This book delivers on a variety of levels. A slow burn, friends to lovers story. The plot is intricate, intimate, and all consuming. The couple's passion burns through the pages." –Jenna's Historical Romance Reviews "This book has pretty much reduced me to describing it in one-word sentences. RAWR. YUM. YES!! SWEET. MORE... Livy and Ben together were ***swoon***. I really couldn't get enough of them. The writing, as always with Grace Callaway, was beautiful, heartfelt, and full of emotion. Every time I read something she writes, I can feel it completely. The storyline was fantastic, and I was captivated from

beginning to end.” -Candace, BookBub “Olivia and Ben are so wonderful together. It is rare to find a match where the H & h share such a deep bond.... This book has it all—lead characters you truly love, fabulous side characters, murder, mystery, action, and a generous helping of steam and romance!” - Nazmin, Goodreads “Ben and Olivia’s friendship is detailed through the years, and you can’t help falling in love with them and rooting for a happy ending. There’s a mystery that finally helps bring Ben and Olivia together (I don’t want give out any spoilers). There are some hot scenes between the two and lots of ups and downs in their relationship. If you love great character development, mystery, and a hot love story then this book is for you.”-Rhonda, Goodreads “Despite the age gap, Ben and Livy’s friendship is so natural. Their friendship never feels awkward and the transition from friends to lovers is done tastefully (and steamily). Grace Callaway is always reliable when it comes to writing romances that are both romantic and steamy.” -Romance Library “Get out the high velocity fan because you will need it while reading this story. It is hotter than hot, I am not kidding. I love a tortured hero and if you do also, then grab this story right away...I love how Grace can pull you into the story of these

characters and make you feel as if you are there with them. I was totally enthralled with reading, and I swear I felt as if I was in their dilemma. Astounding storytelling.” -Angela, Goodreads
