Get Tusked: The Inside Story of Fleetwood Mac's Most Anticipated Album Ken Caillat,Hernan Rojas,2019-11-22 In this behind-the-scenes look at the making of Fleetwood Mac's epic, platinum-selling double album, Tusk, producers and engineers Ken Caillat and Hernan Rojas tell their stories of spending a year with the band in their new million-dollar studio trying to follow up Rumours, the biggest rock album of the time. Following their massive success, the band continued its infamous soap opera when its musical leader and guitarist, Lindsey Buckingham, threatened to quit if he didn't get things his way, resulting in clashes not only with his band but especially Caillat, who had been essential to the band's Grammy-winning sound. Hernan Rojas's story recounts a young man who leaves Chile after General Pinochet's coup to seek his future in the music industry of Los Angeles, where he finds success at one of the hottest studios in town. When Fleetwood Mac arrives, Rojas falls in love with its star singer, Stevie Nicks, and the two of them become romantically involved. Throughout the book, both Caillat and Rojas detail not only the trials and sacrifices they made to finish the album, but also triumphs of musical inspiration and technical innovation that have made Tusk the darling of music critics and indie rockers today.

The Outlaw Album Daniel Woodrell,2011-10-05 Twelve timeless Ozarkian tales of those on the fringes of society, by a stunningly original American master (Associated Press). Daniel Woodrell is able to lend uncanny logic to

harsh, even criminal behavior in this wrenching collection of stories. Desperation-both material and psychological -- motivates his characters. A husband cruelly avenges the killing of his wife's pet; an injured rapist is cared for by a young girl, until she reaches her breaking point; a disturbed veteran of Iraq is murdered for his erratic behavior; an outsider's house is set on fire by an angry neighbor. There is also the tenderness and loyalty of the vulnerable in these stories -- between spouses, parents and children, siblings, and comrades in arms-which brings the troubled, sorely tested cast of characters to vivid, relatable life. And, as ever, the music coming from Woodrell's banjo cannot be confused with the sounds of any other writer-Donald Harington, Atlanta Journal Constitution Twelve timeless Ozarkian tales of those on the fringes of society, by a stunningly original-Associated Press, American master.

Tell Me a Story Cassandra King Conroy, 2019-10-29 "Tell Me A Story is breathtakingly tender, heartbreakingly true...The best memoir I've read." – Mary Alice Monroe, New York Times bestselling author of The Beach House Reunion Bestselling author Cassandra King Conroy considers her life and the man she shared it with, paying tribute to her husband, Pat Conroy, the legendary figure of modern Southern literature. Cassandra King was leading a quiet life as a professor, divorced "Sunday wife" of a preacher, and debut novelist when she met Pat Conroy. Their friendship bloomed into a tentative, long-distance relationship. Pat and Cassandra ultimately married, ending Pat's long commutes from coastal South Carolina to her native Alabama. It was a union that would last eighteen years, until the beloved literary icon's death from pancreatic cancer in 2016. In this poignant, intimate memoir, the woman he called King Ray looks back at her love affair with a natural-born storyteller whose lust for life was fueled by a passion for literature, food, and the Carolina Lowcountry that was his home. As she reflects on their relationship and the eighteen years they spent together, cut short by Pat's passing at seventy, Cassandra reveals how the marshlands of the South Carolina Lowcountry ultimately cast their spell on her, too, and how she came to understand the convivial, generous, funny, and wounded flesh-and-blood man beneath the legend—her husband, the original Prince of Tides.

Story of a Life Elspeth Hart, Sandy Chapin, Josh Chapin, 2012-11-04

The Stanford Album Margo Baumgartner Davis, Roxanne Nilan, 1989 The Stanford Album brings together some 600 photographs, largely unpublished, and an interpretive text to tell the story of the community life of Stanford University from the University's creation in 1885 through the Second World War. It is a fitting coincidence that at the same time Stanford is celebrating its Centennial Years (1985-91), the art of photography has reached its own anniversary of 150 years since the birth of the daguerreotype. The founders of the university, Jane and Leland Stanford, sat for their wedding portraits in 1850, and these daguerreotypes were just the beginning of the Stanfords' fascination with patronage of the new art form. Leland Stanford's perception of the value of the camera as a medium of documentation resulted in a superb pictorial record of the planning, construction, and dedication of the university, some of which is reproduced in The Stanford Album. By the turn of the century, technical advances in photography made possible the small, handheld camera, and at Stanford the snapshot image of campus

life began to proliferate. Commercial photographers mainly concentrated on athletic events, drama productions, student parades, and other campus rituals; students who owned cameras intruded everywhere with the mysterious little boxes--into dormitories, fraternities and sororities, classrooms, dances, picnics, and beer busts. The book revisits a bygone Stanford. Through the magic of the camera lens, a vanished world of college life comes alive again, and we can see the community that existed yesterday under the same arcades where those at Stanford today study, work, and stroll.

