An Angel's Story Max Lucado,2004-10-23 Spiritual beings populate the stories of Scripture. Angels singing. Demons infecting. Heavenly hosts fighting . . . Ignore the armies of God and Satan and you ignore the heart of Scripture. Ever since the snake tempted Eve in Eden, we've known: there is more to this world than meets the eye. In this classic Christmas novella, best-selling author Max Lucado imagines the spiritual conflict that surrounded the coming of Christ. Surely there was much. If Satan could pre-empt Christ in the cradle, there'd be no Christ on the cross. Journey back in time to the very throne of God ... and witness firsthand the glory, the wonder, and the battle that took place on the very first Christmas. E-book bonus content: An Angel’s Story!

A Book of Angels Marigold Hunt,2006-09-01

Angel stories from the Bible — for kids

Modern believers may be tempted to look upon angels as one of the more fanciful elements of Scripture, but this illuminating and entertaining collection of angel stories from the Bible shows that there are just too many angels for them to be metaphorical, allegorical, or unimportant.

So that children will come to know and learn to revere angels, Marigold Hunt explains what angels are (and are not!) and gathers here in one volume most of the stories of angels in the Bible, including exciting tales of:

1. The fallen angels, beginning with the devil himself, tempting Adam and Eve
2. The angel who barred the gates of Eden so Adam and Eve could never enter again
3. The angels who announced that Sara, Abraham’s aged wife, would have a baby
4. The angels who tried to save Lot from destruction with the city of Sodom
5. The angel who stayed Abraham’s hand as he was about to sacrifice his son Isaac
6. The angels in Jacob’s dream who climbed the stairway to Heaven
7. The angels who saved Sidrach, Misach, and Abdenago from the fiery furnace
8. The angel Raphael, who shielded Tobias from death, and protected his wife Sara
9. The angels at the Ascension who chided the apostles for staring at the sky
10. The angel Gabriel, who foretold the birth of Jesus and John the Baptist
11. The choirs of angels who sang above Bethlehem when Jesus was born
12. The angel who carried food to Daniel when he was imprisoned in the lion’s den
13. The angel who freed Peter from prison, and, of course:

14. The countless angels who fill the marvelous pages of the Book of Revelation

Children will be charmed by these exciting tales.

If *Angels Whisper - a Heart-Touching Guardian Angel Story* Mande Matthews,2021-02-02 There’s always been something wrong with me but I’m not sure what. I’ve had daydreams of angels since I was a child, specifically a guardian angel to rescue me from my addicted mom, nonexistent father, and friendless existence. You see, there’s a mystery surrounding my birth. One that mom won’t talk about. One that keeps her checking out every single February 2nd...that’s my birthday, but from her behavior, you’d think it was doomsday. I’ve always known something was missing. Like there’s a hole in my heart that needs... That’s the thing. I don’t know what it needs but it’s left me feeling unworthy of love at all. But now odd events are happening. Like visitations from a robin, visions I can’t explain, and an out-of-body experience—if that’s what it really was. I’m starting to question everything. What secrets have my parents been keeping? Who am I, really? And could I be worthy of love in more ways than I ever imagined? If *Angels Whisper* is an emotional, heartfelt short story (approx. 10,000 words) with fantasy realism and spiritual elements. *** “An inspirational story of love and healing.” “Whether you’re looking for Christian Teen Fantasy or just inspirational fantasy fiction, this one will make you cry. And that’s a good thing.” “Masterfully emotional fiction. A motivational story with a moral that feels genuine and true. A must-read, divine experience.” “Warmhearted, motivational, inspirational. This ethereal story will give your heart wings.” ***

There are good lessons we can derive from the story. We learn that even if an angel does not have wings, the angel can still do not only good but also great things helping others. The book teaches kids that you do not need to born as an Angel to make something good for people, animals, and nature. A lot of lessons can be imparted and learned. Young readers and listeners will benefit from this book. I highly recommend parents, teachers, and guardians to buy this book and share the important message in this nicely written children's story to the young ones. Both the Rappites and the Owenites came to New Harmony to conduct communal living experimentsÑRapp expecting the millennium; Owen believing he had brought the millennium with him.
