Alec William di Canzio,2021-07-06 William di Canzio's Alec, inspired by Maurice, E. M. Forster's secret novel of a happy same-sex love affair, tells the story of Alec Scudder, the gamekeeper Maurice Hall falls in love with in Forster's classic, published only after the author's death. Di Canzio follows their story past the end of Maurice to the front lines of battle in World War I and beyond. Forster, who tried to write an epilogue about the future of his characters, was stymied by the radical change that the Great War brought to their world. With the hindsight of a century, di Canzio imagines a future for them and a past for Alec—a young villager possessed of remarkable passion and self-knowledge. Alec continues Forster's project of telling stories that are part of "a great unrecorded history." Di Canzio's debut novel is a love story of epic proportions, at once classic and boldly new.

Alec J. Demetrio Nicolo,2017-01-26 ALEC is the story of a man as seen through the eyes of his only son. Alec emigrated with his mother from Italy to the United States when he was a teenager. When he arrived, his father returned to Italy leaving him to fend for himself and take care of his mother. He didn't speak the language, had a very limited education and no financial resources. Despite these drawbacks, he toiled to make a better life for himself, his mother, wife and three children. Along the way he adopted many new American customs, but he never abandoned his culture nor did he forget those fond memories of his homeland. He never forgot where he came from.

Alec L.A. Casey,2018-12-19 Keela Daley é a ovelha negra da família. Ela sempre ficou em segundo lugar em relação à sua prima mais nova, Micah. Mesmo aos olhos de sua mãe, Micah brilhava, e Keela desaparecia por completo. Agora, na idade adulta, Micah é uma futura noiva e os holofotes são exclusivamente para ela. Keela é uma prioridade baixa... ou, pelo menos, é isso que ela pensa. Alec Slater é um solteirão assumido, nunca dorme duas vezes com a mesma mulher – ou homem. Ele é livre para fazer o que lhe agrada, sem dar satisfações; Isso, até que uma ardente ruiva irlandesa, com um temperamento combinando com a cor do seu cabelo, lhe dá um nocaute. Literalmente. Keela odeia admitir, mas precisa de um favor do generoso irmão Slater, um grande favor. Ela precisa dele para não apenas acompanhá-la ao casamento de Micah, mas também para fingir ser seu namorado. Alec concorda em ajudá-la, mas com certas condições para ela cumprir. Ele quer seu corpo e planeja tê-lo antes que os noivos digam aceito. O que ele não planejava era perder o coração, bem como a possibilidade de perder sua família quando alguém de seu passado ameaça seu futuro. Alec possui Keela, e o que Alec

possui, Alec mantém.

The Life and Adventures of Kate and Alec Leigh Clarke, 2013-09-27 Clarke's latest work unfurls to a story of romance where a couple born of the west and educated as journalists find life together in love of investigative and photojournalism. Their adventures take them around the world and back to the valley in the west where the Blue Mountains in the distance welcome them. It is a tale of Kate growing up in a western valley where she meets Alec as a new member of the high schools jazz band transferring from a private school. She realizes he is the young boy she knew in grade school and the one from the rich family who lived in the large stone house on the bluff south of town. They graduate and go off in different directions with their journalism degrees, travelling the world and receiving merit for their work. They meet again and fall in love. The story covers the valley in the west from the time of pioneers and their families, both of their pioneer blood, the journalistic work of both Kate and Alec, their engagement, her kidnapping, and many more adventures along the way.

