The Paper Solution Lisa Woodruff,2022-01-25 From the Marie Kondo of paper comes a simple and accessible guide to paper management. Americans are drowning in paper. We keep stacks of it on the kitchen counter, stash it in drawers, and store file cabinets full of documents that we never even look at. Studies show that fully 85 percent of the paper in our lives can be tossed--but which 85 percent? And how do we organize and manage the 15 percent that remains? With The Paper Solution, founder of Organize365 Lisa Woodruff delivers a proven, step-by-step guide for what to shred, what to save, and how to sort what's left behind. With her method, you'll learn: • What documents you must absolutely hold on to • Which papers you can dispose of today • How to ditch your bulky filing cabinets and make your vital documents accessible and portable And at the heart of it all is the Sunday Basket: a box that sits on your counter and corrals those stray bills, forms, coupons, and scraps into an easy-to-use paper-management system. The Sunday Basket will become your new weekly habit--one that leads to less paper, less stress, and more time to spend on the things (and people) that matter most.

Purge with Passion Jodie Watson,2013-07-23 God cares about your clutter. We're beginning to understand that we should be organized, but we don't hear as much on why we should be organized. Why should it matter if our lives are disorganized? *Purge with Passion: Organizing Principles from a Christian Perspective* focuses on that question. This isn't your average organizing book. If you see organization as a step to a happier and more productive life, then you're partly right. But, what if there's more? Our resources and possessions are meant to be used for God, but too often they distract us from God. Jodie Watson helps you free yourself from the clutter with practical and actionable advice. But she also explains that what truly matters is the heart behind your organization. Identify the ways the disorganization in your life can hinder you from pursuing God's will. Take a deeper look at the things that God has entrusted to you. Adopt a biblical approach to ordering your life for God's glory. Go beyond the surface and discover what's at the very heart of your disorganization. God has a specific purpose for you and the world in which you live. Get ready to step out of the mess and step into God's amazing plan for order.