The White Album Joan Didion, 2017-05-09 New York Times Bestseller: An “elegant” mosaic of trenchant observations on the late sixties and seventies from the author of *Slouching Towards Bethlehem* (The New Yorker). In this landmark essay collection, Joan Didion brilliantly interweaves her own “bad dreams” with those of a nation confronting the dark underside of 1960s counterculture. From a jailhouse visit to Black Panther Party cofounder Huey Newton to witnessing First Lady of California Nancy Reagan pretend to pick flowers for the benefit of news cameras, Didion captures the paranoia and absurdity of the era with her signature blend of irony and insight. She takes readers to the “giddily splendid” Getty Museum in Los Angeles, the cool mountains of Bogotá, and the Jordanian Desert, where Bishop James Pike went to walk in Jesus’s footsteps—and died not far from his rented Ford Cortina. She anatomizes the culture of shopping malls—“toy garden cities in which no one lives but everyone consumes”—and exposes the contradictions and compromises of the women’s movement. In the iconic title essay, she documents her uneasy state of mind during the years leading up to and following the Manson murders—a terrifying crime that, in her memory, surprised no one. Written in “a voice like no other in contemporary journalism,” *The White Album* is a masterpiece of literary reportage and a fearless work of autobiography by the National Book Award-winning author of *The Year of Magical Thinking* (The New York Times Book Review). Its power to electrify and inform remains undiminished nearly forty years after it was first published.

Stories to Tell Richard Marx, 2022-07-12 In *Stories to Tell*, Marx uses this same engaging, straight-talking style to look back on his life and career. He writes of how Kenny Rogers changed a single line of a song he'd written for him then asked for a 50% cut --which inspired Marx to write one of his biggest hits. He tells the uncanny story of how he wound up curled up on the couch of Olivia Newton-John, his childhood crush, watching *Xanadu*. He shares the tribulations of working with the all-female hair metal band Vixen and appearing in their video. Yet amid these entertaining celebrity encounters, Marx offers a more sobering assessment of the music business as he's experienced it over four decades -- .

Family Album Gabriela Alemán, 2022-05-17 Finalist for the Republic of Consciousness Prize *Family Album* is Ecuadorian author Gabriela Alemán’s rollicking follow-up to her acclaimed English-language debut, *Poso Wells*. Alemán is known for her spirited and sardonic take on the fatefully interconnected—and often highly compromised—forces at work in present-day South America, and particularly in Ecuador. In this collection of eight hugely entertaining short stories, she teases tropes of hardboiled detective fiction, satire, and adventure narratives to recast the discussion of national identity. A muddy brew of pop-culture and pop-folklore yields

intriguing, lesser-known episodes of contemporary Ecuadorian history, along with a rich cast of unforgettable characters whose intimate stories open up onto a vista of Ecuador's place on the world stage. From a pair of deep-sea divers using Robinson Crusoe's map of a shipwreck to locate sunken treasure in the Galápagos Archipelago, to a night with the husband of Ecuador's most infamous expat, Lorena Bobbitt, this series of cracked "family portraits" provides a cast of picaresque heroes and anti-heroes in stories that sneak up on a reader before they know what's happened: they've learned a great deal about a country whose more well known exports—soccer, coffee and cocoa—mask an intriguing national story that's ripe for the telling. One of The Millions Most Anticipated Books for 2022! Ecuadorian writer Alemán's sparkling collection (after the novel Poso Wells) brims with humor and adventure.—Publishers Weekly Plays with tropes ranging from the Robinson Crusoe story to the classic betrayed-wife setup to wrestle with the impossible-to-decode oddness of human life, which old stories can only hide for so long.—Lily Meyer, NPR It takes a rare and talented writer to create a cast of characters who each feel so unique, distinct, and whose stories unravel unexpectedly while also feeling inevitable, exactly right. Thoughtful and subversive, with Family Album, Alemán has given us a gift.—Jean Kyoung Frazier, author of Pizza Girl Divers, adventurers, wrestlers, athletes: a diverse array of people come to light in these stories to insist again and again in challenging the weight of the written letter. Gabriela Alemán's stories inhabit the past to work through its possible versions. Her characters understand that History is a form of desire and the truth is not a house but a patina covering a place that has ceased to exist.—Yuri Herrera, author of A Silent Fury: The El Bordo Mine Fire Gabriela Alemán's stories unravel a rich and intriguing universe in which nothing, and no one, is what it seems.—Pilar Quintana, author of The Bitch These stories are like lizards lying on rocks in the sun. When you try to pick one up it darts away and disappears. Sometimes a tail comes off in your hand or the thing bites your fingers and drops of blood decorate the rock. Best read while listening to Julio Jaramillo sing 'Amor sin Esperanza' and 'Hojas Muertas.'—Barry Gifford, author of Sailor & Lula: The Complete Novels Gabriela Alemán writes beautiful, sly, enigmatic stories originating in a rogues gallery of real life legends, including El Santo and John Wayne Bobbitt, as well as lesser known and invented souls, all of them struggling against the silent—or is it hostile?—backdrop of Ecuador's past and present. Family Album is a mordantly funny and haunting collection.—Zachary Lazar, author of Vengeance