Maurice and Alec in America Fred Carrier, 2005-04-01 Raised From The Dead offers the reader a fresh look into the two-millennium old message of Redemption through Jesus Christ. It takes the reader beyond mere religious conformity and morality to the essence of the gospel's message, the resurrection of persons from death to life by the power of God. Overcoming the Death begins as a spiritual work while we are still on earth. It is evidenced by the illumination of the mind and the transformation of the heart towards both God and Man. From these we are able to know what we could not have known, be what we could not have been, and do what we could not have done, left to our own religious invention. Knowing God in this life is true participation in the divine nature. The better we understand this the more likely we will grow up to become spiritually mature. Raised From the Dead is a dialogue aimed at providing spiritual direction and inspiration to the reader who seeks to intimately know God. Some 280 scripture passages with over 1,000 verses are referenced. Raised From the Dead bridges the mind and heart into a unified expression of true faith, hope and love in Jesus Christ.

For the Love of Alec Kai Greene, 2017-07-27 Christina Miller is the very definition of an ugly duckling that graced into a beautiful swan. She's intelligent, ambitious and has a heart of gold; but also, a secret. She's in love with her best friend Alec Devereux. Alec Devereux is an intelligent, successful attorney, and he is also handsome as sin. He can get any woman he wants and he usually does. Since his heart suffered a major break, he prefers

no strings attached sex and stays away from any kind of commitment; and being one of the top divorce attorneys in the city doesn't make his outlook much brighter. Alec and Christina have always been friends ever since fate struck its hand one day in high school. Through the years their friendship bloomed into something irreplaceable. Everything could hang in the balance when Alec makes Christina an offer she may not be able to refuse. Christina may risk it all for the love she has always wanted. But in the end, will it win her the love of her life, or will she suffer with a broken heart?

Letters I Never Mailed Alec Wilder, David Demsey, 2005 Letters I Never Mailed: Clues to a Life, by Alec Wilder, in a new, annotated edition with introduction and supplementary material by David Demsey, foreword by jazz pianist Marian McPartland, and photographs by Louis Ouzer. Letters I Never Mailed: Clues to a Life, by Alec Wilder, in a new, annotated edition with introduction and supplementary material by David Demsey, foreword by jazz pianist Marian McPartland, and photographs by Louis Ouzer. Alec Wilder is a rare example of a composer who established a reputation both as a prolific composer of concertos, sonatas, and operas, and as a popular songwriter [including the hit I'll Be Around]. He was fearfully articulate and had a wide and varied circle of friends ranging from Graham Greene to Frank Sinatra and Stan Getz. Letters I Never Mailed, hailed at its first publication [in 1975, by Little, Brown], tells the story of Wilder's musical and personal life through unsent letters addressed to various friends. In it, he shares his insights -- and sometimes salty opinions -- on composing, musical life, and the tension between art and commercialism. This new, scholarly edition leaves Wilder's original text intact but decodes the mysteries of the original through an annotated index that identifies the letters' addressees, a biographical essay by David Demsey, and photographs by renowned photographer and lifelong friend of Wilder, Louis Ouzer. David Demsey is Professor of Music and coordinator of jazz studies at William Paterson University and an active jazz and classical saxophonist. He is co-author of Alec Wilder: A Bio-Bibliography [Greenwood Press] and has contributed to The Oxford Companion to Jazz.

Wish Lanterns Alec Ash, 2016-06-02 As read on BBC Radio 4 Book of the Week. This is the generation that will change China. The youth, over 320 million of them in their teens and twenties, more than the population of the USA. Born after Mao, with no memory of Tiananmen, they are destined to transform both their nation and the world. These millennials, offspring of the one-child policy, face fierce competition to succeed. Pressure starts young, and their road isn't easy. Their stories are also like those of young people all over the world: moving out of home, starting a career, falling in love. *Wish Lanterns* follows the lives of six young Chinese. Dahai is a military child and netizen; 'Fred' is a daughter of the Party. Lucifer is an aspiring superstar; Snail a country migrant addicted to online games. Xiaoxiao is a hipster from the freezing north; Mia a rebel from Xinjiang in the far west. Alec Ash, a writer in Beijing of the same generation, has given us a vivid, gripping account of young China as it comes of age. Through individual stories, *Wish Lanterns* shows with empathy and insight the challenges and dreams that will define China's future global impact.
