**Amarillo** Paul Howard Carlson,2006 The first comprehensive history of the Queen City of the Texas Panhandle.

Escorts Escorts and Prostitutes Phillip A. Spight, Sr.,2005-04-05 I have been in the escort business for several years now. I began in the military back in '92. I was sent to Germany, Bosnia, Hungary and I'm sure I have been to just about all fifty states. I soon found out that women from other cultures are very beautiful creatures. I love to meet women of other cultures. They are so different. Not just different in race, but how they view sex as compared to American people. What I mean is that sex is a recreational thing to them more than it is a moral issue. I found myself always surrounded by beautiful women who enjoyed the sex life. To my amazement, I found that I could make money for myself and others by using these women. So when I returned to the United States, almost four years later. I created X-STA-CEE ESCORTS. A small escort service that I ran from my barracks using a cheap computer. At every duty station that I had, I did the same thing. Once you get in, it's hard to get out. This was a very exciting and profitable business venture for me. I soon found myself making more money in a week's time than the government paid me in a month. This book is a compilation of what I have learned about escorts, clients and the law. This is the reason that I wrote this book. Somebody had to do it.
