All Sorts Pippa Goodhart,2021-03-02 Organizing is Frankie's favorite thing to do in the whole wide world. She is good at sorting different sets of flowers, she is great at classifying the contents of the fridge, and she even attempts to put the people on her street into groups (which is hard!). But the one thing Frankie cannot seem to sort . . . is herself! Where does one little girl belong in a world of endless colors, shapes, and sizes? From bestselling author Pippa Goodhart and illustrator Emily Rand, join Frankie in her search for her perfect place in the world . . . and discover that it's the mixed up, muddle of life that brings us all together.

All Sorts and Conditions of Men Walter Besant,1882 The ten years' partnership of myself and my late friend Mr. James Rice has been terminated by death. I am persuaded that nothing short of death would have put an end to a partnership which was conducted throughout with perfect accord, and without the least difference of opinion. The long illness which terminated fatally on April 25th of this year began in January of last year. There were intervals during which he seemed to be recovering and gaining strength; he was, indeed, well enough in the autumn to try change of air by a visit to Holland; but he broke down again very shortly after his return: though he did not himself suspect it, he was under sentence of death, and for the last six months of his life his downward course was steady and continuous. Almost the last act of his in our partnership was the arrangement, with certain country papers and elsewhere, for the serial publication of this novel, the subject and writing of which were necessarily left entirely to myself.

All Sorts of Lives Claire Harman, 2023-01-05 ** The Sunday Times Best Literary Book of 2023** ** A Waterstones Best Book of 2023** 'All Sorts of Lives is a beautiful, fastidiously researched and fascinating exploration of Mansfield's life and work' A.L. KENNEDY Restless outsider, masher-up of form and convention, Katherine Mansfield's career was short but dazzling. She was the only writer Virginia Woolf admitted being jealous of, yet by the 1950s was so undervalued that Elizabeth Bowen was moved to ask, 'Where is she – our missing contemporary?' In this inventive and intimate study, Claire Harman takes a fresh look at Mansfield's life and achievements, through the form she did so much to revolutionise: the short story. Exploring ten pivotal works, we watch how Mansfield's desire to grow as a writer pushed her art into unknown territory, and how illness sharpened her extraordinary vitality: 'Would you not like to try all sorts of lives – one is so very small.' 'What a gift to the biographer, this life of adventure and sickness and sex and celebrity... Brilliant' Sunday Times 'A searching, incisive and compulsive book. A lesson in how to read and connect and understand' Sunjeev Sahota

Through two hundred newly commissioned photographs and engaging profiles of twelve unique, personal, and creative interiors on both sides of the Hudson, Upstate features a variety of spaces--from tranquil minimalist retreats to exuberant small-town residences. Among them are a farmhouse of globetrotting food photographers, a lavender-hued Victorian brimming with eclectic curios, a striking cottage with modern furnishings and elegant Georgian bones, and the country-house-on-acid of an artist and art director, complete with giant mushroom side tables and permanently installed party streamers. Shared by these distinctive spaces is a common approach to decoration that centers on collections gradually accumulated, delights in the handmade, embraces the beauty in imperfection, and values comfort and character above all.

Out of Sorts Sarah Bessey, 2015-11-03 From the popular blogger and provocative author of *Jesus Feminist* comes a riveting new study of Christianity that helps you wrestle with—and sort out—your faith. In *Out of Sorts*, Sarah Bessey—award-winning blogger and author of *Jesus Feminist*, which was hailed as “lucid, compelling, and beautifully written” (Frank Viola, author of *God’s Favorite Place on Earth*)—helps us grapple with core Christian issues using a mixture of beautiful storytelling and biblical teaching, a style well described as “narrative theology.” As she candidly shares her wrestlings

with core issues—such as who Jesus is, what place the Church has in our lives, how to disagree yet remain within a community, and how to love the Bible for what it is rather than what we want it to be—she teaches us how to walk courageously through our own tough questions. In the process of gently helping us sort things out, Bessey teaches us how to be as comfortable with uncertainty as we are with solid answers. And as we learn to hold questions in one hand and answers in the other, we discover new depths of faith that will remain secure even through the storms of life.