Words & Music Philip Gerard, 2023-09-26 ONE RAINY AFTERNOON, sixth grader Philip Gerard sat down and made a list of ten things he wanted to do: Go to Alaska. Write a book. Sail the ocean. And so forth. A virtual outline of a life. The legendary writer would check off most items during his lifetime, some many times over. But Number Ten remained elusive, a quest unfulfilled: Make a record album. Gerard had only been learning to play his first instrument, the guitar, when he made the list. Song-writing was well in his future. Yet he knew why this quest called him. I couldn't imagine a fuller expression of my own identity than putting words with music, of making a record, in every sense of the word, of the songs in my head. Even before I had ever written any songs, this seemed true. Years passed and his experiences added up. Country-wide travels. Books and more books. Literary honors piled

on top of one another. Teaching and mentorships. Songs and more songs. Gigs and more gigs. Half a century after jotting down his list, he would begin the album of a lifetime. He and a cadre of top musicians headed into the studio and on tour with fifteen of his songs. The acclaimed American Anthem emerged. So, too, would this memoir of how it all happened. How life happened. Written shortly before his passing, it is, in a sense, not one book but three. Gerard has left us the story of an album, the story of a literary life, and the inspiring story of a dream finally made real.

A Love Supreme Ashley Kahn, 2003-10-28 Few albums in the canon of popular music have had the influence, resonance, and endurance of John Coltrane's 1965 classic *A Love Supreme*-a record that proved jazz was a fitting medium for spiritual exploration and for the expression of the sublime. Bringing the same fresh and engaging approach that characterized his critically acclaimed *Kind of Blue: The Making of the Miles Davis Masterpiece*, Ashley Kahn tells the story of the genesis, creation, and aftermath of this classic recording. Featuring interviews with more than one hundred musicians, producers, friends, and family members; unpublished interviews with Coltrane and bassist Jimmy Garrison; and scores of never-before-seen photographs, *A Love Supreme* balances biography, cultural context, and musical analysis in a passionate and revealing portrait.

Telling Stories, Writing Songs Kathleen Hudson, 2010-07-05 Willie Nelson, Joe Ely, Marcia Ball, Tish Hinojosa, Stevie Ray Vaughan, Lyle Lovett...the list of popular songwriters from Texas just goes on and on. In this collection of thirty-four interviews with these and other songwriters, Kathleen Hudson pursues the stories behind the songs, letting the singers' own words describe where their songs come from and how the diverse, eclectic cultures, landscapes, and musical traditions of Texas inspire the creative process. Conducted in dance halls, dressing rooms, parking lots, clubs-wherever the musicians could take time to tell their stories-the interviews are refreshingly spontaneous and vivid. Hudson draws out the songwriters on such topics as the sources of their songs, the influence of other musicians on their work, the progress of their careers, and the nature of Texas music. Many common threads emerge from these stories, while the uniqueness of each songwriter becomes equally apparent. To round out the collection, Hudson interviews Larry McMurtry and Darrell Royal for their perspectives as longtime friends and fans of Texas musicians. She also includes a brief biography and discography of each songwriter.

An Iowa Album Mary Bennett, 2001-02 This work invites the reader to travel through 60 years of Iowa history, between 1860 and 1920, and to view the state in turn-of-the-century glory. Lavish illustrations show harvest times, main streets, children playing, and leisure activities of the time - warmly redolent of a time gone by.
