Grace Like Scarlett Adriel Booker,2018-05-01 Though one in four pregnancies ends in loss, miscarriage is shrouded in such secrecy and stigma that the woman who experiences it often feels deeply isolated, unsure how to process her grief. Her body seems to have betrayed her. Her confidence in the goodness of God is rattled. Her loved ones don't know what to say. Her heart is broken. She may feel guilty, ashamed, angry, depressed, confused, or alone. With vulnerability and tenderness, Adriel Booker shares her own experience of three consecutive miscarriages, as well as the stories of others. She tackles complex questions about faith and suffering with sensitivity and clarity, inviting women to a place of grace, honesty, and hope in the redemptive purposes of God without offering religious clichés and pat answers. She also shares specific, practical resources, such as ways to help guide children through grief, suggestions for memorializing your baby, and advice on pregnancy after loss, as well as a special section for dads and loved ones.

The New Poverty Row Fred Olen Ray,1991-01-01 Since cinema's earliest beginnings, there has been friction between producers and directors. Shady accounting practices, which favored the distributors at the expense of the filmmakers, were all too common, causing many filmmakers to form independent companies to make and distribute their own product. This book examines six such low-budget exploitation companies--Associated Distributors Productions, Filmgroup, Hemisphere Pictures, American General Pictures, Independent-International Pictures, Dimension Pictures, and the author's own American-Independent Productions. A brief history of each company, laced with quotes from the company's principals, is presented, followed by a filmography that lists all known credits for that company.
