete Guide to Akitas Erin

Hotovy, 2020-12-22 Author Erin Hotovy teamed up with several top-Akita breeders to create the ULTIMATE book for new Akita owners! The Akita, also known as the Akita Inu, is an ancient spitz breed that is known worldwide for its loyalty and steadfast nature. Akitas have been used for several different purposes throughout the centuries, including hunting, military work, search and rescue, and show-ring work. In 1931, the breed was named a national monument of Japan. These large, powerful dogs tend to be aloof with strangers but are exceptionally affectionate and loyal towards their family members. Akitas are a powerful and dignified breed, but with a strong independent streak that can be too much to handle for some pet parents. While they are unwaveringly loyal towards their family, they can also be aggressive or territorial with other canines. This

book will provide you with clear insight into this breed's history, behavior, and health, as well as delivering actionable tips and tricks that you can use to refine your dog's behavior, both at home and out in public. Covering crucial questions about owning an Akita, including: What temperament does the Akita have? Selecting an Akita pup from a breeder How do I prepare my home for an active Akita pup? Diet and nutrition for the Akita breed Step-by-step instructions for training the Akita dog What is the best way to train and socialize an Akita Inu? While these dogs are exceptionally devoted animals, they are also independent thinkers with strong protective instincts. Early socialization and training are essential to ensure that your active Akita pup develops into a dependable, well-mannered adult Akita. This comprehensive guidebook covers all of the essential information you will need to give your new Akita the best life possible, including: The history of the Akita Inu Adopting an adult Akita What to expect the first few days at home House-training your Akita The importance of Akita socialization and training Best practices for grooming your Akita The travel-savvy Akita—taking your canine companion on the road Proper health and wellness guidance specific to the breed Sharing your life with an Akita ensures that you will always have a devoted companion at your side, ready for adventure—like all dog breeds, however, these exemplary animals have their own unique challenges. The Complete Guide to Akitas is a wide-ranging guidebook that offers you all the tools you need to not only choose the right canine companion for your household, but also to provide your dog with the guidance he needs to grow into a happy, healthy, and well-mannered companion animal. This book is required reading for anyone who is considering adding an Akita to their family!

Akita Barbara J. Andrews, Meg Purnell Carpenter, Meg

Purnell-Carpenter, 2012-01-10 This Comprehensive Owner's Guide to the Akita serves as a complete introduction to the largest of Japan's spitz breeds. Hailing from Land of the Rising Sun, the Akita is officially recognized as a Natural Monument in Japan and regarded by Westerners as a dignified and courageous guardian breed. Written by two of the most influential Akita breeders in the world, Barbara J. (BJ) Andrews of O'BJ kennels and Meg Purnell-Carpenter of Overhill kennels (UK), the book begins with a fascinating and informative chapter on the breed's history in Japan, tracing its development in the U.S. and England a historical path that both authors were instrumental in achieving. The authors continue with chapters on the breed's characteristics and the standard, encapsulating all of the virtues of this handsome, dominant and loyal breed, offering sound advice about which owners are best suited to the breed. New owners will welcome the well-prepared chapter on finding a breeder and selecting a healthy, sound puppy. Chapters on puppy-proofing the home and yard, purchasing the right supplies for the puppy as well as house-training, feeding, and grooming are illustrated with handsome adults and puppies bursting with attitude and personality! In all, there are over 135 photographs in this compact, useful, and reliable volume. The author's advice on obedience training the strong-minded and strong-bodied Akita will help readers better mold and train their dogs into the most socialized, well-mannered dog in the neighborhood. The extensive chapter on healthcare provides up-to-date detailed information on selecting a qualified veterinarian, vaccinations, parasites, infectious diseases, and more. Sidebars throughout the text offer helpful hints, covering topics as diverse as historical kennels, toxic plants, first aid, crate training, carsickness, fussy eaters, and parasite control. Fully indexed.

The Book of the Akita Joan McDonald Brearley,1985

Hachiko Julie Chrystyn,2009-11-01 In 1924, Hachiko was brought to Tokyo by his owner, Hidesaburo Ueno, a professor in the agriculture department at the University of Tokyo. During his owner's life, Hachiko saw him off from the front door and greeted him at the end of the day at the nearby Shibuya Station. The pair continued their daily routine until May 1925, when Professor Ueno didn't return on the usual train one evening. The professor had suffered a stroke at the university that day. He died and never returned to the train station where his friend was waiting. Hachiko was given away after his master's death, but he routinely escaped, showing up again and again at his old home. After time, Hachiko realized that Professor Ueno no longer lived at the house. So he went to look for his master at the train station where he had accompanied him so many times before. Each day, Hachiko waited for Professor Ueno to return. And each day, he didn't see his friend among the commuters at the station. Hachiko became a permanent fixture at the train station, which eventually attracted the attention of commuters. Many of the people who frequented the Shibuya train station had seen Hachiko and Professor Ueno together. Realizing that Hachiko waited in vigil for his dead master, their hearts were touched. They brought Hachiko treats and food to nourish him during his wait. This continued for 10 years, with Hachiko appearing precisely when the train was due at the station. Hachiko: The Story of the Royal Dogs of Japan and One Faithful Akita is Hachiko's story, as well as an informative look at dog culture in Japan and the history and tradition of the Akita-ken, one of the most ancient, beloved, and faithful dog breeds.

Akita Secrets Marc Gillespie,2010-08-18 The Akita is an exceptional breed of dog perfect for any dog enthusiast. They are loyal, alert, lively and very trainable - making

Akita Dog Breed Varda Toussaint,2020-09-15 The Akita is a large and powerful dog breed with a noble and intimidating presence. They were originally used for guarding royalty and nobility in feudal Japan. These dogs also tracked and hunted wild boar, black bear, and sometimes deer. The Akita does not back down from challenges and does not frighten easily. Consequently, they are fearless and loyal guardians of their families. Yet they are also affectionate, respectful, and amusing dogs when properly trained and socialized. This book has the answers you need when researching this large and powerful Japanese purebred. Learn about this courageous, bear-like canine and find out whether or not the working Akita will be the best choice for you and your family. Learn everything there is to know, including little known facts and secrets and how to care for every aspect of the Akita's life. This manual contains all the information you need, including care, feeding, training and end of life, so that you can make a well-informed decision about whether or not this dog is the breed for you. If you already have an Akita, this book will teach you everything you need to know to make your dog a happy dog and to make you a happy dog owner.

Dog Man Martha Sherrill,2008-02-28 Dog Man: An Uncommon Life on a Faraway Mountain is a stunning portrait of the Japanese rebel who single-handedly rescued the 4,000-year-old Akita dog breed. At the end of World War II, there were only 16 Akita dogs left in Japan. Morie Sawataishi became obsessed with preventing the extinction of the 4,000-year-old Japanese dog breed. He defied convention, broke the law, gave up a prestigious job, and

chose instead to take his urbanite wife to Japan's forbidding snow country to start a family, and devote himself entirely to saving the Akita. Martha Sherrill blends archival research, on-site reportage, and her talent for narrative to reveal Sawataishi's world, providing a profound look at what it takes to be an individual in a culture where rebels are rare, while expertly portraying a side of Japan that is rarely seen by outsiders.
