**Paul Howard Carlson**

**Amarillo** Paul Howard Carlson,2006 The first comprehensive history of the Queen City of the Texas Panhandle.

**Amarillo** Ron Smith,2009-08-17 Many people are surprised to learn that the city of Amarillo was actually founded twice. Originally settled by J. T. Berry in April 1887 and known as Oneida, the site of the town was located on such low ground that many residents feared it was susceptible to flooding. In 1888, one concerned resident named Henry B. Sanborn began buying land a mile east of the site as a potential place to relocate the town. In 1889, the town's fears came to fruition when heavy rains flooded the original town site, prompting residents to move to Sanborn's new location. The town went on to become one of the world's busiest cattle shipping points in the late 1890s, causing its population to grow significantly. Today Amarillo is the largest city in the Texas Panhandle, and its economy continues to thrive on cattle, along with agriculture, oil, and natural gas.

*100 Things to Do in Amarillo Before You Die* Eric W. Miller,2021-09-15 Amarillo. Yellow City. Bomb City. Any name you choose, it's unique. Rooted in Texas lore but full of modern surprises around every turn, Amarillo is much more than an overnight stop on the way somewhere else. With 100 Things to Do in Amarillo Before You Die, get the best insider itineraries and ideas to make the most of your time, whether you spend it eating, exploring, or just taking it all in. Well known are the Big Texan Steak Ranch with its 72-ounce steak challenge and the Cadillac Ranch, perhaps the best-known roadside public art installation in the nation. They anchor either end of Route 66 as it passes through Amarillo but complete your cruise with a visit to Historic Route 66, a one-mile neighborhood in the center of town with galleries, shops, restaurants and clubs. Think about searching for the railroad highlights of Amarillo's past, or catching the growing number of murals all around town, or visiting the impressive number of museums in the area. Palo Duro Canyon is a magnet for all sorts of outdoor activity, but so are Lake Meredith National Recreation Area and Wildcat Bluff Nature Center. Local author Eric W. Miller's 100 Things to Do in Amarillo Before You Die definitively answers the question of what to do in Amarillo. It's more than a bucket list; it's an open ended ode to his adopted hometown.

*African Americans in Amarillo* Claudia Stuart,Jean Stuntz,2009 Amarillo became a town in 1887 when merchants opened stores to cater to railroad workers. The first African Americans in the area were Jerry Callaway, who came to the area in 1888 with a white family, and Mathew Bones Hooks, a highly respected cowboy who moved to Amarillo in 1900 and later worked for the railroad. By 1908, five African American families had moved to Amarillo. The black community grew and people established churches, businesses, and schools. With the 1950s and 1960s, Amarillo citizens participated in ending segregation and bringing about equality. Today African Americans in Amarillo are still bound together by their churches but have access to many opportunities both locally and nationally. They are justifiably proud of their rich heritage.

**Amarillo's Historic Wolflin District** Christine Wyly,2010 In September 1887, J. T. Berry bought 640 acres of school land from the State of Texas. Several years earlier, this raw section of prairie had been home to buffalo herds and the Kiowa and Comanche Nations. Berry could not have known that this land

would one day become home to cattle barons, oil and gas pioneers, and a U.S. ambassador. When Charles Oldham Wolflin married Alpha Eunice McVean a decade later and acquired that same section of land, he never dreamed that his son would develop that land from a dairy farm into a premier residential development. Today the Wolflin Historic District is a vibrant, lush neighborhood with tree-lined brick streets and stately houses. It is home to several thousand residents, including descendants of pioneer families, modern-day professionals, and public servants who contribute to the arts, are involved in philanthropy, and are active in community service.
